Dr. Pierre Allard's collaboration with Correctional Service Canada Commissioner Ole Ingstrup in the early 1980s in developing a new Mission Statement for the Service represents a second kairotic moment. Pierre and Judy Allard's establishment of Just Equipping in 2006 as a response to an international call to bring about reconciliation between offenders and victims in Rwanda and other countries in Africa represents a third quality moment of time. The book analyses these three historical occasions and weaves them together with nine other Canadian chaplains' stories of prison ministry.

Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory, the Celebrate Recovery program has helped people for over 20 years to grow toward full Christ-like maturity. Offer forgiveness to those who have hurt me and make amends for harm I've done to others when possible, except when to do so would harm them or others. (Steps 8 and 9) Happy are the merciful. Happy are the peacemakers. Reserve a time with God for self-examination, Bible reading, and prayer in order to know God and His will for my life and to gain the power to follow His will.
