patriotic medley sheet music pdf: Song Sheets to Software Elizabeth C. Axford, 2004-06-24
The second edition continues to be a valuable source to printed music, music software, and Web sites useful to musicians, and includes interesting essays on the history of printed music, copyright laws, music theory fundamentals, and other topics. Many questions posed by musicians and others concerned with music production and instruction are answered with short, effective explanations (e. g., the duration of copyright, the concept of fair use, writing lead sheets, publishing music). Axford's volume will be especially useful to young musicians or others beginning a career in some aspect of music. A useful section, Web Sites for Musicians, reveals the book's currency: very few dead links were detected, attesting to careful updating from the first edition. The section Tech Talk: Terms A - Z provides brief definitions for many new terms used by musicians or technology specialists. A valuable desk reference for everyone involved in the music industry.

patriotic medley sheet music pdf: Fun-To-Play Patriotic Songs Richard Bradley, 2002

Richard Bradley is one of the world's best-known and best-selling arrangers of piano music for print. His success can be attributed to years of experience as a teacher and his understanding of students' and players' needs. His innovative piano methods for adults (Bradley's How to Play Piano -- Adult Books 1, 2, and 3) and kids (Bradley for Kids -- Red, Blue, and Green Series) not only teach the instrument, but they also teach musicianship each step of the way. Originally from the Chicago area, Richard completed his undergraduate and graduate work at the Chicago Conservatory of Music and Roosevelt University. After college, Richard became a print arranger for Hansen Publications and later became music director of Columbia Pictures Publications. In 1977, he co-founded his own publishing company, Bradley Publications, which is now exclusively distributed worldwide by Warner Bros. Publications. Richard is equally well known for his piano workshops, clinics, and teacher training seminars. He was a panelist for the first and second Keyboard Teachers' National Video Conferences, which were attended by more than 20,000 piano teachers throughout the United States.
