niv study bible pdf: *Choose* Jodie Niznik, 2020-09-15 Leads women through the life of Moses to discover their own extraordinary purpose The life of Moses was an exceptional one. God pursued Moses, calling him to step forward into leadership and miraculous events. Instead of saying no to that invitation, Moses trusted that God's plan, however improbable it seemed, was the best way to live. Equipped with that faith, Moses led God's people out of slavery to the land of promise, changing their entire world. The truth is we're not that different. Every day we're called to follow God's lead to do things only we can do. And like Moses, we must each choose if we will take the path God guides us to or follow our own way. Through this ten-week inductive Bible study, Jodie Niznik invites you on an experiential journey along with Moses to learn just what that choice can mean. Each week starts with a spiritual discipline to move women from head knowledge to heart understanding. Then through thoughtful questions, personal reflection, and practical application, Jodie explores the text to uncover the lessons Moses's life teaches to every modern woman. Designed for either individual or group study, this first book in the Real People, Real Faith series combines inductive learning with practical spiritual disciplines, taking a new look at ancient stories to discover their many connections to life today.

niv study bible pdf: *God Speaks Your Language* Donald L. Brake, 2022-09-19 *God Speaks Your Language* is a presentation of the theories and issues facing modern Bible readers. It encourages readers to let God's word speak for itself. English words must be accurate in their literary narrative, in the beauty of poetic verse, and in mysterious figurative language—all to capture the rich meaning of his revealed word. Our first language is the window into our soul. To know God,

to share our deepest feelings with our Creator, we will do it in our mother tongue. It is the Bible in our language that will truly massage our minds and allow the “words” of the Infinite to penetrate our inner self. The need for study Bibles enables the reader to apply translation into added explanation. Proper analysis of Bible versions will help avoid selecting a version one likes because it fits one’s lifestyle or church tradition.
