rudram namakam pdf: *Sri Rudram and Chamakam* V. Ravi, 2017-12-31 Sri Rudram is considered as the heart of Krishna Yajur Veda, because Sri Rudram occupies the central part of Krishna Yajur Veda. Out of entire Sri Rudram, Namahshivaya, the Panchakshara mantra occupies the central point. Sri Rudram is also known as Rudra Upanishad. It is called so because, recitation of Sri Rudram removes our vasana-s (the impression of anything remaining unconsciously in the mind, the present consciousness of past perceptions), by imparting higher spiritual knowledge like Upanishad-s. It is also said that gods are satiated if Sri Rudram is chanted and hence it is also called Shatarudriya, which means one hundred ways of glorifying Rudra. If a tree is watered regularly, it grows with huge foliage. Similarly, if Sri Rudram is chanted, all gods are pleased. Further, recitation of Sri Rudram is considered as a remedy for all types of sins. References are available in certain Upanishads about Sri Rudram. Sri Rudram is an exclusive gift of Krishna Yajur Veda and only selected verses are found in Rig Veda. It is also known as namakam as it contains number of namaha. There are 11 stanzas (anuvaka - division or subdivision of Vedas) in Sri Rudram. These anuvaka-s are arranged in an order. In the first anuvaka is a prayer to an angry Rudra. Rudra is upset with those who did not obey His orders and in order to calm Him, prayers are offered to Him. Rudra becomes angry when adharma prevails over dharma. Camakam makes tears roll down the eyes due to its wonderful formation producing rhythmic waves. Camakam follows Sri Rudram recitation. There are repetition of ca after each word and hence it is called Camakam. It is also called vasordhara, which involves continuous flow of ghee (clarified butter) into the yajna fire, by reciting Camakam non-stop. Camakam is a prayer seeking riches and mental strength. There are 11 anuvaka-s and each word is followed by ca me, where ca means and/also; and me means me (I). It is important to note that all the prayers are only for the benefit of the individual concerned. From the ritualistic point of view, unless sankalapa is taken, benefits of these mantras will not accrue to others. However, benefits of listening to Chamakam will always be there for others. This book contains interpretation of both Sri Rudram and Camakam.
