

buchari

buchari is a traditional clothing item that holds significant cultural and historical importance in various regions, especially within Central Asian and Middle Eastern communities. Known for its distinctive design, rich embroidery, and cultural symbolism, buchari has evolved over centuries while maintaining its core identity. Today, it continues to be a symbol of cultural pride, tradition, and identity, often worn during festivals, ceremonies, and cultural events. In this comprehensive article, we will explore the origins, designs, cultural significance, variations, and modern adaptations of buchari, providing an in-depth understanding of this remarkable garment.

Origins and Historical Background of Buchari

Historical Roots

The origins of buchari trace back centuries to Central Asia, particularly among Turkic and Persian-speaking peoples. It is believed to have emerged as a practical yet ornate garment suited for the climate and social customs of the region. Over time, buchari became more than just a piece of clothing; it became a symbol of social status, regional identity, and cultural heritage.

Historically, buchari was worn by men during important occasions such as weddings, religious festivals, and community gatherings. Its design and embroidery often indicated the wearer's social standing, regional origin, and even profession. The garment's evolution reflects the diverse influences from neighboring cultures, including Persian, Mongolian, and Russian elements.

Historical Significance

Throughout history, buchari has played a vital role in cultural ceremonies and traditional practices. Its significance extends beyond fashion, representing cultural continuity, identity, and pride. In some

regions, the design and motifs on buchari are believed to bring good luck, ward off evil spirits, or symbolize regional stories and legends.

During periods of cultural suppression or upheaval, the wearing of buchari often served as an act of resistance and preservation of cultural identity. Today, it remains a powerful symbol of heritage and tradition, celebrated in cultural festivals and preserved in traditional craftsmanship.

Design and Components of Buchar

Key Features of Traditional Buchar

Traditional buchari is characterized by several distinctive features:

- Fabric: Typically made from silk, brocade, or velvet, often in vibrant colors.
- Cut: A long-sleeved, knee-length or longer coat that fits loosely.
- Embroidery: Rich, intricate embroidery covers the collar, cuffs, and front panels, often featuring floral or geometric motifs.
- Buttons and Fasteners: Often decorated with metal or jeweled buttons.
- Accessories: Worn with matching accessories such as hats, sashes, and footwear.

Common Design Elements

- Colors: Bright reds, blues, greens, and golds are common, symbolizing prosperity and celebration.
- Patterns: Traditional motifs include floral designs, tribal symbols, and regional patterns.
- Embroidery Techniques: Techniques such as Suzani, Appliqué, and Goldwork are frequently used to embellish the garment.

Variations of Buchari Across Regions

Central Asian Buchari

In countries like Uzbekistan, Kazakhstan, and Kyrgyzstan, buchari is renowned for its vibrant colors and elaborate embroidery. Uzbek buchari, for example, often features Suzani embroidery, a traditional hand-stitched textile art with floral and geometric motifs.

Middle Eastern Variations

In Middle Eastern communities, buchari may incorporate more subdued colors and simpler designs, focusing on high-quality fabrics and detailed embroidery patterns that reflect regional aesthetics.

Russian and Eastern European Adaptations

In Russia and neighboring Eastern European countries, buchari has been adapted to include influences from Russian folk costumes, often featuring fur trims and more muted color palettes suitable for colder climates.

Cultural Significance of Buchari

Symbol of Identity and Heritage

Buchari is more than clothing; it is a cultural emblem that symbolizes regional identity and national pride. Wearing a buchari during festivals and celebrations reinforces cultural bonds and preserves traditional craftsmanship.

Role in Festivals and Ceremonies

In many societies, buchari is an essential part of wedding attire, religious festivals, and national celebrations. Its elaborate embroidery and vibrant colors enhance the festive atmosphere and showcase cultural artistry.

Preservation of Traditional Craftsmanship

The making of buchari involves intricate hand embroidery, sewing, and fabric selection passed down through generations. This craftsmanship is vital to cultural preservation and supports local artisans and communities.

Modern Adaptations and Trends

Contemporary Fashion and Buchari

While traditional buchari remains popular for cultural events, modern fashion designers have adapted its elements for contemporary wear:

- Simplified designs suitable for everyday fashion.
- Fusion styles combining buchari motifs with Western clothing.
- Use of modern fabrics such as cotton blends and synthetic materials.

Fashion Tips for Wearing Buchari

- Pair with modern accessories like minimalist jewelry to balance traditional and modern styles.
- Combine with Western clothing for a fusion look at cultural festivals.
- Opt for tailored fits to suit contemporary fashion sensibilities.

Global Influence and Cultural Promotion

Buchari has gained international recognition through cultural exhibitions, fashion shows, and online platforms. Promoting buchari globally helps preserve traditional craftsmanship and fosters cultural exchange.

How to Choose and Care for a Buchari

Choosing the Right Buchari

When selecting a buchari, consider:

- Fabric quality and comfort.
- Embroidery craftsmanship.
- Regional authenticity and design significance.
- Occasion suitability.

Care and Maintenance

To preserve the beauty of a buchari:

- Hand wash with mild detergent.
- Store in a cool, dry place, preferably in a breathable bag.
- Avoid direct sunlight to prevent fading.
- Handle embroidery with care to prevent damage.

Where to Find Authentic Buchari

Regions Known for Quality Buchari

- Uzbekistan (Tashkent, Samarkand, Bukhara)
- Kazakhstan (Almaty, Nur-Sultan)
- Kyrgyzstan (Bishkek)
- Iran (Tehran, Isfahan)
- Russia (Moscow, St. Petersburg)

Purchasing Tips

- Support local artisans and markets.
- Verify authenticity by examining craftsmanship.
- Consider custom orders for personalized designs.

Conclusion

Buchari stands as a timeless symbol of cultural heritage, craftsmanship, and regional identity. Its vibrant colors, intricate embroidery, and rich history make it a cherished garment that continues to inspire fashion and cultural preservation worldwide. Whether worn during traditional ceremonies or embraced in modern fashion, buchari embodies a unique blend of history, artistry, and cultural pride. By understanding its origins, design, and significance, individuals can appreciate the depth of this traditional attire and contribute to its ongoing legacy.

Frequently Asked Questions

Who was Buchari and what is he known for?

Buchari was a prominent Islamic scholar from Indonesia, renowned for his contributions to Hadith studies and Islamic teachings.

What are some of Buchari's most influential works?

His most famous work is 'Sahih Bukhari,' a foundational collection of Hadith that is highly regarded in Sunni Islam.

How did Buchari contribute to Islamic scholarship?

Buchari compiled and authenticated thousands of Hadith, establishing rigorous criteria for their acceptance and greatly influencing Islamic jurisprudence.

Is 'Bukhari' related to the name of the scholar or the Hadith collection?

The term 'Bukhari' refers both to the scholar, Imam Bukhari, who compiled the Hadith collection, and to the collection itself, which is named after him.

What is the significance of Sahih Bukhari in Islamic studies?

Sahih Bukhari is considered one of the most authentic collections of Hadith in Sunni Islam and is extensively studied by scholars worldwide.

Are there modern interpretations or discussions about Buchari's methods?

Yes, contemporary Islamic scholars analyze and discuss Buchari's methodology in Hadith authentication, emphasizing its importance in Islamic legal and theological studies.

How can I access Buchari's works or learn more about him?

You can access his works through various Islamic libraries, online repositories, and academic courses focused on Hadith and Islamic history.

Additional Resources

Buchari is a term that resonates deeply within the rich tapestry of Indonesian literature and cultural expression. Rooted in the traditional oral storytelling practices of Indonesia, Buchari is more than just a genre or style; it encapsulates a unique blend of narrative, musicality, and cultural identity that has persisted through centuries. As Indonesia continues to evolve amidst modern influences, the significance of Buchari remains a vital link to the nation's ancestral heritage and a testament to the enduring power of storytelling.

Understanding Buchari: Origins and Definition

Historical Roots and Cultural Significance

Buchari finds its origins in the oral traditions of Indonesian communities, particularly in areas such as Sumatra, Java, and parts of Borneo. Historically, it served as a medium for transmitting cultural values, history, social norms, and moral lessons from generation to generation before the widespread advent of written literature. These stories were often performed during communal gatherings, celebrations, or special occasions.

The term "Buchari" itself is believed to derive from local dialects or linguistic influences, possibly linked to words denoting storytelling or song-based performances. While specific etymologies are debated among linguists, what remains clear is that Buchari embodies a form of narrative that is inherently musical, performative, and community-centered.

Its significance transcends mere entertainment; it functions as a vessel for cultural identity, social cohesion, and historical memory. In many rural areas, Buchari remains a living tradition, adapted and preserved by local storytellers and performers.

Characteristics of Buchari

Buchari is distinguished by several key features:

- **Narrative Structure:** Typically based on folktales, legends, or moral stories, often with a clear beginning, middle, and end.
- **Musical Element:** Incorporates rhythmic chanting, singing, or musical accompaniments that enhance storytelling.
- **Performance Aspect:** Usually performed in front of an audience, emphasizing expressive voice modulation, gestures, and audience interaction.
- **Language and Dialect:** Utilizes local dialects or languages, which imbues it with regional flavor and authenticity.

- Thematic Content: Often includes themes of heroism, morality, social justice, love, and ancestral traditions.

Types and Variations of Buchari

While "Buchari" broadly refers to oral storytelling with musical components, diverse regional variations have evolved, each with distinct styles and functions.

Regional Variants

1. Sumatran Buchari: Often performed with poetic verses accompanied by traditional instruments like the Gambus or Gendang. The stories tend to focus on heroism and ancestral legends.
2. Javanese Buchari: Features intricate poetic forms such as Macapat, combined with gamelan music, emphasizing spiritual themes and moral lessons.
3. Bornean Buchari: Characterized by lively, rhythmic singing and storytelling that often relate to local myths and natural surroundings.

Performance Contexts

- Rituals and Ceremonies: Buchari is performed during communal rites, harvest festivals, or rites of passage.
- Educational Settings: Used as a pedagogical tool to teach history and ethics.
- Entertainment: Serves as a form of entertainment in marketplaces or social gatherings.

Significance of Buchari in Contemporary Indonesia

Preservation Amid Modernity

The advent of modern entertainment—television, radio, digital media—has posed challenges to the survival of traditional forms like Buchari. Many young Indonesians are more exposed to global pop culture, which risks marginalizing indigenous storytelling practices.

However, efforts by cultural organizations, universities, and local communities have been instrumental in preserving and revitalizing Buchari. Initiatives include:

- Recording and archiving performances for educational purposes.
- Incorporating Buchari into school curricula as part of cultural literacy.
- Organizing festivals and competitions that showcase regional variants.

Role in Cultural Identity and National Unity

Buchari acts as a cultural glue, fostering a sense of identity among diverse Indonesian communities. It reinforces shared values and histories, acting as a form of cultural diplomacy within the archipelago.

Furthermore, as Indonesia seeks to promote its cultural heritage globally, Buchari offers an authentic window into its diverse traditions. International cultural exchanges and performances at global festivals serve to elevate its profile and foster cross-cultural understanding.

Contemporary Challenges and Opportunities

Challenges Faced by Buchari

Despite its cultural significance, Buchari faces several challenges:

- **Loss of Practitioners:** Aging storytellers and performers are the primary custodians, with fewer young people continuing the tradition.
- **Lack of Institutional Support:** Limited funding and recognition from mainstream cultural institutions hinder preservation efforts.
- **Urbanization and Displacement:** Migration to urban centers reduces the local contexts where Buchari traditionally thrived.

Opportunities for Revival and Innovation

Conversely, modern technology and creative approaches present opportunities:

- **Digital Media:** Recording performances and sharing them via YouTube, social media, and dedicated apps can reach wider audiences.
- **Fusion Art Forms:** Combining Buchari with contemporary music genres, theater, or dance can rejuvenate interest.
- **Educational Integration:** Embedding Buchari into formal education promotes awareness among youth.
- **Cultural Tourism:** Promoting Buchari performances as part of cultural tours can generate economic benefits and motivate practitioners.

The Future of Buchari: Preservation and Evolution

The future of Buchari hinges on a balanced approach that respects tradition while embracing innovation. Key strategies include:

- Community Engagement: Involving local communities and youth in performance and documentation.
- Government and Institutional Support: Providing grants, festivals, and platforms for practitioners.
- Academic Research: Documenting, analyzing, and publishing studies on Buchari to deepen understanding and appreciation.
- Global Outreach: Showcasing Buchari in international cultural festivals and events.

Conclusion

Buchari exemplifies Indonesia's vibrant oral tradition, serving as a living testament to the country's diverse cultural landscape. Its blend of storytelling, music, and community participation encapsulates values, history, and social norms that continue to resonate today. While facing modern challenges, innovative preservation efforts and cultural appreciation can ensure that Buchari remains a vital part of Indonesia's heritage. Embracing both its traditional essence and potential for contemporary adaptation, Buchari stands as a symbol of Indonesia's rich cultural identity—an oral treasure that continues to inspire, educate, and unite its people.

buchari: *An Introduction to Indonesian Historiography* Soedjatmoko, 2007 In the first major work on Indonesian historiography to have appeared in any language, twenty-two outstanding scholars survey available source materials in Asia and Europe and discuss the current state of Indonesian historical scholarship, the approaches and methods that might be fruitful for future research, and the problems that confront Indonesian historians today. The contributions which can be made to historical studies by other disciplines - such as economics, sociology, anthropology, and international law - are discussed by specialists in these fields. Problems of Indonesian historiography are presented not only from points of view of the different social sciences, but also from those of historians who differ in approach and interpretation from one another. This unique work, now brought back to life in Equinox Publishing's Classic Indonesia series, proves to be great value to historians and social scientists as an introduction to both sources for and different approaches to the history of an important part of the world. Edited by one of Indonesia's leading scholars, Soedjatmoko, as well as Mohamad Ali, G.J. Resnik and George McT. Kahin, *An Introduction to Indonesian Historiography* features contributions from John Bastin, C.C. Berg, Buchari, J.C. Bottoms, C.R. Boxer, L. Ch. Damais, Hoesein Djajadiningrat, H.J. de Graf, Graham Irwan, Koichi Kishi, Koentjaraningrat, Ruth T. McVey, J. Noorduynd, J.M. Romein, R. Soekmono, Tjan Tjoe Som, F.J.E. Tan, W.F. Wertheim and P.J. Zoetmulder.

buchari: *New Approaches to CSR, Sustainability and Accountability, Volume V* Kıymet Tunca Çaliyurt, 2024-03-12 This book continues the discussion from the first four volumes on the challenges that organizations face in order to implement sustainability, ethics, and effective corporate governance, all of which are important elements of "standing out" from other companies. Examining the background of the New European Consensus on development with the new guiding motto 'Our World, Our Dignity, Our Future,' the authors explore how this new legislation on sustainability issues around the world is forcing companies to deal directly with sustainability issues. The 2030 Agenda for Sustainable Development (2030 Agenda), adopted by the United Nations in September 2015, is the international community's response to global challenges and trends in connection with sustainable development. With the Sustainable Development Goals (SDGs) at its core, the 2030 Agenda is a transformative political framework designed to eradicate poverty and achieve sustainable development globally. It balances the economic, social, and environmental dimensions of sustainable development, including the key issues of governance and peaceful and

inclusive societies, and recognizes the essential interlinkages between its goals and targets, i.e., that they must be implemented as a whole and not selectively. The respective chapters in this volume raise a number of questions regarding corporate social responsibility, ethics, and corporate governance in the face of new technology and new approaches to climate change and sustainability reporting.

buchari: Climate Change: Conflict and Resilience in the Age of Anthropocene Subodh Chandra Pal, Uday Chatterjee, Asish Saha, Dipankar Ruidas, 2025-04-25 This book illustrates a geospatial technology approach to data mining techniques, data analysis, modelling, risk assessment and visualization and management strategies in many elements of natural and societal hazards. This book delves into cutting-edge techniques based on open-source software and R statistical programming, Google Earth Engine and modelling in modern artificial intelligence techniques, with a particular emphasis on recent trends in data mining techniques and robust modelling in water resource crisis-related hazards. Furthermore, this book also discusses how to manage water resources at various local, regional and international levels while incorporating environmental considerations. This book contains works that address the connection between climate change, extreme events and resilience. These works include those that identify and evaluate policies, quantify the effects of public interventions, climate change on extreme events, describe the decision-making process and its role in modelling for resilience. This book's subjects be of interest to earth and environmental scientists, professionals and authorities. This book focuses at geospatial modelling and climate change management. A relationship between three technologies, including remote sensing (RS), geographic information systems (GIS) and the R programming environment, is acknowledged as particularly effective in this regard. This book, on the other hand, serves as a practical guide to identify the most recent breakthroughs in geospatial and geostatistical approaches and their application in the field of subsurface water-induced hazards throughout the world. This book is specifically designed to serve the community of Undergraduates, Postgraduates and Researchers, Policymakers, Environmentalists, Natural Hazards and Disasters Management, NGOs, Corporate Sectors, Social Scientists, and Government Organizations in the fields of Environmental Sciences, Geography, Hydrology, Natural Hazards, Geospatial Sciences, Remote Sensing & GIS, Agriculture, Crop-Science, Forestry, Soil Science, Agronomy, Humanistic & Social Sciences and so on.

buchari: From Jerusalem to Beverly Hills Eitan Gonen, 2010 This is a riveting story of the author's journey for survival as a war refugee and overcoming poverty. The story begins in Jerusalem as the British Empire crumbles and World War II ends. The ensuing turmoil in Palestine lead to Israel's War of Independence and the Arab siege of Jerusalem that shaped Eitan's childhood and the journey he travelled as a construction laborer, shepherd in a kibbutz, Top Gun fighter pilot in Israel Air Force, engineer for the Space Shuttle and a businessman in Beverly Hills. On his quest for independence and justice he endured family displacement, hunger, personal loss, and a government corruption scandal that nearly unraveled all he had worked to create. This compelling story, however, is ultimately one of triumph. Jerusalem, at once provincial and cosmopolitan, where lives of Christians, Jews and Arabs intermingle, is the colorful ground for a true story of a boy growing up during the tumultuous waning years of the British rule. The author describes scenes from the Arab-Israeli war, from a rare vantage point of a little boy, turned refugee in the ravaged city. As a teenager, he becomes a member of a socialist youth movement and joins his friends to establish a kibbutz. Toiling as a shepherd in the hills of Judea, and disappointed by the communal system, he leaves to join the Israel Air Force and becomes a fighter pilot. At the age of 22, he takes Dina, his wife, to Africa to create the newly independent Ghana Air Force. Fulfilling his lifelong dream, the author goes to America, but tragedy drives his young family back to Israel for eleven years. Following the Yom Kippur War, his keen sense of justice compels him to expose government corruption that inevitably teaches him that no good deed goes unpunished, but at the end of the day makes him victorious. A memorable scene aboard an El Al flight provides an emotional end. Visit jerusalemtoberlyhills.com

buchari: Urban Health Lakshmi Sivaramakrishnan, Bharat Dahiya, Madhuri Sharma, Saswati Mookherjee, Ranita Karmakar, 2024-08-13 Urban Health: A Global Perspective, Fifteenth Edition outlines the problems, issues, and solutions to health in urban areas on a global scale. The book focuses on several issues which impact the health of cities, such as the environment, pollution, climate change, ecology, social equity, health inequalities, and health problems. In addition, it covers several empirical studies which explain economic, political, and the social issues influencing health in urban areas. Pandemics and sustainable development will also be discussed. - Provides global case studies on the issues of urban health and air quality - Emphasizes the importance of health and sustainability from environmental pollution and climate change - Discusses principles from medical professionals and researchers on health in urban areas

buchari: The New International Encyclopædia Frank Moore Colby, Talcott Williams, 1922

buchari: Urban Planning and Design for Megacities in the Global South Mohammed Firoz C, Bharat Dahiya, Lakshmi Priya Rajendran, Lalit Kumar Dashora, Uday Chatterjee, 2025-01-31 This anthology, Urban Planning and Design for Megacities in the Global South: Smart and Sustainable Development, sheds light on the intricate dynamics of megacity growth in the Global South. It has compiled a rich and diverse array of evidence-based case studies, fostering discussions on emerging issues, strategies, and solutions for the enhanced planning and development of megacities in the Global South. By delving into the underlying factors propelling this rapid urban expansion, such as economic opportunities, rural-to-urban migration, and natural population growth, this volume analyzes the complex interplay of socio-economic, environmental, and political forces shaping city-regional landscapes. Examining the growth of megacities offers invaluable insights into the challenges and opportunities associated with urbanization in the 21st century. Furthermore, some cities that have not yet achieved megacity status have also been included in this book to provide a comprehensive understanding of urban growth dynamics and the related factors influencing this growth. By studying these rapidly expanding cities, their challenges in urban planning and policy implementation can be identified. These challenges often include inadequate infrastructure, insufficient public services, environmental degradation, and socio-economic disparities. In response, using case studies, the book presents conceptual and empirical strategies to tackle the various problems faced by megacities of the Global South.

buchari: Biografi Mohammad Natsir Lukman Hakiem, 2019-01-01 Mohammad Natsir hidup dan pribadi sederhana dan jauh dari kecintaan terhadap harta dan benda. Dia tidak mau menghabiskan orang-orang yang sepaham dengannya, dengan menghalalkan segala cara. ia berpolitik dengan kata-kata sopan dan sepiantasnya tanpa menimbulkan ketersinggungan pribadi. Beliau tiga kali menjadi Menteri Penerangan, dan sekali menjadi Perdana Menteri. Memimpin Masyumi, berjuang melalui PRRI melawan sentralisme yang didukung PKI, dan karena itu habis-habisan direpresi. Mosi integralnya mengukuhkan NKRI. Kesederhanaan beliau tampak ketika menjadi Menteri : Jasnya bertambal, mobilnya DeSoto tua berwarna kusam, bersih dan tertib dalam lalu lintas keuangan. Betapa kita rindu pada cahaya kilau kemilau Pak Natsir.' -Taufik Ismail, Penyair dan Budayawan "Berapapun orang menulis tentang nama Mohammad Natsir, 70 tahun, 80 tahun, atau 100 tahun, beliau makin hidup. Maka sepatutnya, umat Islam khususnya dan rakyat Indonesia pada umumnya, banyak belajar dari beliau. Dalam bidang pendidikan, politik, masalah-masalah keislaman, beliau multi talenta. Sekali lagi, beliau tidak akan mati. Saya mengagumi beliau, dan sampai hari ini saya masih belajar pada beliau." -Prof. Dr.Ir.H.A.M Saefuddin, Ketua Pembina Dewan Da'wah Islamiyah Indonesia (DDII). Rasanya sudah tidak diperlukan lagi uraian mengenai Mohammad Natsir -- meski hanya sehalaman dua halaman. Karena memang sudah banyak buku yang ditulis tentang sosok banyak buku yang ditulis tentang sosok politisi, negarawan, dan pendidik muslim yang berintegritas ini. Tapi karya Lukman Hakiem ini pengecualian. Eksepsional sebab ditulis dengan keseimbangan pikir dan batin yang luar biasa --usaha yang tidak mudah untuk memadukan fakta dan interpretasi, kritik dan penghargaan dalam soal subyek utama karya besar ini. —Prof. Dr. Bahtiar Effendy, Dosen Fisip UIN Jakarta "M. Natsir hidup dan pribadinya sederhana dan jauh dari kecintaan terhadap harta benda. Dia tidak mau "menghabisi" orang-orang yang tidak sepaham dengannya, dengan

menghalalkan segala cara. Ia berpolitik dengan kata-kata sopan dan sepantasnya tanpa menimbulkan ketersinggungan pribadi. Di gedung DPR pada tahun 1950-an, Natsir duduk di kantin, ngobrol sambil minum kopi dan tertawa bersama Ketua PKI, D.N Aidit. Semua orang tahu, pendirian dan pandangan kedua tokoh itu ibarat bumi dengan langit, satu dengan lainnya hampir tidak ada titik temu.” —Sabam Sirait, Anggota Dewan Perwakilan Daerah Republik Indonesia (DPD-RI) - Pustaka Al-Kautsar Publisher - Dilarang keras mem-PDF-kan, mendownload, dan memfotokopi buku-buku Pustaka Al-Kautsar. buchari: Islam: A Profound Insight Ahmad M. Hemaya, 2012-12-30 - It is the only book which enables the reader a deep and comprehensive view of Islam as religion, practices and a way of life. - Taking in consideration that there are many books on variety of Islamic issues, still, this is almost the only book that enables a comprehensive overview of Islam covering all of its different aspects and sides. Besides, it explores profoundly the Islamic practices and their argumentations towards women, violence, sex and many other controversial issues around Islam. - It explores in a new and unique way the Islamic rituals (especially the five prayers) in a way the exposes the beauty and secrets of Sufism in its practical form, mixing between practice and theory as it is felt and done by the leaders of Sufism in their most rightful moments. - The book is meant to be an enchanting art piece. Its layout and illustrations were innovated by German arts and designers to provide the reader with enjoyable read experience. - It analysis also the motivations and argumentations the terrorism considers in the name of Islam. - The variety of the topic discussed in the book and the way of dividing and classifying them makes it a good page turner.

buchari: Cuda Muhammada Bediuzzaman Said Nursi, 2015-03-31 Szlachetny Wyśłannik, niech będzie z nim pokój i błogosławieństwo, ogłosił prorocstwo i pokazał jego dowód, a mianowicie Szlachetny Koran. Pokazał ponad tysiąc wspaniałych cudów, i jest to potwierdzone przez uczonych, którzy je badali. Cuda te w swojej całości są potwierdzone, tak samo, jak prawdziwość ogłoszenia prorocstwa, tak że przypisywanie cudów magii przez wrogów spośród niewierzących, o czym w wielu miejscach pisze Szlachetny Koran, wskazuje na to, że nie udało im się zaprzeczyć cudom, lecz przypisali je magii, oszukując siebie samych i zwodząc swoich naśladowców. Tak, cuda Proroka są zupełnie niepodważalne, i nie da się im nijak zaprzeczyć.

buchari: Dari Suatu Masa dari Suatu Tempat Asrul Sani, 2016-07-06 Buku kumpulan cerpen Asrul Sani yang pertama, dan diterbitkan pertama kali oleh Pustaka Jaya tahun 1972. Dalam buku ini dimuatkan sepuluh buah cerpen, di antaranya yang telah terkenal berjudul Bola Lampu dan Sahabat Saya Cordiaz (kedua cerpen ini dimuat oleh H.B. Jassin dalam bunga rampai Gema Tanah Air, (1948), Dari Suatu Masa, Dari Suatu Tempat dan lain-lain. Menurut Ajip Rosidi, sahabat dekatnya, cerpen-cerpen Asrul Sani mencerminkan betapa halus perasaannya kepada manusia; melukiskan kehidupan dan sifat-sifat manusia yang hanya menyebabkan kemalangan dan penderitaannya sendiri. Selain itu, buku ini juga menyindir kehidupan masyarakat yang kaku dan orang-orang yang berwatak suka kepada belenggu aturan yang dibuatnya sendiri. [Pustaka Jaya, Dunia Pustaka Jaya, Kumpulan Cerita Pendek, Asrul Sani, Karya Asrul Sani]

buchari: Der Islam und die Integration Nasser El Massry, 2022-01-17 Die Diskussion, ob der Islam zu Europa und der westlichen Welt passt, hält unvermindert an. Es fehlt in dieser Debatte weder an idealistischen Befürwortern noch an absoluten Gegnern. Selten sind aber Stellungnahmen von Menschen, die in die islamische Kultur hineingeboren wurden, diese also sehr genau kennen, und gleichzeitig mit der westlichen Kultur vertraut sind. Der Autor dieses Buches ist in Ägypten aufgewachsen, wurde dort als liberal gesonnener politischer Aktivist und bekennender "Ungläubiger" verfolgt und gefoltert und zog schließlich nach Deutschland. Sein engagiertes Plädoyer vor dem Hintergrund dieser persönlichen Erfahrung im Orient und im Okzident und einer genauen Lektüre des Korans und der islamischen Schriften ist erschreckend: An vielen Beispielen zeigt er die im Koran verankerte Integrationsfeindlichkeit, Frauenfeindlichkeit und die Grausamkeit

gegenüber Andersgläubigen sowie der unbedingte Expansionswille dieser Religionsrichtung auf. "Gegen jeden Integrationskurs, gibt es einen Anti-Integrationskurs in Moscheen, Koranschulen und Islamzentren in Europa." Der Autor beschreibt detailliert die Abläufe dieser Anti-Integrationskurse und deren Folgen. Auch detailliert ermöglicht er Europäern einen genauen intensiven Einblick in die Lebensverhältnisse, die Kultur, Religion, Moral, Erziehung und Weltanschauung in den islamischen Ländern. "Unsere heutigen Lebensumstände im Orient, die Religion, die Kultur, die Erziehung, die Weltanschauung und der Horizont sind vergleichbar mit Europa im Mittelalter. Wir Migranten aus islamischen Ländern kommen geradewegs aus unserer mittelalterlichen Welt nach Europa und landen plötzlich im 21. Jahrhundert, und genau da beginnen die Probleme unserer Integration im modernen freien Westen." Das Buch versteht sich als Weckruf für die Europäer, die Moderne und die westlichen Werte zu verteidigen, zum Wohle der gesamten Menschheit. Und auch hierfür werden Lösungen aufgezeigt, indem der Text schließt mit konstruktiv gemeinten Ratschlägen an islamische Einwanderer oder bereits hier Ansässige, die positiven Seiten des Landes, in dem sie leben, zu schätzen und nach ihnen zu handeln. Dass die Schlussfolgerungen und Forderungen zumeist sehr negativ für den Islam ausfallen, ändert nichts an dem konstruktiven Geist des Buches und seinem Eintreten für ein friedliches Miteinander aller Menschen und Religionen.
