lynn nottage ruined pdf: Performing Trauma in Central Africa Laura Edmondson, 2018-03-26 What are the stakes of cultural production in a time of war? How is artistic expression prone to manipulation by the state and international humanitarian organizations? In the charged political terrain of post-genocide Rwanda, post-civil war Uganda, and recent violence in the Democratic Republic of Congo, Laura Edmondson explores performance through the lens of empire. Instead of celebrating theatre productions as expression of cultural agency and resilience, Edmondson traces their humanitarian imperatives to a place where global narratives of violence take precedence over local traditions and audiences. Working at the intersection of performance and trauma, Edmondson reveals how artists and cultural workers manipulate narratives in the shadow of empire and how empire, in turn, infiltrates creative capacities.

lynn nottage ruined pdf: Performing Anti-Slavery Gay Gibson Cima, 2014-04-24 Performing Anti-Slavery demonstrates how black and white abolitionist women transformed antebellum performance practice into a critique of state violence.

lynn nottage ruined pdf: Congo Thomas Turner, 2013-04-18 The Democratic Republic of Congo has become one of the world's bloodiest hot spots. 2003 saw the end of a five-year war in which millions lost their lives - one of the deadliest conflicts since World War II. Despite recent peace agreements and democratic elections, the country is still plagued by army and militia violence. Congo remains deeply troubled, since the deep-rooted causes of conflict have not been adequately addressed. The conflict in the DRC has divided opinion; some call it a civil war, or a war of aggression by the country's neighbours; others a continuation of Rwanda's Hutu-Tutsi conflict on Congolose soil, and a war of partition and pillage. The prevalence of rape and sexual violence has led some analysts to mark it out as a hidden 'war against women'. Tom Turner's insightful book reveals how each of these descriptions accurately captures the separate elements of this complex and multidimensional political conflict. In exploring each of these contributory factors, he shows how current attempts to rebuild the shattered state and society of DRC are doomed to fail. So long as the full complexity of the Congo crisis is not taken into account and a clear consensus as to its precise dimensions reached, the future looks bleak. The DRC, he argues, will likely remain a global hot spot for some time to come.

lynn nottage ruined pdf: Performing Gender Violence B. Ozieblo, N. Hernando-Real, 2012-01-02 Violence against women in plays by women has earned little mention. This revolutionary collection fills that gap, focusing on plays by American women dramatists, written in the last thirty years, that deal with different forms of gender violence. Each author discusses specific manifestations of violence in carefully selected plays: psychological, familial, war-time, and social injustice. This book encompasses the theatrical devices used to represent violence on the stage in an age of virtual, immediate reality as much as the problematics of gender violence in modern society.

lynn nottage ruined pdf: *Testimony* Shantee Stepakoff, 2021-06-14 IBPA Benjamin Franklin Award™ gold winner, poetry category Sierra Leone's devastating civil war barely caught the attention of Western media, but it raged on for over a decade, bringing misery to millions of people in West Africa from 1991 to 2002. The atrocities committed in this war and the accounts of its survivors were duly recorded by international organizations, but they run the risk of being consigned to dusty historical archives. Derived from public testimonies at a UN-backed war crimes tribunal in Freetown, this remarkable poetry collection aims to breathe new life into the records of Sierra Leone's civil war, delicately extracting heartbreaking human stories from the morass of legal jargon. By rendering selected trial transcripts in poetic form, Shantee Stepakoff finds a novel way to communicate not only the suffering of Sierra Leone's people, but also their courage, dignity, and resilience. Her use of innovative literary techniques helps to ensure that the voices of survivors are not forgotten, but rather heard across the world. This volume also includes an introduction that explores how the genre of "found poetry" can serve as a uniquely powerful means through which writers may bear witness to atrocity. This book's unforgettable excavation and shaping of survivor

testimonies opens new possibilities for speaking about the unspeakable.

lynn nottage ruined pdf: *The Theatre of Paula Vogel* Lee Brewer Jones, 2023-06-15 In this volume, Lee Brewer Jones examines Paula Vogel as both a playwright and renowned teacher, analyzing texts and early reviews of Vogel's major plays-including *Indecent*, *Desdemona*, *How I Learned to Drive*, and *The Baltimore Waltz*-before turning attention to her influence upon other major American playwrights, including Sarah Ruhl, Lynn Nottage, and Quiara Alegría Hudes. Chapters explore Vogel's plays in chronological order, consider her early influences and offer detailed accounts of her work in performance. Enriched by an interview with Lynn Nottage and essays from scholars Ana Fernández-Caparrós and Amy Muse, this is a vibrant exploration of Paula Vogel as a major American playwright. By the time Paula Vogel made her Broadway debut with her 2017 Rebecca Taichman collaboration *Indecent*, she was already an accomplished playwright, with a Pulitzer Prize for *How I Learned to Drive* (1998) and two Obie Awards. She had also enjoyed a brilliant career as a professor at Brown and Yale with students such as Sarah Ruhl, a MacArthur "Genius" Grant winner, Pulitzer Prize winners Nilo Cruz, Quiara Alegría Hudes, and the only woman to win two Pulitzers for Drama, Lynn Nottage. Vogel's theatre draws upon Russian Formalist Viktor Shklovsky and uses devices such as "defamiliarization" and "negative empathy" to challenge conventional definitions of protagonists and antagonists.

lynn nottage ruined pdf: *Contemporary Women Playwrights* Penny Farfan, Lesley Ferris, 2014-01-23 Breaking new ground in this century, this wide-ranging collection of essays is the first of its kind to address the work of contemporary international women playwrights. The book considers the work of established playwrights such as Caryl Churchill, Marie Clements, Lara Foot-Newton, Maria Irene Fornes, Sarah Kane, Lisa Kron, Young Jean Lee, Lynn Nottage, Suzan-Lori Parks, Djanet Sears, Caridad Svich, and Judith Thompson, but it also foregrounds important plays by many emerging writers. Divided into three sections-Histories, Conflicts, and Genres-the book explores such topics as the feminist history play, solo performance, transcultural dramaturgies, the identity play, the gendered terrain of war, and eco-drama, and encompasses work from the United States, Canada, Latin America, Oceania, South Africa, Egypt, and the United Kingdom. With contributions from leading international scholars and an introductory overview of the concerns and challenges facing women playwrights in this new century, *Contemporary Women Playwrights* explores the diversity and power of women's playwriting since 1990, highlighting key voices and examining crucial critical and theoretical developments within the field.

lynn nottage ruined pdf: *Theater of State* James Ball, 2019-11-15 In this innovative study of performance in international relations, James R. Ball III asks why states and their representatives come to the United Nations to perform for a global audience and how those audiences may intervene in the spectacle of global politics. *Theater of State* looks at key spaces in which global politics play out: in debating forums of the UN, at the International Criminal Court in The Hague, and in peacekeeping operations in Africa and the Middle East, as well as in a variety of related media productions. Ball argues that culture and politics form a unified field organized by the theatricality of its actors and the engaged spectatorship of its audiences. He provides a theory of global political spectatorship: of how the world watches itself in institutions and beyond, and of what citizens and diplomats do by watching. This study of the lived experience of spectacular politics on the world stage draws on theories of theater, performance, and politics to offer new ways of approaching issues of war, cosmopolitanism, international justice, governance, and activism. Situated at the nexus of two disciplines, performance studies and political science, this volume encourages conversations between the two so that each might offer lessons to the other.

She offers a powerful critique of the American attitude toward class, and how it affects the decisions we make. Sweat has fraternity at its heart, but also the violence, and the suspicion that can result from class aspirations.” -Hilton Als, New Yorker Lynn Nottage has written one of her most exquisitely devastating tragedies to date. In one of the poorest cities in America, Reading, Pennsylvania, a group of down-and-out factory workers struggle to keep their present lives in balance, ignorant of the financial devastation looming in their near future. Her other plays include Intimate Apparel; By the Way, Meet Vera Stark; Fabulation, or the Re-Education of Undine; Crumbs from the Table of Joy; and Las Meninas.
