genesis coloring pages: Genesis Inspired Coloring Book Genesis Inspired Genesis Inspired Coloring Book, Adult Coloring Book, 2016-09-12 The basic narrative expresses the central theme: God creates the world (along with creating the first man and woman) and appoints man as his regent, but man proves disobedient and God destroys his world through the Flood. The new post-Flood world is equally corrupt, but God does not destroy it, instead calling one man, Abraham, to be the seed of its salvation. At God's command Abraham descends from his home into the land of Canaan, given to him by God, where he dwells as a sojourner, as does his son Isaac and his grandson Jacob. Jacob's name is changed to Israel, and through the agency of his son Joseph, the children of Israel descend into Egypt, 70 people in all with their households, and God promises them a future of greatness. Genesis ends with Israel in Egypt, ready for the coming of Moses and the Exodus. The narrative is punctuated by a series of covenants with God, successively narrowing in scope from all mankind (the covenant with Noah) to a special relationship with one people alone (Abraham and his descendants through Isaac and Jacob).

genesis coloring pages: From Adam to Noah in Coloring Pages Peshie Zinjiba-Nyakutya, 2012-10 The children's book From Adam to Noah in Coloring Pages: Genesis 1 to 9 provides a captivating way to introduce little ones to the Bible. Each story is told completely in pictures so even small children can understand. Meet the clever serpent deceiving Eve, the angry Cain killing Abel, and see Noah's ark floating on the great waters. The book's first story centers on God and explains the principle that God made everything. In the second tale, jealousy leads Cain to kill his brother.

And in the third story, Noah is the main character. God repays Noah's obedience by allowing Noah to find safety in the great flood. Born in Zimbabwe, first-time author Peshie Zinjiba-Nyakutya is now a physiotherapist in Botswana. A Sunday school teacher, she found it difficult to find material that would appeal to her students.
