Join the author in seeking God in order to change one of the main aspects of life: career. Join Daniel in his quest to fulfil the dream promised by God: land of milk and honey. God asks him to change reasons for getting out of bed in the morning by putting Him first in everything: a distance to run, rather than remain home and read, stay away from pampering the indulgences. The author is a typical child born during the times of fading communist regimes. He is looking to go beyond the grey dream of command-economy-lifetime employment and the government pension. See how man-made plans are shattered and God's purpose remains thus fulfilling dreams of His children. The character is forever shaped by the battle. The battle for the sacrifice.

spiritual warfare prayers pdf: Spiritual Warfare Prayer Angela Jenette Rosas, 2017-03-28 Spiritual Warfare Prayer is vital to the fabric for a continual presence of the Kingdom of God upon its sovereignty. Spiritual prayers for the protection of a nation, its people, its borders, its region, its state, its city, its community and economic welfare are found throughout scriptures in the Bible. The art or design of prayer does not have to be conformed within any particular form or style, but rather a confident communication with God that Him alone provides the protection and covering for His people, home, ministry, borders, and nation. Spiritual Warfare Prayers are designed first and foremost to combat the constant attacks of the enemy and its host of demon spirits. But the prayer starts with the Body of Christ, and its Kingdom Citizenship that represents the church, that represents a community, that represents a home or family. With a strong and solid foundation from a small group of 2 to a multitude of thousands, a person or a people praying for to God, the Father, God the Son and God, the Holy Spirit, brings about a type of covering that surpasses conventional thinking or mindset. Praying against an enemy that the word of God says in 1 Peter 5:8 [AMP], Be well balanced (temperate, sober of mind), be vigilant and cautious at all times; for that enemy of yours, the devil, roams around like a lion roaring in fierce hunger, seeking someone to seize upon and devour. Prayer keeps that counterfeit lion, the devil at a distance. The words that are released in prayer against the enemy, becomes a barrage upon the types of garrisons or fortresses its demonic host try to erect to keep God's people from being free from the clutches of its nature.

spiritual warfare prayers pdf: Faith-Based Organizations in Transnational Peacebuilding Tanya B. Schwarz, 2018-03-23 How do faith-based organizations influence the work of transnational peacebuilding, development, and human rights advocacy? How is the political role of such organizations informed by their religious ideas and practices? This book investigates this set of questions by examining how three transnational faith-based organizations—Religions for Peace, the Taizé Community, and International Justice Mission—conceptualize their own religious practices, values, and identities, and how those acts and ideas inform their political goals and strategies. The book demonstrates the political importance of prayer in the work of transnational faith-based organizations, specifically in areas of conflict resolution, post-conflict integration, agenda setting, and in constituting narratives about justice and reconciliation. It also evaluates the distinctive strategies that faith-based organizations employ to navigate religious difference. A central goal of the book is to propose a new way to study "religion" in international politics, by actively questioning and reflecting on what it means for an act, idea, or community to be "religious."

spiritual warfare prayers pdf: Progressive Creation and the Struggles of Humanity in the Bible Zoltan Dornyei, 2018-03-22 Why does the Christian walk often feel like an ongoing struggle and why does God's creation include imperfection, let alone forces that are intent on thwarting God's creative work? In seeking a response to these questions, this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation. The following discussion then outlines a comprehensive framework for the biblical theology of humanity's struggles, centered on three key themes: corporeal temptation, deficient social structures, and the much-debated notion of spiritual warfare. The book presents an overarching canonical narrative that threads together a series of diverse biblical topics, from Job's temptation to the Atonement. The final part surveys biblical teaching on how human conduct can be aligned with God's creative purpose, and discusses three "assignments" from Jesus to believers: to celebrate the Eucharist, to pray the Lord's Prayer, and to fulfill the Great Commission.
