crochez: Embezzlement and High Treason in Louis XIV's France Vincent J. Pitts, 2015-12
Louis XIV's vendetta against his disgraced finance minister exposed dark truths about the state's

finances. From 1661 to 1664, France was mesmerized by the arrest and trial of Nicolas Fouquet, the country's superintendent of finance. Prosecuted on trumped-up charges of embezzlement, mismanagement of funds, and high treason, Fouquet managed to exonerate himself from all of the major charges over the course of three long years, in the process embarrassing and infuriating Louis XIV. The young king overturned the court's decision and sentenced Fouquet to lifelong imprisonment in a remote fortress in the Alps. A dramatic critique of absolute monarchy in pre-revolutionary France, *Embezzlement and High Treason in Louis XIV's France* tells the gripping tale of an overly ambitious man who rose rapidly in the state hierarchy—then overreached. Vincent J. Pitts uses the trial as a lens through which to explore the inner workings of the court of Louis XIV, who rightly feared that Fouquet would expose the tawdry financial dealings of the king's late mentor and prime minister, Cardinal Mazarin.

crochez: *Sizun & Cie dans notre aéronautique navale* Julien Selosse-Goujon, 1989-01-01T00:00:00+01:00 C'est avec son premier livre : « *Survols* », que Julien Selosse-Goujon, alias Hesse-Gey, commença l'aube de sa jeune carrière d'écrivain provençau-normand à l'âge de soixante-et-onze ans, obtenant ainsi un très vif succès auprès de diverses personnalités de l'aéronautique. Il débute comme « chiffon gras » à l'entreprise « Loire-Nieuport », réputée pour ses essais de prototypes d'hydravions, (le Loire-Nieuport 140 a été piloté par René Paulhan, fils du précurseur Louis Paulhan, bien connu de tous les aviateurs) à la base de Fréjus, en 1935, dans l'aviation navale. Encouragé par les nombreux lecteurs de « *Survols* » (ouvrage dédié aux pilotes d'essais, que Julien Selosse-Goujon côtoya durant ces années « héroïques »), il décide de se pencher sur le cas « *Sizun* » et réalise l'actuelle présentation aéronavale. Son vouloir, c'est surtout d'écrire - sans prétention - des récits véridiques, façon roman, à la fois sérieux et divertissants. Avec son enthousiasme naturel et sa passion débordante des choses de l'air, on ne sera pas étonné d'apprendre que, sitôt son deuxième livre terminé, Julien Selosse-Goujon se soit déjà lancé dans une nouvelle narration, contant les exploits du grand pilote cascadeur, que tout le monde a vu aux commandes de son avion dans un film réputé retraçant le Débarquement américain. C'est ainsi que ce livre, nouvellement rédigé, prendra ce titre : « *Le dernier des treize* ». Marie-Josèphe Rossi, correspondante de presse.
