milady chapters: Upstairs & Downstairs Tim Tate, Hilda Newman, 2013-09-02 'I THOUGHT I'D GONE TO A PRISON' This was Hilda Newman's first impression when, at the age of 19, she left her parents' little terraced cottage in Lincolnshire and embarked on a new life as a lady's maid at Croome Court, the enormous stately home of Lord and Lady Coventry. The year was 1935: the twilight of the English aristocracy. It was a time of wealth and glamour; of lavish balls and evening gown; of tiaras and a Coronation. As personal maide to Lady Coventry, Hilda had a unique insight into the leisured life of one of Britain's most noble families. In her fascinating memoir of life upstairs and down, Hilda takes us back to a gilded era which would be brutally swept away by the Second World War. Hers is a very personal story of being transplanted from a tiny house with no bath or hot water to an eighteenth-century Neo-Palladian mansion surrounded by parkland landscaped by Lancelot 'Capability' Brown. But it also the remarkable story of the family who service she entered - and that of Croome Court itself: during World War Two, it housed the Dutch Royal Family - who had fled the Nazi occupation - and it was also home to the top-secret RAF base where radar was developed. This is Hilda's story.

They lived with me for about fifteen years and they still occasionally visit me to make sure I am well and that I still believe in magic. My name is Marie Lucile Diane Dub and I am a SHAMAN. I was born in 1931 in a small town in Quebec by the name of Rivière-du-Loup (River of the Wolf). The anthology draws upon the intellectual wealth of a diverse group of authors, seasoned and literary newcomers alike, heralding from various historical and cultural backgrounds. This amalgamation of voices, extending from the Romantic allures of Shelley to the stark realism of Flaubert, enhances the thematic richness of the collection. Infused with the wisdom of ancient philosophers like Confucius and Laozi, alongside modernists such as Zola and Woolf, the volume bridges critical literary movements, forging connections across cultures and centuries. Readers are invited to plunge into this vast universe of cultural and ideological narratives, where each work not only stands alone in its brilliance but also engages in a vibrant dialogue with its companions in the anthology. This collection serves a dual purpose—both a treasure trove for the aficionado and a guide for the curious seeker to explore masterpieces across eras. Its educational merit is significant, presenting readers with layered insights and fostering an enduring conversation among diverse literary voices.
