the daily stoic pdf: The Flipside Michelle "MACE" Curran, 2025-09-09 Former Thunderbird Lead Solo Michelle MACE Curran provides a blueprint for converting your fear into a strength based on the hard-earned lessons she learned in the cockpit and beyond. All this, while grappling with what was, to her, an even bigger opponent: imposter syndrome. In time, she learned how to turn fear into strength and self-doubt into confidence. the daily stoic pdf: *The Spirituality of the English and American Deists* Joseph Waligore, 2022-12-19 The deists have been misunderstood as Enlightenment thinkers who believed in an inactive deity. Instead, the deists were spiritually oriented people who believed God treated all his children fairly. Unlike the biblical God, the deist God did not punish entire nations with plagues, curse innocent people, or order the extermination of whole nations. In deism, for the first time in modern Western history, God “became” good. *The Spirituality of the English and American Deists: How God Became Good* explores how the English deists were especially important because they formulated the arguments that most of the later deists accepted. Half of the English deists claimed they were advocating the Christianity Jesus taught before his later followers perverted his teachings. Joseph Waligore call these deists Jesus-centered deists. Ben Franklin, Thomas Jefferson, and John Adams studied these Jesus-centered deists and had similar beliefs. While some of the most prominent American Founders were deists, deism had little or no influence on the religious parts of the Constitution and the First Amendment.
