ibn kathir tafsir pdf: **Tafsir Ibn Kathir Juz' 2 (Part 2)** Muhammad Saed Abdul-Rahman, 2009-07-01 This is Part Two of an abridged English version of Tafsir Ibn Kathir. Our aim in presenting the tafsir of the entire thirty parts of the Qur'an is to gather in one place, for the English-speaking public, all relevant information needed to make the Qur'an more understandable and easier to study. These thirty tafsir books try to do this by providing the following: 1.The Arabic Text for those who are able to read Arabic 2.Transliteration of the Arabic text for those who are unable to read the Arabic script. This will give them a sample of the sound of the Qur'an, which they could not otherwise comprehend from reading the English meaning. 3.The meaning of the qur'an (translated by Dr. Muhammad Taqi-ud-Din Al-Hilali, Ph.D. and Dr. Muhammad Muhsin Khan) 4.Background introductions by two famous Islamic scholars, Maududi and Ibn Kathir 5.Explanation

(abridged Tafsir) by Ibn Kathir (translated under the supervision of Safi-ur-Rahman al-Mubarakpuri) We hope that by doing this an ordinary English-speaker will be able to pick up a copy of this book and study and comprehend The Glorious Qur'an in a way that is acceptable to the understanding of the Rightly-guided Muslim Ummah (Community).

ibn kathir tafsir pdf: Fallacy of Militant Ideology Munir Masood Marath, 2021-09-05 This book highlights the conflict between jihadist militants and the West as essentially ideological in character. It has serious implications internalized by Muslim societies, with the boundaries of faith changed by the interplay of socio-political variables. Violence emerged in Muslim societies as a means of emancipation or identity when the state could not resolve the conflict situation. Although the militants were influenced by socio-political factors, they have always looked to religion to justify their acts of violence. This book, exposing the fallacy of the narrative evolved by the militants, offers a counter narrative. It reinterprets the primary sources, unravels the historical and socio-political constructs, unmask the heroes and enemies, challenges the dichotomies between theory and practice, re-establishes the boundaries between heresy and faith, and attempts to transform the current ideological discourse. ~ This book will be of interest to students and scholars of the discourse between religion and security, political Islam, Islamic history, jihad, Middle Eastern studies, and South Asian studies.
