While centering ethnicity and race, contributors also take an intersectional perspective in their approach to their topics and chapters. The book features examination of specific subfields, like Whiteness studies, Latina/o/x communication studies, Asian/Pacific American communication studies, African American communication and culture, and Middle East and North African communication studies. The text is oriented to graduate students and researchers within communication studies as well as media studies, cultural studies, critical race and ethnic studies, American studies, sociology, and education, while still being accessible to upper-level undergraduate students.

mass of christ the savior pdf: *The Good News We Almost Forgot* Kevin L. DeYoung, 2010-04-01 If there is nothing new under the sun, perhaps the main task now facing the Western church is not to reinvent or be relevant, but to remember. The truth of the gospel is still contained within vintage faith statements. Within creeds and catechisms we can have our faith strengthened, our knowledge broadened, and our love for Jesus deepened. In *The Good News We Almost Forgot*, Kevin DeYoung explores the Heidelberg Catechism and writes 52 brief chapters on what it has shown him. The Heidelberg is largely a commentary on the Apostle's Creed, the Ten Commandments, and the Lord's Prayer, and deals with man's guilt, God's grace, and believers' gratitude. This book is a clear-headed, warm-hearted exploration of the faith, simple enough for young believers and deep enough for mature believers. DeYoung writes, The gospel summarized in the Heidelberg Catechism is glorious, its Christ gracious, its comfort rich, its Spirit strong, its God Sovereign, and its truth timeless. Come and see how your soul can be warmed by the elegantly and logically stated doctrine that matters most: We are great sinners and Christ is a greater Savior!

mass of christ the savior pdf: *Why I Left the Evangelical Church* Jose Medina, 2025-05-05 Are you surprised by Trump's success with the evangelical Church? Do you have family members obsessed with him? Are you weary of the direction the Christian Church is taking in our society? Do you have doubts about your faith? Jose Medina was a devout Evangelical Christian for more than three decades. Shortly after arriving to pursue graduate studies in the United States, Jose became an Evangelical. This book is a personal account of his experiences as a member of the Southern Baptist church. He lived an unassuming church life until the appearance of Donald Trump in the 2016 presidential elections. Evangelicals' unconditional support for Trump, a man representing everything his Church stood against, pushed Jose to deconstruct his Christian beliefs. After not getting satisfactory answers from men and books he trusted, including the Bible, he left his friends, the Church, and the Christian faith. Writing this book was Jose's most challenging spiritual journey, but it provided him with a path forward free of mystical dogmas. If you are on the edge of what Christianity is about, this book will give you some first-hand insights into how to deal with it.

mass of christ the savior pdf: *China's Old Churches* Alan Richard Sweeten, 2019-12-16 *China's Old Churches*, by Alan Sweeten, surveys the history of Catholicism in China (1600 to the present) as reflected by the location, style, and details of sacred structures in three crucial areas of north China. Closely examined are the most famous and important churches in the urban settings of Beijing and Tianjin, as well as lesser-known ones in rural Hebei Province. Missionaries built Western-looking churches to make a broad religious statement important to themselves and Chinese worshippers. Non-Catholics, however, tended to see churches as sociopolitically foreign and culturally invasive. The physical-visual impact of church buildings is significant. Today, restored old churches and new sacred structures are still mostly of Western style, but often include a sacred grotto dedicated to Our Lady of China--a growing number of Catholics supporting Marian-centered activities.

mass of christ the savior pdf: Power of Popular Piety Ambrose Mong, 2019-03-04 This book examines the ambivalence of folk Catholicism as a resource to fight against injustice, exploitation, and oppression. Cases are cited to illuminate the value and potential trespasses of popular religious beliefs and practices. Over centuries, representatives of the powerful middle and upper middle classes did not hesitate to manipulate popular piety to protect their power and privileges. In fact, much of popular religion still reflects the dominant ideology. Popular piety has the potential for liberation against unjust social and economic structures. When properly guided, this practice can broaden and deepen political consciousness and mobilize people to act. Without a strong level of political consciousness as well as liberative evangelization, popular religion will be alienating to the poor while strengthening the status quo of the rich and the powerful. This study argues that it will be the elites, the well-educated and committed Christians, not the masses, who would foster the transformation of society.

mass of christ the savior pdf: The Architecture and Planning of Classical Moscow Albert J. Schmidt, 1989 Dr. Schmidt describes the building & planning schemes in Moscow from approx. the accession of Catherine the Great in the early 1760s to the mid-reign of Nicholas I, about 1840. The author maintains that despite the enormous destruction of historic Moscow caused by the reordering of Gorkii (the old Tverskaia) St. & the Kalinin Prospect (the Arbat) under Stalin & Khrushchev, there still exists a significant remnant of the classical city which rose from the ashes of the great fire in 1812. The architects of the classical city--Catherine's builders, Vasilii Bazhenov & Matvei Kazakov, & those who rebuilt Moscow after 1812, Osip Bove, Domenico Giliardi, & Afanasii Grigor'ev--are featured together with their individual architectural creations as well as their broader city-planning accomplishments. In many respects an atlas of the boulevards & thoroughfares of central Moscow, this book both recreates the Moscow of another era & adds to the understanding of the contours & character of the modern Soviet metropolis. mass of christ the savior pdf: Flourishing in Community Joel A. Kime, 2024-12-27 When observing culture, the word "together" frequently occurs. The normal usage of the word "together" seems to assume that if people just get together, they will heal the division in their culture.

Unfortunately, Christians have too often behaved poorly together, sometimes causing further division, while unfaithfully representing the gospel. What kind of togetherness, then, brings human flourishing? Flourishing in Community will guide the reader in a study of the Scriptures through the lens of theology to learn how the church can together learn and live according to God's heart, which leads to human flourishing. The American church especially needs to learn this togetherness in these divisive times.

mass of christ the savior pdf: Be Not Afraid-Winter Edition Dec/Jan/Feb 2018-19 Richard Havermale, 2018-10-15 This book is the continuation of my book series from my blog www.icemanforchrist.org which is based on more than 365 references in the Bible to fear, and dread and our response to them. St Pope John Paul II knew that our God encourages us to Be Not Afraid and told us so. To do this we must actively seek holiness and be in the presence of our Lord and talk to Him. I recommend you develop the habit of spending 10 to 15 minutes a day with our Lord in the Blessed Sacrament Chapel or if that is not available some other quiet place where you can be in the company of our Lord. Read the daily entry and reflect on it asking our Lord and His mother to talk to your heart and reveal to you the will of the Father and then DO IT.

mass of christ the savior pdf: Our Past and Future Hope Jason Giles, 2023-09-12 The modern interpretation of prophecy in the Bible is rife with speculation, conspiracy, and ultimately fear. The study of it seems to lead one to either an unhealthy obsession or an apprehensive apathy. As it turns out, it was not this way in generations past. The traditional understanding of eschatology- also known as historicism- relies on hindsight rather than speculation, confident fulfillment in place of conspiracy, and fosters hope instead of fear. This book is an introduction to that method, and a faith-building journey in Scripture that reveals a God who never leaves his people without direction. About the author Jason Giles was steeped in Late Great Planet Earth culture from childhood, serving with Kings Kids, Youth With A Mission, and later graduating from Moody Bible Institute with a B.S. in Biblical Studies. This book is the result of over a decade of his independent research into historicism. Jason lives in an intentional Christian community in Chicago with his wife and two children, and serves as the manager of a mission business there.
