happy heavenly birthday brother in law: I've Been through Hell Trying to Make It Up to Heaven Alida Jai Rogers, 2023-09-19 How would you like to have your funeral at any place you wanted? Well, in this book, you will see what my uncle did. He was a major coach. What is a major coach? Well, that is where you coach literally everything: basketball, baseball, track, football, martial arts, swimming, golf, and dancing lessons. He tutored adults and children and worked a regular job. Lazy wasn't a word he knew. What better way than to go out the way you lived your life? I personally thought it was very cool. My uncle's funeral was on the track and football field where over three hundred people attended to celebrate and paid their respects. It made my father feel like he was putting on a gospel celebrity concert that he waited for all his life. Lord Jesus help us. If only Erica from Mary Mary would have just given my father a solo at their church. My beautiful great-aunt had us join a procession at the funeral as if it was a wedding. We sat in white chairs on the football field as if we were holding a presidential election. He was just that special. My uncle's

only daughter's wedding colors were purple and white. And she wanted to honor him by the family wearing those colors since he would not be here to walk her down the aisle. My father felt like this was his time to shine. He didn't have to shine that much to make us go viral. We were embarrassed. We had just seen Kobe and his daughter buried the day before. I was grateful for the tribute they gave to all nine lives that were lost. Everyone was watching at the airport. We were delayed due to the fog. After watching the funeral, no one complained about the fog again. I flew all the way from St. Louis. I couldn't miss my uncle's funeral. Who would have thought the world would shut down five weeks later? I say God is trying to tell us all something. With me being six months pregnant, and bleeding for five of those six months, I believed it would be a double funeral. God said, You both shall live, yet the devil was trying to take me out. I believe in my heart that this book will show you that no matter your skin color, we are the same. Even if your faith is paper thin, this book is for you. Religion shouldn't be anyone's cup of tea. Even in the COVID pandemic, Jesus has never left us nor forsaken us. His blood is why we breathe. Now that's love. That should be our cup of tea. Not religion.

happy heavenly birthday brother in law: *Today, Tonight, Tomorrow* Jan Scruggs, 2019-06-03 I have experienced two of the most profound experiences God offers us on this earth: the overwhelming joy of adopting children, and the overpowering grief of losing a child from the tragedy of heroin addiction. In this book, I have placed everything my heart holds. It is a blend of happy experiences with my children as my husband and I raised them, horrific experiences as we helplessly watched one child's life painfully ripped apart in a storm of evil, and the unimaginable aftermath of

losing a child. Tears from all these are spread throughout these pages. In his death, my child was redeemed and set free. I was left picking up the pieces of my broken heart, shaking my head, and trying to understand why. God's overpowering love and sovereignty had raised a sword against one of Satan's greatest tools, the power of addiction. Was my child nothing more than a casualty of spiritual warfare? God is good. Did I still believe that? This book chronicles my journey through His Word, listening for whispers from heaven, until finally, I too am set free. Today, Tonight, Tomorrow was written by Him, for Him, and belongs to Him. I pray that this book will help fight the spread of the addiction plague that has been so carefully orchestrated by the enemy and will help provide comfort to those already caught in the battle.
