Modwel, 2020-12-29 Northeast India is home to many distinct communities and is an area of incredible ethnic, religious, and linguistic diversity. This book explores the shared cultural heritage among the highland and river valley communities of Northeast India and mainland South East Asia, including South China, through oral traditions. In this book, I'll teach you how to prepare, brainstorm, outline, rehearse, and execute your speech. We'll discuss all of the duties of a Mother of the Groom so you're completely prepared for the day of the wedding. This will include coordinating with the bride and groom, dress and appearance, interacting with friends and family, recording the speech, alcohol consumption and so much more. Additionally,

you'll learn the most common issues that happen during the Mother of the Groom speech and how to overcome them. Moreover, I provide an example speech at the end of the book, that can be tweaked for your particular needs. Ultimately, this book will provide a Mother of the Groom with the tools, tips, tricks--and most importantly the confidence--they'll need to give a killer speech. By the end of the event, you'll walk out feeling like a hero and knowing you gave it 110%. I'm sure you're going to love this book. But don't take my word for it. Scroll up and BUY YOUR COPY TODAY!
