devi mahatmyam pdf: Devi Mahatmyam - the Glory of the Goddess Lyndal Vercoe, Sage Markandeya, 2019-10-15 As you read this Devi Mahatmyam, you will feel the joy, the power and the wonder of the Divine Mother. At its simplest level, the Devi Mahatmyam is the battle between good and evil. But on that battlefield, the majesty of the Mother Goddess should not be underestimated. She does not wage wars with the aid of grand armies or divine allies. She alone is the source and the strength. In a new translation of this sacred text, Lyndal Vercoe offers a direct and devotional rendering. This is not just a description of Divine Power. It is a worship and a praise of God as the Mother of the Universe. Say those words to yourself and feel their meaning: the Mother of the Universe. This is not just a historical text. This is a prayer to be read aloud. It is an epic poem, a true song of praise that should echo through the days of our lives. Listen carefully and you will feel the spirit within. This is a Devi Mahatmyam for our time.

devi mahatmyam pdf: *Devī-Māhātmya* Thomas B. Coburn, 1988-01-01 The Devi-Mahatmya is well-known to both devotees and scholars of the Indian Great Goddess. It is the first comprehensive account of the Goddess in Sanskrit, and it has maintained its centrality in the Goddess (Sakta) tradition to the present day. Like so much in that tradition, however, the text has until now resisted careful study from an historical perspective. It is this study that the present volume accomplishes. The central task here is to explore how an anonymous Sanskrit text articulates a view of ultimate reality as feminine when there is virtually no precedent in the Sanskrit tradition for such a view. To accomplish this task, an appropriate method of scriptural analysis is developed. This involves an examination of Hindu understanding of the Puranas in general, and of the Devi-Mahatmya in particular, along with consideration of several recent scholarly discussions, in India and elsewhere. Subsequently, a comprehensive inquiry into the Goddess's epithets in this text is undertaken, followed by examination of the earlier history of the myths that the Devi-Mahatmya associates with her. The study culminates in translations of the text's hymns, which are annotated so as to indicate the synthesis that is here being accomplished. The resulting illumination of Sanskritized form of Goddess worship is what Daniel H.H. Ingalls calls in his Foreword a notable scholarly achievement.
