the journey mary oliver pdf: Teach for Climate Justice Tom Roderick, 2023-06-27 A proactive, inclusive plan for the cross-disciplinary teaching of climate change from preschool to high school. In Teach for Climate Justice, accomplished educator and social and emotional learning expert Tom Roderick proposes a visionary interdisciplinary and intersectional approach to PreK-12 climate education. He argues that meaningful instruction on this urgent issue of our time must focus on climate justice—the convergence of climate change and social justice—in a way that is emotionally safe, developmentally appropriate, and ultimately empowering. Drawing on examples of real-life educators teaching climate change, Roderick identifies eight key dimensions of climate education that will prepare students to face the challenges of the climate crisis and give them the means to take action. These dimensions include not only educating for a deep understanding of the scientific, geopolitical, and socioeconomic equity issues that surround global warming, but also cultivating appreciation for the environment, building a supportive community, and fostering active hope for the future. Roderick's intentional layering of skills will help students develop the knowledge and sense of agency necessary to engage in civil resistance and nonviolent activism. In support of this crucial endeavor, Roderick suggests evidence-based teaching strategies, practices that promote inclusivity, and tools for social and emotional learning. This timely and uplifting book lays out a powerful vision for teaching, learning, and curriculum development to nurture a generation of courageous, informed advocates for climate justice.

the journey mary oliver pdf: *Soul Tending* Anita Amstutz, 2018-05-08 We live in hungry times. There is economic uncertainty, fear, violence, division, and social chaos. What is needed for times such as these is a heart full of courage and wisdom grounded in compassion and resilience. For this, we can turn to one of the practices that for so many centuries nourished people of faith through incredibly difficult life circumstances and service. Traditionally it was a communal gathering time of rest, ritual, and prayer. It is Sabbath keeping. In *Soul Tending*, Anita Amstutz offers field notes and a road map from her own Sabbath keeping practice for the 21st century — a practice rooted in tradition but whose tenets can be applied to practices fit for our present hectic and troubling world. Anita has written the book in such a way that it can easily be adapted as a study guide! Each chapter ends with a list of questions for reflection that are perfect for use by full congregations, independent readers, and every kind of group in between. This provides an accessible and engaging method to a shared understanding of Sabbath keeping in the modern day.

the journey mary oliver pdf: *The Teachers of Spiritual Wisdom* Duncan S. Ferguson, Jamal Rahman, Mary Petrina Boyd, 2021-05-03 We call attention to the harsh reality that we are living in troubled times. We are especially conscious of climate change and COVID-19. We underline that these challenges impact all people. In light of this reality, we use ten primary questions that all human beings ask, consciously or unconsciously, and then amplify each of the ten primary questions with nine additional sub-questions. We then draw upon one of the great teachers of spiritual wisdom (Buddha, Moses, Jesus, Muhammad, etc.) with a brief quote and then write a short wisdom response to the question. By wisdom we mean a body of accumulated reflection about the character and meaning of life. Spiritual wisdom suggests an outlook or attitude that enables us to cope, a deeper

way of knowing and learning the art of living in rhythm with the soul. We use the life experience of three authors, coming from different religious and cultural outlooks.

the journey mary oliver pdf: Emigrant Tales of the Platte River Raids Janelle Molony, 2023-12-13 While the Civil War raged in the east, the Platte River Raids would begin an entirely new battle for the American West. In July of 1864, Northern Plains Indians in Idaho Territory (Wyoming) appeared to be on a warpath to cease all emigrant travel on the Bozeman, Oregon, and Overland Trails by any means. On a signal, hundreds of warriors launched a series of attacks and robberies on unsuspecting emigrants through the winding "Black Hills." Shots rang out and arrows whizzed as miners, doctors, farmers, families, and war widows rallied their covered wagons together. Some fought to defend their stock and protect their families. Others helped bury the bodies of those who did not survive. Read the eyewitness testimonies of nearly 70 survivors, vetted by living descendants, mapped out, annotated, and presented in one accord for the first time in literary history.

the journey mary oliver pdf: Learning Together to Preach John S. McClure, Allie Utley, 2023-11-10 Preaching is best learned and improved when preachers receive excellent, supportive reflection on their lived experiences and sermons. For nearly ten years at Vanderbilt Divinity School a group of scholars and practicing preachers joined together to develop and hone several models of peer-group and individual coaching. In this book, they describe the key dimensions of collaborative coaching, a learner-centered approach to coaching that emphasizes covenant-building, deep spiritual curiosity, care-filled listening, ethical awareness, attention to bodies and places, parallel learning, careful sermon analysis, and the art of asking excellent questions. In the final section of the book, practitioners provide examples of this kind of coaching in practice.

Volume 1, New Paths of Engagement, addresses changes in the circumstances and expressions of death, dying, and grief in 21st-century America. Volume 2, New Venues in the Search for Dignity and Grace, delves into the challenges inherent in creating a medical and social system that allows for an optimal end-of-life experience for all and proposes ways in which society can be reshaped to move toward that ideal.
