unity prayer flame of love pdf: Unity and the Flame of Love Deacon Norman Alexander, 2019-02-20 Unity and the Flame of Love illustrates that God never gives up on His children. His deepest desire is to draw everyone to himself. From Adam to Jesus, and from the apostles to the present Flame of Love movement, the Lord continues to work for our salvation. We have been invited to become helpers of Jesus and Mary. Every believer knows that we need God, and we should pray to God for assistance in our needs. The mystery of the Flame of Love movement is that the Lord Jesus and the Blessed Virgin Mary are pleading for our help. They need us to help save souls and offer reparation to the Sacred Heart of Jesus and the Immaculate Heart of Mary. Reparation eases the pain of sorrow in the hearts of Jesus and Mary, who suffer greatly because many souls reject salvation, and do not understand the reality of eternal damnation. Deacon Norman Alexander, author of, *The Hidden Life of Jesus and Saul, Saul, Why Do You Persecute Me?* has responded to a request, from members of one of the Flame of Love of the Immaculate Heart of Mary prayer cenacles in Memphis, TN, to write a book explaining some topics discussed in their prayer cenacle. The author's response is, *Unity and the Flame of Love*.

unity prayer flame of love pdf: *The Seed of Unity* Brian Mwape, 2018-07-29 The seed of Unity is bled in the blood of our Lord Jesus Christ. It has been ushered in the minds of people to promote unity among the candidates of heaven and it ignites the seed of oneness among the people in this world. The author wrote after receiving great revelation that we can only have a better world when we have a united people. It is our belief that though we have different ideologies and backgrounds we have the breath of life from one God who is our creator and provider of everything. We are born differently but we should endeavor to look at a bigger picture of love in the Lord. In line with our trust in the Lord Jesus Christ we should regard our brothers and sisters as beloved in the Lord. The Bible which is the book of life has taught us on how we can love our Lord with all our heart. We learn that the love of God is unconditional for it radiates like the rays of the sun which does not show any partiality. Just like the rain, the Lord is the Lord of all fairness and His love is greater than all the heavens. The seed of love was planted by our Lord Jesus Christ who came to die for us out of love which He had for us because He loved us from the beginning. Because of His great love we were healed and we do not owe the Devil anything because He paid all the credits we had accumulated. The Lord is gracious to His children. The bigger picture is for us to care for all the orphans, refugees, the poor and everyone of us who is afflicted by the enemy who is Satan the Devil. The Lord Jesus Christ nurtured us under His wings because His love is the greatest. The bible in John 3:16 For God so loved the world that He gave His only begotten Son, so that whosoever believes in Him should not perish but have eternal life. Our Jesus Christ is ever gracious and will always be there for us through His love which He has for us. We pray for the world to be united in truth and in His love for the Almighty came to save us because of His love. We pray for our children, for they guard the planet from the afflictions which is spiritually is under fire. The attacks from the enemy can only be suppressed when we recognize the power which our Lord Jesus Christ has planted in us. Friends and families are there to provide us with love and comfort in this world of tribulations. These people make sure that we are not in danger but walk in the way that would not harm our well-being. Our friends and families protect us from being attacked because they feel to be part of ourselves. Whenever we are passing through pain, those who love us also equally feel bad. The bond of love which our Lord Jesus Christ has planted in the friends and family cadre is but a sign that we are one in His eyes. We are married to Jesus Christ and He is here to sanctify our lives, for us to receive the gift of having an endless life. The love which we have represents the one true Divine love which only comes from heaven. It is written that He chose us from the dust and He made us worth to light the world with exceeding joy. Therefore, we should not satisfy our flesh with the pleasures of this world but we should put on the body of our Lord Jesus which rose from the dead. I was dead and buried in the works of this world, it feels like yesterday. My life was almost fading away from my hands because the chains were very heavy. Looking at a distance I saw no light but darkness and pain enveloped my little world. I entertained worldly communication, drunkenness and dirty evil games on my body and soul. I gave up hope and the horse in me stopped kicking, for I had

no strength in my limbs. It was like a miracle, how my Lord Jesus Christ saved me from the pits of Hell. He made sure that, I stood firm in the midst of the elect and preached good news to the oppressed. To me it was like a dream, for I could not believe His greatness. My dear brothers and sisters in the Lord I pray that the healing hand of God the Father deliver you from the evil dungeon. Unity is love in your family
