redeeming love download: *Redeeming The Lost* Elizabeth Kerner, 2025-08-22 The third volume in Elizabeth Kerner's adventures of Lanen Kaelar and her fabled dragons, *Redeeming the Lost* The prophecies are coming true and the ancient race of the Kantri-or true dragons-have come back to the world of Men. It was through the actions of Young Lanen Kaelar that the Kantri were reminded of the larger world. It was bravery (and a mad belief in the old tales) that caused the young woman to start a perilous journey to find the great dragons of legend. In doing so, she found not only the reality of the myth but her own true love. He was the great Dragon King, an immensely powerful creature out of time who ultimately chose life over death, a puny mortal form rather than the power of a kingship to be with this most extraordinary woman. As he is Dragon in Man's form, the being known as Varien has risked much to stay by Lanen's side. Their haven destroyed, the Kantri have chosen instead of seeking a new home to return to the land of their greatest defeat and to the fear of the people who rejected their aid so long ago. They bring ancient power and knowledge and the Kantri have come to see what the littlings have made of their world. And much of what they find distresses them. For humans have squandered much of their heritage, the small dragons that were left behind are little more than cattle...and there are those who do remember the ancient ways...and have allied themselves with the race of demons who long to destroy all the world. The Kantri are disturbed and look to Varien and Lanen help them redeem what has been lost so long ago and make the world right again. But Lanen is captured by the human demon-master Berys, who seeks to corrupt the ancient prophecy. He will try to use Lanen's new-found powers to gain control of the very fabric of the universe and in doing so, secure the demon forces of the otherworld and rule forever. It is up to her true love Varien and one of the most unlikely alliances ever seen to rescue Lanen. And if Varien fails, not only will Lanen's life and the fates of his beloved Kantri hang in the balance. For the stage is now set for a confrontation between the forces of light and darkness...and if the good fail, not only will the Kantri fail but the human world will be doomed as well... redeeming love download: Redeeming the Screens Jeanne C. DeFazio, William David Spencer, 2016-05-03 How does the future look to us? Well, clearly we realize we now live in a world of screens, from the microcosmic universe of to smartphone . . . to the imposing vigil of the multiplex giants, looming over us in Imax and 3-D--more real than real--and to all the screens in between, from computers to iPads, to muted, high definition flat-screens pouring out images in homes, restaurants, banks, businesses, schools, doctors' offices, and hospitals, and on and on everywhere we turn. We cannot change this reality, so what these Christians, and so many like them are doing is trying to find ways to redeem what we put on these screens: what message we are sending out in word and image to the watching world. So, clearly, our task, whether we have been called to create or not, is to join these artists as screen redeemers, assisting the Holy Spirit in reconciling the world to God (2 Cor 5:18-19) through helping the pervasively influential means of the media adjust its goals to the mission of Jesus Christ.
