the complete jewish study bible pdf: Why Did Yahweh and His Son Yahshuah Say What They Said? Dr. Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

the complete jewish study bible pdf: Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emry wrote an article title, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshuah and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original

meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

This absorbing and ground breaking book will inspire readers to develop a deeper relationship with God, and bring restoration to those who are spiritually broken. According to the author, there is a special heartbeat that pulsates through the veins of the biblical year which has helped shape the identity of the Jewish people. Written from a Jewish messianic perspective, 'Romance of the Hebrew Calendar' contains inspirational and fresh insights that are highly engaging and provocative. The main theme is complemented by a rich compendium of poignant stories and devotions drawn from Jewish tradition, historical archives and firsthand accounts. The Jewish festivals are lovingly presented to demonstrate a unified message of redemption. The months of the Hebrew calendar are accompanied by individual sections relating to the constellation connected to each tribe as represented by their banner or flag. the complete jewish study bible pdf: The Commandments in the New Testament Gospels Bea Baldrige, 2015-01-30 The Commandments in the New Testament Gospels is about how Christians are supposed to live under Jesus commandments. For many years I have noticed many people who are confused about how Christians are supposed to live. But are the Ten Commandments in the New Testament? And should we follow them? We need to question which parts of the Bible are written to us, which parts are written for us, and which parts are for our moral guidance. Most of all, we need to go back to the first century and see how the followers of Jesus lived. We need to learn the customs at that time, the idioms of their speech. We need to be aware of what the first-century political climate was like in order to understand the New Testament. The Book of Hebrews talks a lot about the Order of Melchizedek. What is that order? This book will explore this, along with one core question: What is the secret that believers have been missing all these years about what God expects from us? Go with me on an exciting journey through the Gospels as we discover who we are in the Messiah and what our Commandments are.
