prayer watches cindy trimm pdf: *Watch God!* Will Boyd, 2013-12 Watchmen cannot sleep on the job. When they do, wardens see jailbreaks, generals see lines fall, patrols see borders illegally crossed, civilians see their cities overrun, and even God's elect see loved ones betrayed and

apprehended. Watchmen must “stay on the wall,” ready to announce the arrival of a friend or sound the alarm at first sight of a foe. Explaining how watchmen guard city gates, secure national borders, and safeguard temple entrances, Dr. Boyd presents ways for us to spiritually serve as faithful watchmen who sit and pray as we stay alert and prayerful at all times. In this guide to intercessory prayer and spiritual warfare, Dr. Boyd describes the significance of each hour of the Jewish, Roman, and modern day twenty-four hour watch as he prescribes hourly prayer directives for God's will to be done as we are poised to withstand any attack of the enemy. This book is a must-read for all desiring to WATCH GOD!

prayer watches cindy trimm pdf: 5 Watches of Prayer Chaplain Patrick Day, 2020-08-16 I'm not a Muslim and have no leaning toward them except that they pray five times a day every day. I'm a Christian and have experienced times in my life where I'm not as disciplined in prayer as at other times. Sometimes I don't know what to pray about; other times I'm just simply lazy. The Lord has repeatedly impressed on my heart that He wants me to pray continually. In fact, He tells me exactly that in 1 Thessalonians 5:17. But how do I do that? The answer to that question is this book. I use the term watches to designate the different times of prayer throughout the day. The first watch is when I get up in the morning. The second watch is sometime mid-morning, and the third watch about noon. I'm not hard and fast with the times so as not to put myself into a guilt trip. The fourth watch is mid to late afternoon, and the fifth watch is sometime before I go to bed. These prayers come from four sources: 1. My own prayers, which are undesignated. 2. Prayers from Scripture. 3. Prayers from notable Christians. 4. Prayers from the Book of Common Prayer, 1928 edition, which C. S. Lewis read daily.

prayer watches cindy trimm pdf: Watch and Pray Kofi A. Amoateng, 2019-01-15 What is in Watch and Pray: Volume 2? It critically lays out end-time baits and schemes of the enemy and his team to steal, kill, and send millions to hell. These include tattoos, carnal Christmas (Paradox of Christmas), false anointing, deception, false messengers, fake grace, apostasy, and worldly desires (1 John 2:16). Today, deception is so deep that it becomes difficult to trust those closer to you and to discern the right from almost right. Satan and his demons have transformed themselves into wolves among the sheep in the church everywhere, devouring them. He comes to us in camouflage to steal, kill, and destroy. Do not become his victims. We have to walk circumspectly and not as fools in Satan's world (Ephesians 5:15-16). Many, including believers, remain carnal and blinded to the devil's trick and are paying with their bodies and lives. The rest of this book discusses spiritual weapons and strategies at the believers' disposal. They include spiritual connectedness with the Lord, fasted lifestyles, praise and worship, prayer, and God's love. The kingdom of darkness is getting bolder as we approach end-times, so Christians must get bolder by drawing near to God in order to resist the enemy. The flight to heaven does not come cheap but requires vigilance and sobriety in prayers and watchfulness. Responsible evangelism does not end at leading the lost to Christ, but it goes further to warn those saved to take heed against false doctrines and teachings. Many false teachers and preachers are increasingly using prosperity and health messages along to trick and trap millions to hell. It is my hope that everyone who reads this book will be saved and come to know the Lord well. Anyone who reads this book will find his/her own life stories in it. May God use this book to draw all of us to himself and teach us how to discern the right from error. Pray to him and pray for all lives.
