Each meditation sets a scene based in Scripture and invites you to enter that scene personally as you pray. The number of days in the last week of Advent varies from year to year, but you'll find seven daily reflections to cover them all. The final meditation in the book is for Christmas Day. Each day, in a few short pages, Fr. Touns provides you with aids to help guide your prayer: A word - Focus on a single word each day to help you enter more deeply into that week's readings. A reflection - Explore each week's readings and enter more deeply into them. A prompt - Space is provided each day to journal. Record how the Lord is speaking to you this Advent.

daily scripture readings and meditations 2022: The Wisdom Way of Teaching Martin E. Schmidt, 2022-05-01 Immense challenges now face the global community. How can educators train the next generation of students to deal with the vast array of issues awaiting them in every sector of society? Written as a testimony to three decades of experimentation with these challenges in mind, Hong Kong International School humanities teacher Dr. Marty Schmidt draws upon the universal Wisdom tradition to propose pedagogical frameworks that combine what he calls the yang of social conscience with the yin of inner awakening. This yin-yang approach forms the basis of the The Wisdom Way of Teaching, which describes in curricular detail how to cultivate the whole person development of students. ENDORSEMENTS: "The Wisdom Way of Teaching is both a manifesto and a manual of what transformative education needs to be in the years to come. I felt inspired to read about the impact of a holistic curriculum that integrates service-learning and spiritual practice. Brick by brilliant brick, Marty Schmidt builds that all-important bridge between the inner world and the outer world. The principles and practices that Marty lays out in generous detail can be applied to classrooms of all kinds and ages. I wish every teacher could read this book!" — Fran Grace, University of Redlands "For secondary teachers and other educators working at the intersection of social justice and spirituality, Marty's book offers practical examples, creative activities, and cross-cultural teaching stories from a lifetime of impassioned teaching. Informed by his deep study of Eastern and Western spiritual traditions, this book comes from the heart of a teacher, infused with contemplative insight, and inspired by a love of the world — the broken world that is and the better world that could be." — Vachel Miller, Appalachian State University

daily scripture readings and meditations 2022: Overcome with Paschal Joy Mark G. Boyer, 2016-06-30 The Lent-Easter seasons cover one-fourth of the year, or 25 percent of the liturgical year. One of the many things we do as Roman Catholics is sing Lenten and Easter hymns. During Lent, we express our sorrow for sin as we pray, fast, and give alms. During Easter, we shout Alleluias at the end of many hymns to express our praise of God for having raised Christ from the dead. Thus, those who observe Lent and Easter sing religious hymns written for each season. The sounds of Lenten hymns in minor keys give way to Easter hymns in major ones. This book presents an exercise for every day of Lent and Easter that combines the daily Scripture texts from the

Lectonary for Mass with religious hymns sung during Lent and Easter. It is designed to be used by individuals for private prayer or by families for public prayer. A six-part exercise is offered for every one of the 135 entries: (1) the liturgical day, (2) the daily Scripture texts, (3) a verse from a traditional hymn, (4) a reflection, (5) a question for personal meditation, and (6) a concluding prayer.
