hairspray monologues female: Queer Horror Sean Abley, Tyler Doupé, 2024-08-20 From the beginning, horror has been part of the cinema landscape. Despite some of the earliest genre films with gay directors such as F.W. Likewise, more and more LGBTQIA writers and directors have begun to offer their queer-centric takes on scary movies and today, queer horror is a thriving film genre. With more than 900 entries, this critical filmography is a comprehensive, critical, yet playful examination of the history of LGBTQIA content in horror films. Eight journalistic contributors dig into every era of scary movies, including the early silents, pre- and post-Hays Code content, grindhouse sleaze, LGBTQIA indies, and megaplex studio releases.
