knowing god pdf: Knowing God Experientially Apostle Joshua Selman, 2020-11-05 We are submitting ourselves to the dealings of the Spirit day after day, week after week, month after month. We are subjecting ourselves as students in the spirit allowing Him to change us and bring us into the comprehension of Kingdom realities. Because a time will come when the dividends of this sacrifice will appear unto all and we want to position ourselves. We are not careful to admit that not everybody is opened to the things of the Spirit especially in this day and age where there are all kinds of Christian distractions. The church of Christ has become a place where ethics of religion are taken as usual. But the presence of Christ and His body ought to be a place of freshness where we can communicate to the world what the spirit of the Lord is doing at every given time. Read This Book and Be Blessed
