merrybet: GAMBLING: My Ordeal And Past Experience T C Wanyanwu, Are you aware that Gambling is not a handiwork, not a talent, not a skill, Gambling is a fake potential and Gambling is not for a Christian? Are you or a loved one battling with a gambling problem? Are you ready to learn how you can get back up when life knocks you down completely due to gambling addiction? Have

you really encountered difficulty in overcoming the urge to gamble? Discover the causes, warning signs and symptoms and learn how to stop. Gambling is one of the ploys of the wicked one to entangle end-time youth with quick money syndrome. This book presents a concise, yet detailed summary of the major lessons I've learned over the last few years fighting and conquering the spirit behind gambling menace. It's a journey that started since the year 2014 when I was in college at Mahatma Gandhi University, India. It is on record that nearly four in ten Nigerians (36%) gamble regularly, with up to 60 million Nigerians between the ages of 18 and 40 involved in daily sports betting, and they spend an average of 3,000 Naira every day on betting platforms. The current size of the market is estimated to be \$60 million. It is also on record that approximately 10 million people in the U.S. have a gambling problem, so you are not alone. It's important to understand your motive for gambling and avoid gambling temptations and triggers. The main reason why most people like to gamble is to make quick and easy money. Gambling by nature appeals to greed, and greed doesn't please God. Jesus condemned greed and mentioned it in lists of some very "ugly" sin (Mark 7:21-23). The Bible warns us that greed is destructive to our Christian lives (Ephesians 5:3). Note that money itself isn't evil, but being overeager to get a lot of it is dangerous. The desires that want to get more of what this world has to offer are actually the kinds of desires we're following when we choose to gamble. Remember, worldliness and Godliness is in enmity. How would you respond to someone who argues they only do a little gambling (e.g., Bet9ja or other sports betting) for fun, and they don't care if they win? Gambling in any form is highly addictive; for greed has the potential to master us and also to change our priorities from God to self. The whole point of Gambling is winning money; without that goal it has no purpose. It is dangerous to even get a little involved in an activity that can lead to greed, debt, stealing, lying, and even spiritual ruin. **THROUGH THIS BOOK, YOU ARE SURE TO GAIN:** ● A better understanding of how to deal with the temptation and overpowering the urge associated with gambling. ● Practical steps on how to stop gambling. ● The ability to develop a positive lifestyle as alternative to gambling ● Knowledge of the dangers of gambling as a lifestyle of the 21st century youth, the root causes and symptoms, consequences and how to discontinue. I promise that if you follow the step-by-step guidelines stipulated in this book, you will experience a significant improvement in your battle against gambling problem. I am certain of your quick recovery because the approach will surely work for you whether you're a national or foreigner, teenager, youth or adult, male or female gambler. This book is highly recommended for all especially anyone that have not been involved in gambling before but have the intentions to start gambling someday. "Show me a gambler and I will show you a loser". It is useful to all individual. Read & Share! Knowledge Liberates!

merrybet: Robbie de hand Raymond Feist, S.M. Stirling, 2011-11-22 Als kruimeldief leefde hij in de schaduwen van de stad... Dit derde en laatste deel van de Legendes vertelt het verhaal van kruimeldief Robbie, die onverwacht een grote rol krijgt in de geschiedenis van Krondor. Hoewel hij echt een van de besten in zijn vak is, en zeker beter dan zijn leeftijdgenoten, is Robbie toch echt niet meer dan dat: een kruimeldiefje. Tot hij prins Arutha helpt prinses Anita uit de klauwen van de zwarte hertog te redden, wat hem op een levensgevaarlijke vete met diens kornuiten komt te staan. Gesteld voor de keuze besluit Robbie zelf de stad te verlaten, liever dan in een verzwaaard vat op de bodem van de zee terecht te komen. Hij vlucht naar Land's End, waar hij met zijn vingervlugheid zijn kostje bij elkaar hoopt te kunnen scharrelen. Maar al snel brengen zijn bravoure en zijn grote mond hem weer in een lastig parket - een parket dat zijn dood wel eens zou kunnen worden...

merrybet: Gambling Problem among Nigerian Youth. A Short Update Akeem Adigun, 2020-06-25 Academic Paper from the year 2020 in the subject African Studies - Miscellaneous, Ahmadu Bello University (Department of Educational Psychology & Counselling), course: Guidance and Counselling, language: English, abstract: This paper presents the update on problem gambling among Nigeria youth; looking at its prevalence, forms, the industry, causes and effects, empirical review of previous studies and its counselling implications. Gambling among youth remains a salient problem that is less recognised as a social menace among education stakeholders and researchers. This is because it is a common phenomenon that is considered as recreational activity and even

legalised by Nigeria government through which revenue are generated (tax collected from the owners of various gambling companies). However, experts have noted that it causes more harm to the youth and the society than the good it may seem to portray.

A disillusioned and penniless author, Geoffrey Tempest, receives three letters. The first is from a friend who has come into fortune and may be able to offer financial help. The second is from a solicitor informing him he's inherited a fortune from a relative. The third is from Lucio, a foreign aristocrat who guides Tempest in using his new wealth.
