Prayer is the first step one can take on the path to 'God Realization', which is the true purpose of human life. Pain and Pleasure are the two sides of the same coin that act as the primary driving force of all human actions. Everybody wants to avoid suffering and yearns for peace and happiness. While all prayers are good and bring about peace and happiness, Sikhism offers two special prayers that address peace and suffering. The first one is Sukhmani Sahib which brings about peace and contentment, and the second one is Dukh Bhanjani Sahib which focuses on removing pain and suffering. Only The Lord's Name can bring about peace, and can shield one from suffering. The verses in each prayer guide the mortal to attempt to understand and live life in tune with the Will of The Immortal, thereby removing all hardship and suffering. The word 'Dukh' means a hardship or ailment, or suffering, causing a pain. The word 'Bhanjani' means destroyer or crusher; hence the phrase Dukh Bhanjani means Destroyer of Pain. All the shabads in this composition are composed by Guru Arjan Dev Ji. Dukh Bhanjani is a composition of sacred hymns put together in three Raags(musical measures) - Raga Gauri, Raga Bilaval and Raga Sorath.
