DMCA Takedown Notices and Website Blocking

Rights holders regularly issue takedown notices to hosting platforms hosting Deathly Hallows PDFs illegally. This includes:

- Search engine delistings.
- Domain seizures.
- Blocking access in certain jurisdictions.

Digital Rights Management (DRM) and Secure Formats

Publishers have employed DRM technologies to prevent unauthorized copying. However, DRM can be controversial, often affecting legitimate users' experience.

The Harry Potter phenomenon exemplifies the tension between making cultural products accessible and protecting creators' rights. Moving forward, industry stakeholders must innovate to:

- Offer affordable, accessible legal digital formats.
