

toyota tazz

toyota tazz is a compact and reliable hatchback that has gained popularity among urban drivers and budget-conscious consumers worldwide. Known for its affordability, fuel efficiency, and durable performance, the Toyota Tazz remains a favored choice for those seeking a practical vehicle without compromising on quality. Originally introduced in the late 1990s, the Toyota Tazz has evolved over the years, maintaining its reputation as a dependable city car that offers excellent value for money. In this article, we will explore the history, features, specifications, and reasons why the Toyota Tazz continues to be a popular model in various markets.

History and Background of the Toyota Tazz

Origins and Development

The Toyota Tazz was launched in the late 1990s as a rebadged version of the Toyota Starlet. It was primarily marketed in South Africa and other African markets, where it quickly gained traction due to its affordability and ease of maintenance. The Tazz was designed to serve as a practical, entry-level vehicle suitable for urban commuting and small families.

Evolution Over the Years

Throughout its production run, the Toyota Tazz underwent several updates, including cosmetic refreshes and mechanical improvements. The model maintained its core attributes—compact size, fuel efficiency, and affordability—while gradually incorporating modern features to meet consumer demands.

Discontinuation and Legacy

The Toyota Tazz was discontinued in the early 2000s as Toyota shifted focus to newer models and technologies. Despite this, its legacy persists, and many used Tazz vehicles continue to be on the roads, appreciated for their simplicity and longevity.

Key Features of the Toyota Tazz

Design and Exterior

- Compact hatchback layout ideal for city driving
- Simple, functional design with minimalistic styling
- Available in a variety of colors to suit personal preferences
- Durable body panels designed to withstand daily urban wear and tear

Interior and Comfort

- Basic but practical interior with essential features
- Comfortable seating for up to five passengers
- Adequate cargo space for a vehicle of its size
- User-friendly dashboard layout

Performance and Engine Options

- Typically equipped with small, fuel-efficient engines (e.g., 1.3L or 1.5L petrol engines)
- Manual transmission as standard, with some models offering automatic options
- Responsive handling suitable for city environments
- Good fuel economy, often achieving over 15 km/l (kilometers per liter)

Safety and Reliability

- Basic safety features, including seat belts and airbags in later models
- Known for its mechanical simplicity and ease of maintenance
- High reliability with minimal breakdowns
- Parts availability is generally good, making repairs affordable

Performance and Specifications

Engine Options

The Toyota Tazz primarily came with small, efficient petrol engines:

1. 1.3L 4-cylinder engine
2. 1.5L 4-cylinder engine (in later models)

Transmission

- 5-speed manual transmission (standard)
- 3-speed automatic transmission available in some variants

Fuel Efficiency

- Average consumption ranges from 14-17 km/l depending on driving conditions
- Ideal for city commuting and short-distance travel

Dimensions and Capacity

- Length: approximately 3.7 meters
- Width: around 1.55 meters
- Height: approximately 1.4 meters
- Seating capacity: 5 passengers
- Cargo capacity: about 250 liters, expandable with rear seats folded

Reasons Why the Toyota Tazz Remains Popular

Affordability and Low Maintenance Costs

One of the primary reasons for the Tazz's enduring popularity is its affordability. The vehicle's purchase price is accessible for many first-time buyers or those looking for an economical transport solution. Additionally, its mechanical simplicity means maintenance and repairs are generally inexpensive, with parts readily available.

Fuel Efficiency

In urban environments, fuel economy is crucial. The Toyota Tazz excels in this area, making it an excellent choice for daily commuting. Its small engine size and lightweight design contribute to impressive fuel savings.

Durability and Reliability

Toyota's reputation for building durable vehicles extends to the Tazz. Many owners report that their Tazz models have clocked hundreds of thousands of kilometers with minimal issues, provided they receive regular maintenance.

Ease of Handling and Compact Size

The Tazz's small footprint makes parking and maneuvering in tight city streets straightforward. Its nimble handling and responsive steering enhance the driving experience in congested urban areas.

Availability of Used Models

Since the Tazz has been discontinued for some years, a vast selection of used vehicles is available at various price points. This availability makes it accessible to a broad demographic, from students to small business owners.

Global Market Presence and Variants

Markets Where the Toyota Tazz Was Popular

- South Africa
- Zimbabwe
- Kenya
- Nigeria
- Other African nations

The model was primarily designed for markets requiring affordable, reliable transportation, often in regions with limited access to high-end vehicles.

Variants and Trims

While the Tazz was generally offered as a basic model, some markets saw variations with additional features such as:

- Airbags
- Power steering
- Central locking
- Upgraded audio systems

Despite its simplicity, these variants enhanced comfort and safety.

Comparison with Similar Models

Toyota Tazz vs. Honda Civic (Older Models)

- The Tazz is more affordable and economical
- Civic offers more comfort and features but at a higher price point
- Tazz is preferred for city driving and budget-conscious users

Toyota Tazz vs. Suzuki Alto

- Both are compact city cars with excellent fuel efficiency
- Tazz offers slightly more space and durability
- Alto may have a lower purchase price

Buying a Used Toyota Tazz: Tips and Recommendations

What to Look For

- Check engine compression and oil consumption
- Inspect the suspension and brakes
- Look for rust, especially in the wheel arches and undercarriage
- Verify maintenance history and service records
- Test drive to assess handling and listen for unusual noises

Advantages of Buying Used

- Lower purchase price
- Proven reliability with many units still on the road
- Easier to find spare parts

Cost of Ownership

- Maintenance and repairs are generally affordable
- Fuel costs are minimal due to high fuel efficiency
- Insurance premiums are typically low

Conclusion: Is the Toyota Tazz Still a Good Choice?

Despite being discontinued, the Toyota Tazz remains an excellent choice for budget-conscious drivers

seeking a reliable, fuel-efficient, and easy-to-maintain vehicle. Its compact size makes it ideal for urban environments, while its durability ensures longevity when properly maintained. Whether you're a first-time car buyer, a small business owner, or someone looking for an economical daily driver, the Toyota Tazz offers significant value and practicality. Its legacy as a dependable city car continues to thrive, especially in markets where affordability and reliability are paramount.

Frequently Asked Questions

What are the key features of the Toyota Tazz?

The Toyota Tazz is known for its compact size, fuel efficiency, reliable performance, and affordability, making it a popular choice for city driving and budget-conscious buyers.

Is the Toyota Tazz still in production?

No, the Toyota Tazz was discontinued in the early 2000s and has been replaced by newer models like the Toyota Etios and Yaris, but it remains popular in the used car market.

What are the common issues to look out for in a used Toyota Tazz?

Common issues include engine oil leaks, worn suspension components, and electrical problems. It's advisable to check the vehicle's maintenance history and have a thorough inspection before purchasing.

How fuel-efficient is the Toyota Tazz?

The Toyota Tazz is known for its excellent fuel economy, typically averaging around 12-15 km/l,

depending on driving conditions and maintenance.

What is the typical price range for a used Toyota Tazz?

Prices vary based on year, condition, and mileage, but generally range from \$2,000 to \$5,000 in the used car market.

Are spare parts for the Toyota Tazz readily available?

Yes, spare parts for the Toyota Tazz are generally affordable and readily available, especially in regions where the model was popular.

How does the Toyota Tazz compare to other compact cars?

The Toyota Tazz is praised for its reliability, low maintenance costs, and simplicity, making it a competitive choice against other budget-friendly compact cars.

What safety features does the Toyota Tazz offer?

The Toyota Tazz offers basic safety features like seat belts, front disc brakes, and sometimes optional airbags in later models, but it lacks modern safety technologies.

Can the Toyota Tazz be used for long-distance travel?

While it can handle long drives, its small engine and basic features mean it's best suited for city commuting and short to medium distances.

Is the Toyota Tazz a good investment for classic car collectors?

The Tazz is more of a budget daily driver than a classic collectible, but well-maintained models may appeal to enthusiasts interested in affordable, reliable vintage vehicles.

Toyota Tazz: An In-Depth Investigation into the Hatchback's Legacy and Evolution

The Toyota Tazz has long been a staple in the compact car segment, particularly within markets that value affordability, reliability, and ease of maintenance. Originally launched in the late 1990s, the Tazz quickly gained popularity among first-time car buyers, small business owners, and budget-conscious consumers. Over the years, it has become an emblem of practical transportation, especially across regions like South Africa, where it earned a reputation for durability and affordability. This investigative article delves into the history, design philosophy, engineering, market reception, and the evolving landscape surrounding the

Toyota Tazz, providing a comprehensive understanding of this iconic hatchback.

Origins and Historical Context

The Birth of the Toyota Tazz

The Toyota Tazz was introduced in South Africa in 1996 as a rebadged version of the Daihatsu Charade, which itself was based on the Daihatsu Mira. The Tazz was assembled locally by Toyota South Africa Motors, making it a key component of the company's local manufacturing strategy aimed at reducing costs and boosting accessibility. This move was part of Toyota's broader effort to cater to emerging markets with affordable vehicles.

Initially marketed as an economical and reliable alternative to more expensive sedans and compact cars, the Tazz was positioned to meet the needs of urban commuters and small business owners. Its compact dimensions, simple mechanics, and low running costs made it an attractive choice in densely populated urban environments.

Transition and Evolution

Throughout its production lifespan, which lasted until 2005 in its original form, the Tazz underwent minimal stylistic changes but remained mechanically consistent. In 2005, it was replaced by the Toyota RunX and subsequently phased out in favor of newer models. However, the Tazz's influence persisted, and many units remained in service well into the 2010s due to their robustness.

The Tazz's legacy was further cemented by its reputation for durability. Many owners reported high mileage with minimal major repairs, emphasizing its role as a workhorse vehicle rather than a luxury or performance-oriented machine.

Design and Engineering Philosophy

Exterior and Interior Design

The Toyota Tazz's design philosophy focused on practicality over aesthetics. Its boxy, utilitarian shape maximized interior space within a compact footprint. Key features included:

- Simple, no-frills exterior with basic headlamp and grille design.
- Compact dimensions, approximately 3.75 meters in length, making it ideal for urban maneuvering.
- Minimalist interior design emphasizing function over form.
- Basic instrumentation with essential controls, reflecting its budget-friendly nature.

Despite its simplicity, the Tazz provided adequate comfort for daily commuting, with configurable seating and sufficient cargo space for its class.

Mechanical Underpinnings

The Tazz was powered predominantly by small-displacement petrol engines, primarily:

- 1.3-liter 4E-FE engine, known for its reliability and fuel efficiency.
- Later models included a 1.4-liter engine, offering slight performance enhancements.

The engines were paired with either a 5-speed manual transmission or a 3-speed automatic, depending on the variant and market preferences. The chassis was built on a front-engine, front-wheel-drive layout, optimizing interior space and handling.

Key engineering principles included:

- Simplicity of design to facilitate easy repairs.
- Robust suspension setup with MacPherson struts at the front and torsion beam at the rear.
- Durable components suited for rough roads and less-than-ideal maintenance conditions.

Market Performance and Consumer Reception

Sales and Popularity

The Toyota Tazz's affordability and reliability propelled it to high sales figures within South Africa and surrounding markets. It became one of the best-selling models in its segment, especially among:

- First-time car buyers.
- Small business owners requiring economical transport.
- Fleet operators seeking low-cost maintenance.

Its reputation was reinforced by the widespread availability of spare parts and the extensive network of service centers.

Strengths and Advantages

- Affordability: Both the purchase price and running costs were minimal.
- Fuel Efficiency: Its small engines delivered impressive fuel economy, often exceeding 15 km/l (kilometers per liter).
- Reliability: Owners reported minimal mechanical issues even after high mileage.
- Ease of Maintenance: The mechanical simplicity made repairs accessible for local mechanics.
- Resilience: The Tazz was known to withstand rough road conditions, making it suitable for less developed infrastructure.

Limitations and Criticisms

- Outdated Styling: By modern standards, the Tazz's design appeared outdated and utilitarian.
- Limited Safety Features: Early models lacked airbags, ABS, or other modern safety aids.
- Performance: The small engines offered adequate city driving but lacked enthusiasm for highway or spirited driving.
- Interior Comfort: Basic interior features meant it was not aimed at luxury or comfort-focused consumers.

Modern Relevance and Legacy

Discontinuation and Legacy

The original Tazz was discontinued in 2005, with Toyota shifting focus to newer models. However, its legacy persists in various ways:

- Secondhand Market: Many units remain operational, often with high mileage, owing to their durability.
- Cultural Impact: The Tazz became a symbol of affordability and practicality in South Africa and similar markets.
- Influence on Small Car Segment: Its success underscored the importance of reliable, low-cost transportation solutions.

Collector and Enthusiast Perspectives

While primarily viewed as an economy car, the Tazz has garnered interest among collectors and enthusiasts interested in classic, reliable Japanese hatchbacks. Restored units can command modest premiums in certain circles, especially those with well-maintained original features.

Contemporary Alternatives and Market Shifts

Today, the compact hatchback segment has evolved significantly, with models offering modern safety, technology, and comfort features. Alternatives such as the Suzuki Alto, Hyundai i10, and newer Toyota models like the Aygo or Yaris have taken center stage.

However, the Tazz's influence persists in emphasizing affordability, simplicity, and robustness—traits still valued in emerging markets.

Conclusion: The Enduring Significance of the Toyota Tazz

The Toyota Tazz exemplifies a specific philosophy in automotive design: prioritize practicality, affordability, and durability. Its success in markets like South Africa underscores the importance of understanding local needs and conditions, where a simple, reliable vehicle can significantly impact daily life.

Despite its age and the advent of more technologically advanced competitors, the Tazz remains a symbol of dependable transportation for many. Its legacy continues through the countless units still on the road and the lessons it offers in manufacturing and market adaptation.

As the automotive landscape continues to shift toward electrification and connected vehicles, the Tazz stands as a testament to a more straightforward era—one where the primary goal was to get people from point A to point B reliably and affordably. Its story underscores the enduring value of engineering simplicity and market understanding, principles that remain relevant in today's evolving industry.

In summary, the Toyota Tazz's journey from a simple hatchback to a cultural icon reveals much about the needs of developing markets and the enduring appeal of dependable, low-cost transportation. Its legacy is a reminder that sometimes, less is more—and that a well-built car, even if modest, can leave a lasting imprint on society.

toyota tazz: Growing Greatness Pepe Marais, 2018-08-01 Pepe Marais began his entrepreneurial journey as a newspaper delivery boy at the age of twelve. After finishing high school in 1986, he spent two years in the army completing what was then compulsory national service. On his way home at the end of his service, while waiting for a Vlossie at an airforce base in Rundu, he had a chance encounter with a graphic artist, an event which would change the course of his life. Pepe's latent talent for art was developed and honed at an art school in Cape Town, where he finished top of his class each year, which in turn would lead him to discover his passion for advertising. After six years in the industry he and his business partner Gareth Leck launched their enterprising Take-Away Advertising Agency and success seemed a foregone conclusion. However, in

2006, Pepe's business career and personal life began to disintegrate. At the lowest point of his life, he would discover a fundamental insight that became the foundation on which he would rebuild everything. It would also inspire the development of his Purpose for Business methodology and his deep interest in unlocking both human and business potential. While Growing Greatness contains many lessons for aspiring entrepreneurs, perhaps what is more important is the deep wisdom it offers. Through his growing awareness of what purpose means in both business and personal terms, Pepe points the way to growing your own greatness.

toyota tazz: *MILESTONE JOURNEY OF DECEIT CALLED "LOVE"* CHRISTOPHER SEMAKALE , 2019-04-17 As you embark on a Milestone Journey of Deceit Called LOVE, dare to find your voice in my voice and your story in my story. A Milestone like no other. Dare to smile, to be distraught, to accept what is beyond your control and finally learn to move on because the grass is greener on the other side. DARE TO FIND THE DECEITFUL INTRUDER CALLED LOVE

toyota tazz: *The Profiler Diaries 2* Gérard Labuschagne, 2022-07-13 More riveting cases from the files of former police psychologist and bestselling author Gérard Labuschagne ... In this second instalment of The Profiler Diaries, former South African Police Service (SAPS) head profiler Dr Gérard Labuschagne, successor to the legendary Micki Pistorius, recalls more of the 110 murder series and countless other bizarre crimes he analysed during his career. An expert on serial murder and rape cases, Labuschagne saw it all in his fourteen and a half years in the SAPS. Often stymied by a lack of resources, office politics and legal incompetence, Labuschagne and his team were nevertheless determined to obtain justice for the victims whose cases they were tasked with investigating. Tracking down a prolific serial stalker, linking the murders of two young women in Knysna, assessing a suspect threatening to assassinate President Obama and apprehending a serial murderer of sex workers are just a few of the intriguing – and often terrifying – cases he covers in his second book, The Profiler Diaries – From Crime Scene to Courtroom. As Labuschagne says, catching a killer is one thing; getting them convicted in a court of law is an entirely different ball game. This book shows how it is done in fascinating detail.

toyota tazz: *Inspiring Personal Greatness* Dr. Joe Moleté, 2016-07-12 If you are like many people that I have met, you are probably tired of playing your game at the mediocre level. As a leader, your role is to find your voice and then help others find their voice. Inspiring Personal Greatness is not just another book to browse through and put on your shelf. In this book I share my voice with the intention to help you find your own voice. I reflected on the factors that held me hostage for many years, such as fear, procrastination, low sense of self, and focusing on how instead of why, and I explain how I managed to break through this factors. Through the various personal examples I share, I demonstrate that success is possible when we come face-to-face with the best within ourselves and with our destiny. I demonstrate the importance of defining the meaning of greatness, understanding ones purpose, embracing ones pains, and focusing on continuous learning. I prove that with a predetermined definitiveness of purpose, your past has no influence on your future. You are in charge of your destiny.

toyota tazz: *The JACK DELANEY CHRONICLES Bookset at WHOLESALE RATES - 60% OFF!* Terry Hayward, 2016-11-18 From the pen of TERRY HAYWARD, himself a retired criminal attorney who practised law in South Africa during the apartheid years. An avid wildlife conservationist, Terry has fictionalised a number of his most notorious cases and has linked them to the blight of poaching sweeping the continent of Africa. The result is almost 2,000 pages of non-stop action, adventure, drama and mystery from the court-room to crowded high-rise cities and to the rural remoteness of the African bushveld. In the latest work in the series, THE HANGING TREE, sees lawyer Jack Delaney, and his six-foot-seven Zulu sidekick Moses Dlamini (pronounced Shla-mee-nee), known as the Refrigerator, called in to investigate a kidnapping, in reality a lever to bribe the owners of a game reserve to sell. In turn, it becomes the catalyst in a host of actions and re-actions leading to unexpected alliances, coupled with violence, murder and confrontations with law - not to mention lions, elephants and crocodiles in the wild. Terry has always been perturbed that most books that end up becoming best-sellers nowadays seem to be judged by the amount of

foul language and sexual activity which can be incorporated into the story. The Jack Delaney chronicles are his contribution to writing a really good yarn without having to resort to such ruses. There is one more book in the series still in the pipeline which Terry hopes to get to Abela Publishing within the next month or so. 10% of the Authors royalty will be donated to WILDLIFE ACT, a conservation charity in KZN (KwaZulu-Natal), South Africa. The bookset includes (so far): ISBN: 978-1-907256-22-6 Murder is Just the Warning ISBN: 978-1-909302-53-2 Divorce By Murder ISBN: 978-1-909302-68-6 Murder to Order ISBN: 978-1-909302-74-7 Aphrodisiac ISBN: 978-1-909302-95-2 Who Takes This Woman ISBN: 978-1-910882-65-8 The Hanging Tree

toyota tazz: Byleveld: dossier of a serial sleuth Hanlie Retief, 2011-08-26 South Africa's super detective shares his life and his most famous cases Former Brigadier Piet Byleveld is recognised worldwide as one of the best detectives of our time. If you commit murder and Piet Byl is called in, your place in jail is booked. If you harmed children and he's on your case, you've sealed your own fate. And if you're a serial killer on the loose, he will not stop before you are behind bars. This book reopens the dockets of numerous murders that this courteous detective has solved over the years. Gruesome, tragic, exciting – and with the satisfaction that justice had prevailed. In-between we get the measure of the man Byleveld: how he matured in the tough world of the Brixton Murder and Robbery Squad; how he prevailed over deep personal setbacks; and the values this farm boy carried with him to make an unprecedented success of society's grimmest job.

toyota tazz: Vuvuzela Dawn Luke Alfred, Ian Hawkey, 2019-04-01 In 2019, South Africa celebrates 25 years of democracy and the freedom that turned the country from a political pariah to one warmly embraced by the world. Nowhere was the welcome more visible, or more emotional, than in sport. Vuvuzela Dawn tells the stories of that return. From Bafana Bafana's Africa Cup of Nations win to the fabled '438' Proteas game, we go behind the scenes of the great moments and record-breaking triumphs from 1994 to the present. From Caster Semenya and Wayne van Niekerk to Benni McCarthy and Kevin Anderson, from twin World Cup rugby victories to the traumas of Kamp Staaldraad and Hansie Cronjé, Vuvuzela Dawn reveals the sporting dramas and passions that defined a quarter century.

toyota tazz: Street Blues Andrew Brown, 2011-05-13 In 1999 Andrew Brown donned the uniform of the new South African Police Service as a rookie reservist, after years of viewing the police as the enemy. This book documents his experiences over nearly a decade, offering a glimpse into the day-to-day life of a police officer on the beat in one of the most crime-ridden societies in the world. Street Blues takes the reader from high-octane car chases and drug busts to the gritty world of gangsterism and prostitution. It covers issues as diverse as hijacking and petty theft, traffic collisions and firefighting. Brown explores the stresses and complexities of police work, the fear and frustration, as well as the camaraderie and courage. Shifting between tragedy and humour, this book gives personal insight into a perilous and sometimes shocking world that affects us all. Written from direct experience rather than distanced observation, Street Blues is a must-read for anyone concerned with crime and policing in South Africa.

toyota tazz: Marketing Communications Ludi Koekemoer, 2004 Six marketing communication tools—advertising, personal selling, sales promotion, direct marketing, public relations, and sponsorship—are reviewed in this text for South African learners and practitioners. This fully updated edition focuses on recent developments in marketing communications, highlighting the use of the World Wide Web, e-mail, and instant messaging in marketing. The user friendly and interactive presentation for self-assessment makes this an outcome-based learning tool.

toyota tazz: Where the Hell is Matt? Matt Harding, 2009-06-02 Matt Harding, the YouTube sensation, turns his world travels into a unique book.

toyota tazz: Blood to Poison Mary Watson, 2022-04-14 _____ 'A fiercely compelling, ferocious story' – Kiran Millwood Hargrave 'Furious, beautiful, and impossible to put down' - Katherine Webber _____ An epic South African fantasy from award-winning author Mary Watson, for fans of Children of Blood and Bone and The Gilded Ones. Seventeen-year-old Savannah is cursed. It's a sinister family heirloom; passed down through the bloodline for hundreds of years,

with one woman in every generation destined to die young. The family call them Hella's girls, named for their ancestor Hella; the enslaved woman with whom it all began. Hella's girls are always angry, especially in the months before they die. The anger is bursting from Savannah – at the men who cat-call her in the street, at her mother's disingenuous fiancé, even at her own loving family. Each fit of rage is bringing her closer to the edge and now Savannah has to act to save herself. Or die trying. Because the key to survival lies in the underbelly of Cape Town, where the sinister veilwitches are waiting for just such a girl. *Blood to Poison* is a furious and mesmerising story about discovering magic, historical rage and love in all its guises.

toyota tazz: *A Nest of Voodoo Dolls* B. K. Knight, 2013-02-26 Botswana Police Sergeant Duski Lcha is the daughter of a Zionist preacher whose sermons berate witch doctors and their ungodly practises. Desperate to find a man she could call her own in a culture where infidelity is the norm and the possibility of forming a monogamous relationship is as unlikely as getting frostbite in the Kalahari, Duski does the unthinkable in order to achieve this goal. With her fathers sermons constantly whirling around her head, she seeks the services of a local witch doctor who prescribes her a ritual bath. But when Ali, the constable she later meets and falls in love with after taking the prescribed bath, becomes the third victim of an elusive killer, Duski begins to wonder if this is the work of a wrathful deity. Like the other victims, when Alis body is discovered, his genitals are missing, but Duski is convinced that the ritual bath she took before meeting him, has something to do with his death if she hadn't taken the bath, would he still be alive? With neither suspects nor leads and unwilling to let the murder of one of their own go cold, CID begin to take an interest in Duski's whereabouts on the night Ali died. The lack of a credible alibi and the determination to get CID off her back and find her boyfriend's killer leaves Duski with a difficult choice. But can her fathers sermons stop her from crossing over to the dark side?

toyota tazz: *Devil's Peak* Deon Meyer, 2024-09-24 A South African detective races to catch a vigilante killer preying on dangerous criminals in this gripping thriller. One of the sharpest and most perceptive thriller writers around. — The Times (UK) A young woman makes a terrible confession to a priest. An honorable man takes his own revenge for an unspeakable tragedy. An aging inspector tries to get himself sober while taking on the most difficult case of his career. From this beginning, Deon Meyer weaves a story of astonishing complexity and suspense, as Inspector Benny Griessel faces off against a dangerous vigilante who has everything on his side, including public sympathy. A gruesome abuse case has hit the newsstands, and one man has taken it upon himself to stand up for the children of Cape Town. When the accused is found stabbed through the heart by spear, it's only the beginning of a string of bloody murders—and of a dangerous dilemma for detective Griessel. The detective is always just one step behind as someone slays the city's killers. But the paths of Griessel and the avenger collide when a young prostitute lures them both into a dangerous plan—and the two find themselves with a heart-stopping problem that no system of justice could ever make right. Complex, finely wrought characters, keen psychological insight and a compelling plot lift this crime novel. . . . This book is easily Meyer's finest effort to date. — Publishers Weekly (starred review)

toyota tazz: *Return to the Wild* James Hendry, 2022-10-03 Following on from his bestselling novels *A Year in the Wild* and *Back to the Bush*, James Hendry returns to the setting of Sasekile Private Game Reserve for another tale that takes the reader behind the scenes with the MacNaughton brothers, Angus and Hugh. It is four and a half years since Angus's last year in the wild when he was newly appointed to the position of head ranger at Sasekile. Much has happened in the interim. In *Return to the Wild* there is high drama, much hilarity and close encounters with wildlife, fire and human incompetence as Angus unexpectedly returns to Sasekile to take on the training of a motley group of would-be game rangers with his usual stark but eloquent honesty. Alongside him, Hugh manages the lodge and its colourful staff with a varying degree of competence as events lurch from mishap to potential catastrophe. Whether you are a fan of the MacNaughtons' previous misadventures or a reader new to their story, *Return to the Wild* is a highly amusing, engaging and heartfelt read.

toyota tazz: *Systemic School Improvement Interventions in South Africa* Godwin Khosa,

2014-04-14 Looking at two smaller-scale systemic school improvement projects implemented in selected district circuits in the North West and Eastern Cape by partnerships between government, JET Education Services, and private sector organisations, this book captures and reflects on the experiences of the practitioners involved. The Systemic School Improvement Model developed by JET to address an identified range of interconnected challenges at district, school, classroom and household level, is made up of seven components. In reflecting on what worked and what did not in the implementation of these different components, the different chapters set out some of the practical lessons learnt, which could be used to improve the design and implementation of similar education improvement projects. Many of the lessons in this field that remain under-recorded to date relate to the step-by-step processes followed, the relationship dynamics encountered at different levels of the education system, and the local realities confronting schools and districts in South Africa's rural areas. Drawing on field data that is often not available to researchers, the book endeavours to address this gap and record these lessons. It is not intended to provide an academic review of the systemic school improvement projects. It is presented rather to offer other development practitioners working to improve the quality of education in South African schools, an understanding of some of the real practical and logistical challenges that arise and how these may be resolved to take further school improvement projects forward at a wider district, provincial and national scale.

toyota tazz: DIVORCE BY MURDER Terry Hayward, 2014-03-28 A South African crime boss institutes divorce proceedings against his wife who defends the action. Later, she is found shot dead in her apartment and the criminal husband charged with her murder. But have the police been too blinkered in their approach and too quick to conclude that the husband's criminal connections automatically make him the killer? So starts a flying trip to New York by the notorious lawyer, Jack Delaney, to investigate the husband's mafia connections followed by a trip to a 'Big 5' Game Reserve in South Africa to investigate his criminal connections in the highly illegal, but lucrative, rhino horn and elephant tusk trade. While this shows the husband to be a most unsavoury character, does it make him a wife murderer? Why would the husband have started divorce proceedings and then killed his wife? If murder was on his mind, would it have not been simpler and cleaner for the wife to take a long, long vacation - mafia style? The murder trial starts and after many twists and turns, the evidence presented often leaves the reader to wonder if the husband was the actual killer or if he hired the killer and colluded with him. The 'grande finale' comes during the trial with the unmasking of the murderer.

toyota tazz: African Pilgrimage Retief Müller, 2016-04-01 Years after the end of Apartheid South Africa remains racially polarized and socially divided. In this context pilgrimage and travelling rituals serve to help those who often find themselves at the bottom end of the social ladder to make sense of their world. This book describes a South Africa that is made up of a number of different fragmented worlds. The focus is on the Zion Christian Church, one of the largest religious movements in southern Africa, and a good example of indigenized African Christianity. Pilgrimage plays an important role in reintegrating some of those fragmented worlds into something approaching wholeness. This book tells the story of how the enduring ritual of pilgrimage is transforming African religion, along with the lives of ordinary South Africans.

toyota tazz: OPERATION PARADISE (standard edition b/w) G. Ritschl, 2007-11-05 The Orgone Revolution is underway: During the last few years, a small but growing group of people worldwide has started a peaceful revolution planet-wide environmental healing with orgone energy. This book is essential reading for anyone who is interested in holistic healing and the convergence of advanced science with the mystical world view. It is also a book for all those who are worried about the tendencies of a small elite to create a worldwide Orwellian Superstate by means of secret manipulation of world events, centralisation, and secret chemical and electronic warfare against humankind. It is time to reclaim planet earth for humanity. The compelling message of this book is: Together we can create Paradise!

toyota tazz: Zuma Jeremy Gordin, 2010-11-22 The first edition of Zuma, published in late 2008,

concluded with Jacob Zuma's future balancing on a knife's edge. National elections loomed, but so did corruption charges and endless court battles. Since then Zuma's star has spectacularly risen - the corruption charges were dropped, he led the ANC to election victory and duly became President of South Africa, and his new cabinet and government appointments were generally well received. But he has also recently suffered a huge blow with revelations of another love-child, this time with the daughter of soccer supremo Irvine Khoza. Many of his supporters have distanced themselves from him, and Zuma is looking isolated. Pundits are once again wondering how long he'll survive as President. In this revised and updated edition, Jeremy Gordin takes the reader right up to present. He covers in detail the highs and lows of Zuma's past 18 months, including the final salvoes of his legal battles, as well as his first year as President. New material in this edition also includes the 'Pedro' document (a document Zuma wrote in 1986), and accurate information on his wives and children.

toyota tazz: Slipping Lauren Beukes, 2016-11-29 A Punk Lolita fighter-pilot rescues Tokyo from a marauding art installation. A young architect's life is derailed by an inquisitive girl who happens to be a ghost. Loyalty to a favorite product can be addictive when it gets under your skin. In her edgy and satiric debut collection, award-winning South African author Lauren Beukes (The Shining Girls) never holds back. Ranging from Johannesburg to outer space, Beukes is a fierce and captivating presence in the literary landscape.
