Understanding John Paul Jackson's Approach to Dream Symbols

Foundational Principles of Dream Interpretation

John Paul Jackson believed that dreams are a form of divine communication. According to him, God often uses symbolic language in dreams to communicate complex spiritual truths. His approach is rooted in biblical principles, emphasizing that all dreams should be interpreted in light of Scripture, prayer, and personal relationship with God.

Key principles include:

- Dreams often contain symbols rather than direct messages.
- The Holy Spirit guides believers in understanding these symbols.
- Context and personal circumstances are crucial in interpretation.
- Dreams can be prophetic, instructive, or warning signs.

The Role of Symbols in Dreams

Jackson taught that symbols are the language of the subconscious and spiritual realm. Unlike literal messages, symbols require discernment and understanding of their biblical and cultural significance. He emphasized that many symbols have universal meanings but can also vary based on personal experiences or specific situations.

He encouraged believers to:

- Seek God's guidance through prayer before and after interpreting dreams.
- Keep a dream journal to track recurring symbols.

- Study biblical symbolism to build a reference library.

- **Snakes:** Deception, evil, temptation, or healing (as in the bronze serpent). Context determines their meaning.
- **Birds:** Freedom, the Holy Spirit, or messages from God.

Interpreting Dream Symbols in Light of Scripture

The Importance of Biblical Context

Jackson emphasized that dream symbols should always be interpreted within the context of Scripture. For example, seeing a lion may symbolize strength or danger, but understanding whether it refers to King David, Jesus, or the enemy depends on accompanying symbols and the dream's overall message.

Key points include:

- Cross-reference symbols with biblical stories or verses.
- Avoid overly simplistic interpretations; seek the Holy Spirit's guidance.
- Remember that personal experiences influence symbolism.

Role of Personal Revelation and Discernment

While biblical principles guide interpretation, Jackson taught that personal revelation is vital. Dreams often resonate with individual life circumstances, and the Holy Spirit will reveal specific meanings unique to the dreamer.

He advised:

- Pray for discernment after dreaming.
- Be open to the Holy Spirit revealing deeper meanings over time.
- Trust your intuition guided by biblical truth.

Practical Steps to Interpreting Dream Symbols

Jackson provided a structured approach to interpreting dreams, which can be summarized as follows:

Step 1: Record the Dream

- Write down every detail, including symbols, colors, emotions, and impressions.

Step 2: Pray for Understanding

- Seek God's guidance through prayer, asking for clarity and wisdom.

Step 3: Identify Symbols and Their Meanings

- Use biblical references, Jackson's teachings, and personal insight to determine possible meanings.

Step 4: Consider the Context

- Analyze the dream's circumstances, what was happening in your life, and how the symbols relate.

Step 5: Confirm with Scripture and Holy Spirit

- Cross-check interpretations with biblical truths and seek confirmation through the Holy Spirit.

Step 6: Take Action

- Apply the insights received, whether it's making decisions, prayers, or spiritual growth.

Common Mistakes to Avoid in Dream Interpretation

Jackson cautioned against certain pitfalls that can distort understanding:

- **Overly Literal Interpretations:** Not every symbol should be taken literally; context is key.
- **Ignoring the Holy Spirit:** Relying solely on personal knowledge rather than divine guidance can lead to misinterpretation.
- **Using Only Personal Experience:** While personal context is important, it should not override biblical principles.
- **Rushing to Conclusions:** Patience and prayer are necessary for accurate understanding.

john paul jackson dream symbols: 30 Secrets to Interpreting Your Dreams Hanson Asiedu, 2021-05-11 Some years ago I began to have a deeper dream life and was having dreams that I couldn't get to the bottom of. Albeit a secondary means of communication, I knew that God was highlighting things to me through my dreams which required investigation. I began to search them out, and it was at this point that I stumbled upon the problem that this book aims to bring solution to. THE PROBLEM I spoke to people, including church leaders, about my dreams but they either brushed them off, were unable to offer me any insight, or point me in the right direction Those who could offer some interpretation, were unable to 'show me their workings out', so that I could learn to interpret for myself. Teach me how to fish, don't just give me the fish There were a lot of dodgy and ungodly dream interpretation websites and resources online that centred around 'the universe', and other new-age practices I came across some Christian material and dream dictionaries. Although the dream dictionaries were helpful, they could only tell me that a dream symbol COULD mean one thing or another. I needed absolutes or a way of knowing what the dream pointed to, not only that something could mean a number of things There were no guiding principles, systems, or a framework to use as an aid It was then that God took me on a journey of discovery and study, based on the work of John Paul Jackson and Amy Coello. This book will give you tools and a framework for approaching dream interpretation beyond merely symbols. You will learn; Why you need to title your dreams How to know the focus and sub-focus in a dream Why you might not remember your dreams The Purpose of dreams Happy dreaming!

john paul jackson dream symbols: God Interpreters Mathias Hilliker, 2021-10-05 God Interpreters: No Love Lost in Translation is a book that is pragmatic, innovative, and instructional. Using biblical concepts, it makes the unseen realm both visible and tangible. In this book, you are invited to get to know the Holy Spirit as a person, not an impersonal force but rather a friend, comforter, counselor, guide, teacher, and constant helper. Mathias shares what he calls the "sequence of three." The first is to recognize God's voice, then to understand what He is saying, and then how to respond to His voice. There is always a responsibility that comes with responding to His voice. In John 10:27, it says, "My sheep hear my voice and I know them and they follow me." Part of God knowing us is also knowing how He speaks to us so we can understand Him and understand His voice. A voice is the sound that communicates the content of a language. Language has four primary ways to communicate with us: verbal, nonverbal, written, and visual. God's language is expressed in all of these ways. As we experience an increase in revelation being poured out in these days (Acts 2), we will also be experiencing the sequence of three in prophetic revelation: godly revelation, soulish prophecy, and false prophecy. God Interpreters: No Love Lost in Translation will give practical insight and a wisdom perspective on the Office of the Prophet, the seven-mountain mandate, how to function in the marketplace, prophecy and healing in the workplace, and manifesting the invisible God. The questions for reflection at the end of each chapter enable you to think through the content and will benefit those who take the time to contemplate them. —Aaron and Jill-Marie Evans, The Emerging Daniel Company Int'l

john paul jackson dream symbols: Conversations and Encounters with God in the Night Terrie Phillips, 2019-12-12 God has no limitations on how He pursues us. I love what Psalms 23:6 says about the Lord's love for mankind: Your beauty and love chase after me every day of my life. Believing that God designed us to receive those revelations of who He is, it is also His prerogative as to when and how that may occur. Why not through a dream. Dreaming is part of our DNA. All across this planet everyone dreams, so there must be something significant about it. Beyond our logical reasoning, it begs the question, why would a creator equip us with such a tool? I believe it is about His pursuit of us - a quest to be relational with men and women both in waking hours as well as sleeping hours. We become a captive audience, ready to both encounter and have conversations with our Creator.
