varta in gujarati: *Dalit Text* Judith Misrahi-Barak, K. Satyanarayana, Nicole Thiara, 2019-06-18 This book, companion to the much-acclaimed *Dalit Literatures in India*, examines questions of aesthetics and literary representation in a wide range of Dalit literary texts. It looks at how Dalit literature, born from the struggle against social and political injustice, invokes the rich and complex legacy of oral, folk and performative traditions of marginalised voices. The essays and interviews systematically explore a range of literary forms, from autobiographies, memoirs and other testimonial narratives, to poems, novels or short stories, foregrounding the diversity of Dalit creation. Showcasing the interplay between the aesthetic and political for a genre of writing that has 'change' as its goal, the volume aims to make Dalit writing more accessible to a wider public, for the Dalit voices to be heard and understood. The volume also shows how the genre has revolutionised the concept of what literature is supposed to mean and define. Effervescent first-person accounts, socially militant activism and sharp critiques of a little-explored literary terrain make this essential reading for scholars and researchers of social exclusion and discrimination studies, literature (especially comparative literature), translation studies, politics, human rights and culture studies.

varta in gujarati: *Dalit Literatures in India* Joshil K. Abraham, Judith Misrahi-Barak, 2015-07-24 This book breaks new ground in the study of Dalit Literature, including in its corpus, a range of genres such as novels, autobiographies, pamphlets, poetry, short stories as well as graphic novels. With contributions from major scholars in the field, it critically examines Dalit literary theory and initiates a dialogue between Dalit writing and Western literary theory.

varta in gujarati: *Perspectives on Indian Dalit Literature* Dipak Giri, 2020-03-19 The book "Perspectives on Indian Dalit Literature: Critical Responses" is a volume of twenty six scholarly articles focusing on the theme of Dalit's freedom and emancipation from traditional caste-stigmatised society which sacrifices the interest of Dalits on the altar of tradition. The book endeavours to articulate voices among this marginalized class of people to come in action from their passivity and stillness. The book also tries to cover almost all eminent Dalit writers of past and present century like Omprakash Valmiki, Baby Kamble, Bama Faustina Soosairaj, Meena

Kandasamy, Namdeo Dhasal, Sharankumar Limbale, Bhimrao Shirwale, Hira Bansode etc. along with some non-Dalit writers like Munshi Premchand, Mulk Raj Anand, Arvind Adiga etc. who have sought plea for this marginalized class of people with same ardour and passion as other Dalit writers through their write ups. Hopefully this anthology would serve for better humanity.
