ruthless elimination of hurry pdf: Made to Belong David Kim, 2023-02-07 Author and pastor David Kim shares his experiences with loneliness as a Korean American immigrant and delivers compelling research about belonging that includes the revolutionary five anchors for developing meaningful relationships. Even though we are connected more than ever--through social media, video calls and texts, and advanced travel opportunities--we're also drowning in loneliness and isolation. As discipleship pastor of WestGate Church in Silicon Valley, David Kim decided to research the reasons why--and uncovered surprising answers. When Kim moved to America from South Korea as a child, he experienced isolation during his school years. Differences in language, food, and culture spiked an immense desire for an accepting, supportive community. As an adult, he read widely about belonging, and in his survey of more than 1,300 Christians, he discovered that the number-one struggle shared by them is loneliness. Left to ourselves, Kim says, we naturally drift away from God and others, and we begin to believe the lies of the enemy: You are all alone. No one else feels this way. No one cares about you. How could they? God has abandoned you. You were just imagining things before. In *Made to Belong*, Kim combats those lies with the incredible hope found in the revolutionary Five Practices for Meaningful Connection: Priority: People first, no regrets. Chemistry: What, you too? Vulnerability: Dangerously safe. Empathy: I hear and see you. Accountability: I can't carry it, but I can carry you. True belonging takes intentional effort, but Kim reminds us that we are made to belong--to each other and to Jesus. Through sound wisdom from the Bible, proven research from the social sciences and his own data, and examples from his pastoral ministry and moving personal anecdotes, Kim shows us that we are uniquely designed by God to belong to one another for our flourishing.

ruthless elimination of hurry pdf: *Evangelicals Engaging in Practical Theology* Helen Morris, Helen Cameron, 2022-03-30 This book aims to introduce a distinctively evangelical voice to the discipline of practical theology. Evangelicals have sometimes seen practical theology as primarily a 'liberal' project. This collection, however, actively engages with practical theology from an evangelical perspective, both through discussion of the substantive issues and by providing examples of practical theology done by evangelicals in the classroom, the church, and beyond. This volume brings together established and emerging voices to debate the growing role which practical theology is playing in evangelical and Pentecostal circles. Chapters begin by addressing methodological concerns, before moving into areas of practice. Additionally, there are four short papers from students who make use of practical theology to reflect upon their own practice. Issues of authority and normativity are tackled head on in a way that will inform the debate both within and beyond evangelicalism. This book will, therefore, be of keen interest to scholars of practical, evangelical, and Pentecostal theology.

ruthless elimination of hurry pdf: *Fit for Purpose* Richard Pile, 2021-04-13 As a society we have never had so much advantage and yet been so disadvantaged by this very same society which we have built for ourselves, by ignoring our basic needs when it comes to sleep, nutrition, movement, relaxation, relationships and purpose in life. We face a rising tide of physical health problems, such as obesity and diabetes, and mental health issues such as loneliness and depression. Our medical model is a broken, disease-based one which is not fit to meet our needs, particularly when it comes to preventing health and wellbeing problems. Just as secular society is often guilty of dualism when it comes to wellbeing, focusing on the physical but ignoring the spiritual, the faith community may make the same mistake in reverse, focusing on the spiritual whilst ignoring the physical. We need to combine all these different aspects to enjoy true wellbeing and a satisfying life. The book explores what it means to be fit for purpose in life: physically, mentally and spiritually. It describes the problems we face, both individually and as communities, and succinctly summarizes the evidence for the key factors that determine our wellbeing. It lays down a challenge to avoid treating physical, mental and spiritual wellbeing as separate. Using knowledge and experience of the worlds of medicine, behavioral change and Christian faith, Dr. Pile presents real life case studies and provides practical recommendations for making changes whether for ourselves, our faith community or wider society.

Buck shows you how to engage in 7 practices to be a faithful activist in the world today, including choosing · thoughtful resistance over thoughtless compliance · loving your neighbor over fearing your differences · seeking forgiveness over revenge · resting over endless working · practicing nonviolence over violence · and more If you've wanted to get involved in justice work but aren't sure where to start, this practical and visually engaging book will show you how you can develop everyday habits drawn from the life of Jesus that make the world a better place.

If we would all follow in this way, our lives would change and the world would change."—Jennie Allen, author of *Get Out of Your Head* and *Find Your People* We are constantly being formed by the world around us. To be formed by Jesus will require us to become his apprentice. To live by what the first Christian disciples called a Rule of Life—a set of practices and relational rhythms that slow us down and open up space in our daily lives for God to do what only God can do—transforms the deepest parts of us to become like him. This introduction to spiritual formation is full of John Mark Comer's trademark mix of theological substance and cultural insight as well as practical wisdom on developing your own Rule of Life. These ancient practices have much to offer us. By learning to rearrange our days, we can follow the Way of Jesus. We can be with him. Become like him. And do as he did.
