Leverage a variety of materials to cater to different learning preferences:

- ATI online modules
- Textbook chapters
- Interactive simulations
- Peer study groups
- Flashcards and mnemonics

Regular Monitoring and Feedback

Schedule periodic check-ins to assess progress, address challenges, and adjust remediation strategies as needed. Encourage students to reflect on what works best for them.

Documentation and Data Tracking

Maintain detailed records of all remediation activities, scores, and feedback. This supports continuous improvement and provides evidence of progress for accreditation or program review.
