terryworld full book pdf: How Christmas Became Christmas Nathaniel Parry, 2022-11-10

In some respects, the contrasts of Christmas are what make it the most delightful time of the year. It is a time of generosity, kindness and peace on earth, with broad permission to indulge in food, drink and gifts. On the other hand, Christmas has become a battleground for raging culture wars, marred by debates about how it should be celebrated and acknowledged as a uniquely Christian holiday. This text argues that much of the animosity is based on a fundamental misunderstanding of the holiday's core character. By tracing Christmas's origins as a pagan celebration of the winter solstice and its development in Europe's Christianization, this history explains that the true reason for the season has as much to do with the earth's movement around the sun as with the birth of Christ. Chapters chronicle how Christmas's magic and misrule link to the nativity, and why the carnival side of the holiday appears so separated from traditional Christian beliefs.

terryworld full book pdf: Terryworld Terry Richardson, Dian Hanson, 2004 Qui a repris l'esthétique du porno des années 70 et décidé que c'était du dernier chic ? Terry Richardson. Qui a mis les bidonvilles et la racaille blanche sous les projecteurs ? Toujours Terry Richardson. Qui a sa place dans Vogue, Harper's Bazaar, Purple et Vice ? Notre Terry. Qui dépense l'argent de ses photos de mode pour se payer un site classé X ? Mais oui, Richardson. Et qui ne peut pas se retenir de se déshabiller pour poser nu devant son propre objectif ? Eh bien, on pourrait dire que c'est encore Terry Richardson. Bienvenue dans le monde de Terry, où tout est permis. Richardson est un produit de New York et d'Hollywood, le fils du photographe Bob Richardson, l'anti-conformiste de la mode des années 60. C'est pendant sa période punk, à Hollywood High, qu'il a commencé à photographier le monde qui l'entourait. Quand la réalité lui parut trop insipide, il se découvrit un talent pour mettre en scène des situations plus intéressantes. Il le fait toujours d'ailleurs, usant de son charme et d'un certain culot pour prendre des photos que personne n'avait jamais faites-ou n'avait même jamais pensé à faire. Les stars du porno, super modèles, transsexuels, péquenauds, amis, animaux familiers et célébrités, tous ont fait pour lui ce qu'ils n'auraient jamais fait pour un autre. Et si plus tard l'un d'entre eux se demande pourquoi il l'a fait, dites-lui que ça s'est passé, dans le monde de Terry, là où les tabous sont déclarés nuls et non avenue et où la made et le sexe se sont trouvés.
