russ disdar: Spiritual Warfare, End Times And The Bible Lynn Myers, 2023-10-27 For decades, I have been involved in practicing and teaching Spiritual Warfare. When God first called me into this ministry in the early 1980's, I was unsure of whether I should engage with this as the subject terrified me and I had previously avoided it. God's call to me to enter into this type of service was clear, so I began to research the subject. All I could find then, and now, were mostly books regaling the reader with horrific accounts of terrible demonic encounters. There was little or nothing in most of the books on "How To" deal with demonic forces and their influence in the world. I must acknowledge that there have been some very good material created on this topic by others, but this is not the norm. My purpose in writing this book is to provide a guide on how to address and defeat the work of Satan, the enemy of our souls, that we see all around us and to help prepare Christians for the work they will be required to do as we progress through the End Time Events. I hope this book will replace despair with faith in the power of Jesus Christ at work in the lives of His followers. Spiritual Warfare is an absolutely critical component in the life of Christians living in the End Times (as I believe we are). I believe my book to be a great reference and resource work for you that can serve you well as you enter into your own Spiritual Warfare efforts.

russ disdar: **The Chaos Conundrum** Aaron John Gulyas, 2014-01-23 In The Chaos Conundrum, historian Aaron John Gulyas examines how the paranormal has intersected and influenced our culture in myriad ways, from the conspiracy beliefs of William Cooper and Exopolitics to the challenge that the stories of Gray Barker presented to our concept of self and time. He looks at the maelstrom of personalities, agendas, impressions, data, confusion, and contradictions that can be found in the world of the weird, and demonstrates how they have become an integral part of our lives, whether in the form of flying saucers, hauntings, religious revelations, psychic abilities, or dozens of other guises. Gulyas delves into the stories of the people who have attempted to create order out of the chaos. Along the way he recounts his own journey from enthusiastic believer in the shadow government and their underground bases to jaded academic skeptic, and then finally to someone who thinks there might just be something to the paranormal after all... but not what we have been led to expect or believe!

russ disdar: **Why Did Yahweh and His Son Yahshuah Say What They Said?** Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of

God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

russ disdar: Prayer Patrick Baldwin, 2017-02-19 Learn How to Pray with Power and Overcome Your Spiritual Enemy - Learn to be a Strong Christian Prayer Warrior - Pray Powerful Prayers - Overcome and Defeat the Enemy - And so Much More Prayer is also the most misused, misunderstood, and un-used resource we have available to us. God created us in His image. His image! Do you understand what that means? It means we are as like God as any aspect of creation can be. It means we are special. It means God very much desires to have a relationship with us—one that is deeply personal. It means He will listen and answer our prayers when we pray because of His desire to be close to us. You don't ignore your spouse, your children, your friends, or your boss when they talk to you, do you? Of course not! You also expect them to listen to you when you have something to say. So why do you think it should be any different with God? The answer to that question is this: It shouldn't be. Your willingness to talk to God and to have Him talk to you should be even greater than it is with the other relationships you have in your life. The purpose of this book is to help you achieve that goal. By looking at what prayer is, how to pray, what to pray for, and

when to pray, you will hopefully become more equipped and fully aware of what it means to pray to God and overcome and defeat the spiritual enemy. - Find Out More Inside - Get the Book Now
