For elite military cop Jack Reacher, that somewhere was Carter Crossing, Mississippi, way back in 1997. Reacher is ordered undercover to investigate the murder of a young woman. Evidence points to a U.S. soldier with powerful friends. Once in Carter Crossing, Reacher meets local sheriff Elizabeth Deveraux, who

has a thirst for justice and an appetite for secrets. Uncertain they can trust each other, they reluctantly join forces. Reacher works to uncover the truth, while others try to bury it forever. The conspiracy threatens to shatter his faith in his mission— and turn him into a man to be feared.

high heat lee child: *Past Tense* Lee Child, 2019-04-30 #1 NEW YORK TIMES BESTSELLER • THE BLOCKBUSTER JACK REACHER SERIES THAT INSPIRED TWO MAJOR MOTION PICTURES AND THE UPCOMING STREAMING SERIES REACHER Family secrets come back to haunt Jack Reacher in this electrifying thriller from “a superb craftsman of suspense” (Entertainment Weekly). Jack Reacher hits the pavement and sticks out his thumb. He plans to follow the sun on an epic trip across America, from Maine to California. He doesn’t get far. On a country road deep in the New England woods, he sees a sign to a place he has never been: the town where his father was born. He thinks, What’s one extra day? He takes the detour. At the same moment, in the same isolated area, a car breaks down. Two young Canadians had been on their way to New York City to sell a treasure. Now they’re stranded at a lonely motel in the middle of nowhere. The owners seem almost too friendly. It’s a strange place, but it’s all there is. The next morning, in the city clerk’s office, Reacher asks about the old family home. He’s told no one named Reacher ever lived in town. He’s always known his father left and never returned, but now Reacher wonders, Was he ever there in the first place? As Reacher explores his father’s life, and as the Canadians face lethal dangers, strands of different stories begin to merge. Then Reacher makes a shocking discovery: The present can be tough, but the past can be tense . . . and deadly. This edition includes an excerpt of Lee Child’s novel *Blue Moon*.

Reacher is on a Greyhound bus, minding his own business, with no particular place to go, and all the time in the world to get there. Then he steps off the bus to help an old man who is obviously just a victim waiting to happen. But you know what they say about good deeds. Now Reacher wants to make it right. An elderly couple have made a few well-meaning mistakes, and now they owe big money to some very bad people. One brazen move leads to another, and suddenly Reacher finds himself a wanted man in the middle of a brutal turf war between rival Ukrainian and Albanian gangs. Reacher has to stay one step ahead of the loan sharks, the thugs, and the assassins. He teams up with a fed-up waitress who knows a little more than she’s letting on, and sets out to take down the powerful and make the greedy pay. It’s a long shot. The odds are against him. But Reacher believes in a certain kind of justice . . . the kind that comes along once in a blue moon. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY EVENING STANDARD
