

middle school superlatives

Middle school superlatives are a beloved tradition in many schools across the country, serving as a fun and lighthearted way to celebrate the diverse personalities, talents, and quirks of students. These superlatives are often awarded during yearbook signing events, end-of-year celebrations, or school assemblies, providing students with an opportunity to highlight their peers in humorous, sincere, or heartfelt categories. Beyond mere entertainment, superlatives foster school spirit, encourage camaraderie, and help students reflect on their growth and experiences during their formative middle school years. This article explores the origins, popular categories, and the significance of middle school superlatives, offering insights into how they shape school culture and student relationships.

The Origins and Evolution of Middle School Superlatives

Historical Background

Superlatives have roots that trace back to traditional awards ceremonies and academic recognitions, where the best in various categories were celebrated. The concept gradually evolved into a more informal, humorous tradition in schools, especially in middle schools, during the 20th century. Yearbooks began incorporating superlative sections as a way for students to leave fun messages and highlight memorable traits of their classmates.

Transition into Middle School Culture

Middle school superlatives gained popularity as they provided a non-competitive, inclusive way to acknowledge students' unique qualities. The categories often ranged from "Most Likely to Succeed" to "Best Dressed," enabling students to showcase their personality and talents. Over time, the categories expanded to include both sincere and humorous titles, reflecting the diverse experiences of middle schoolers.

Popular Categories of Middle School Superlatives

Common Sincere Superlatives

These categories celebrate genuine traits and accomplishments of students, encouraging positive reinforcement.

- **Most Likely to Succeed:** Recognizes students expected to excel academically or professionally in the future.

- **Best All-Around:** Celebrates a student who excels in multiple areas, including academics, extracurriculars, and leadership.
- **Most Creative:** Honors students with exceptional artistic talents, originality, or problem-solving skills.
- **Most Kind:** Acknowledges students known for their compassion and friendliness.
- **Best Leader:** Recognizes students who take initiative and inspire others.

Humorous and Lighthearted Superlatives

These categories add humor and personality to the superlative section, often highlighting quirky traits.

1. **Class Clown:** For the student who keeps everyone laughing.
2. **Most Likely to Survive a Zombie Apocalypse:** A fun, imaginative category.
3. **Best Dancer:** Honors those with impressive or hilarious dance moves.
4. **Most Likely to Be Famous:** For students who dream big or have a charismatic aura.
5. **Best Snack Eater:** Recognizes students known for their love of snacks or food.

Unique and Creative Categories

Some schools create custom categories to reflect their unique student body and school culture.

- **Best Smile:** Celebrates positivity and friendliness.
- **Most Likely to Win an Olympic Gold Medal:** Recognizes athletic talent or competitive spirit.
- **Most Likely to Invent the Next Big Thing:** Honors innovation and creativity.
- **Best Dressed:** Highlights fashion sense and personal style.
- **Class Social Butterfly:** For students who are friendly and well-connected.

The Significance of Middle School Superlatives

Fostering School Spirit and Community

Superlatives serve as a unifying activity, encouraging students to celebrate each other's strengths and quirks. When students see their peers recognized, it fosters a sense of belonging and pride in their school community.

Building Confidence and Self-Esteem

Receiving a superlative, especially one that highlights a genuine trait like "Most Creative" or "Most Kind," can boost a student's confidence. It affirms their positive qualities and encourages ongoing personal development.

Encouraging Healthy Competition and Friendship

While superlatives are meant to be fun, they also introduce a playful form of competition that can motivate students to participate in school activities and improve their social skills. The shared experience of being part of these categories often leads to stronger friendships.

Creating Lasting Memories

Superlatives become cherished memories for students as they look back on their middle school years. These fun titles often appear in yearbooks, serving as a snapshot of who they were during this pivotal stage of life.

Considerations and Best Practices in Creating Superlatives

Ensuring Inclusivity and Positivity

To maintain a positive environment, educators and yearbook committees should carefully select categories that celebrate diverse talents and traits without singling anyone out negatively. Avoid categories that could be perceived as teasing or demoralizing.

Involving Students in the Process

Encouraging student input for categories and nominations ensures that the superlatives resonate with the student body and reflect their interests and personalities.

Balancing Humor and Sincerity

A mix of heartfelt and humorous categories creates a balanced and inclusive superlative section. It allows students to appreciate each other's strengths while also having fun with lighthearted titles.

Maintaining Respect and Sensitivity

It's vital to avoid categories that could hurt feelings or perpetuate stereotypes. Respect and kindness should guide the selection process.

The Impact of Middle School Superlatives on Students

Encouraging Self-Expression

Superlatives allow students to showcase what makes them unique, fostering self-awareness and confidence.

Promoting Recognition and Appreciation

Acknowledging peers' qualities helps build a culture of appreciation, where students feel valued beyond academic achievements.

Creating a Positive School Culture

When handled thoughtfully, superlatives contribute to a supportive and lively school environment, making middle school a memorable and enjoyable experience.

Conclusion

Middle school superlatives are more than just fun titles—they are a meaningful tradition that celebrates student diversity, fosters community, and creates lasting memories. When thoughtfully curated, they serve to uplift students, encourage camaraderie, and highlight the vibrant personalities that make each school unique. As middle school students navigate this transformative period, superlatives offer a playful yet powerful way to acknowledge their growth, talents, and individuality, setting the stage for confidence and community that can last well beyond their middle school years.

Frequently Asked Questions

What are middle school superlatives and how are they

typically used?

Middle school superlatives are fun awards given to students to highlight unique qualities or achievements, such as 'Most Likely to Succeed' or 'Best Dressed,' often during yearbook signings or school events.

How can I come up with creative superlative categories for my middle school yearbook?

Get inspired by students' personalities, hobbies, and inside jokes. Consider categories like 'Most Likely to Make You Laugh,' 'Best Dancer,' or 'Most Creative,' ensuring they are fun and inclusive.

Are there any tips for selecting appropriate and respectful superlatives?

Yes, choose categories that celebrate positive traits and avoid stereotypes or potentially embarrassing labels. Always aim to be kind, inclusive, and respectful of all students.

Can students vote for superlatives, and how is the process typically organized?

Yes, students often vote for their peers through surveys or ballots. The process is usually organized by teachers or yearbook staff to ensure fairness and to include a diverse range of categories.

What are some popular trending superlatives for middle school students in 2023?

Popular superlatives include 'Most Likely to Succeed,' 'Best Zoom Background,' 'Future Influencer,' 'Best TikTok Dancer,' and 'Class Clown,' reflecting current trends and student interests.

Middle School Superlatives: An In-Depth Exploration of a Timeless Tradition

Middle school superlatives are an enduring aspect of adolescent culture, serving as a fun and often meaningful way to recognize students for their unique qualities, achievements, and personalities. These awards, traditionally presented at yearbooks or year-end celebrations, encapsulate the vibrant diversity of middle school life and foster a sense of community and camaraderie among students. In this article, we will explore the origins, significance, types, and best practices surrounding middle school superlatives, providing educators, students, and parents with a comprehensive understanding of this cherished tradition.

The Origins and Evolution of Superlatives in Middle School

Historical Roots of Superlatives

Superlatives have their origins in Latin, stemming from the word *superlativus*, which means "most elevated" or "supreme." Historically, superlatives have been used in language and literature to denote the highest degree of a quality, such as "best," "most talented," or "most popular." Their adoption into school culture, particularly in the context of yearbooks and awards, began in the early 20th century as a way to celebrate student achievements and personalities in a lighthearted manner.

Initially, superlatives were more formal and often tied to academic or athletic accomplishments. Over time, however, they broadened to include humorous, quirky, and personality-based categories, reflecting the evolving social dynamics of adolescence.

Transition into Middle School Culture

In middle schools, superlatives serve as a bridge between childhood and adolescence, capturing the playful spirit of this transitional phase. They emerged as a way to recognize students not just for their grades, but for their unique traits—be it their sense of humor, kindness, or style. The tradition became especially popular in yearbooks, where students would vote on peers for various categories, fostering school spirit and camaraderie.

Over the decades, the format has diversified, with schools customizing categories to reflect their student body's personality, values, and humor. Today, superlatives are a staple of middle school yearbooks and end-of-year celebrations, embodying both recognition and humor.

Understanding the Purpose and Significance of Middle School Superlatives

Building Community and School Spirit

Superlatives are more than just awards; they are tools for building community. When students vote for their peers, they acknowledge qualities they appreciate or find amusing. This process encourages students to pay attention to one another, fostering a sense of belonging and mutual respect.

Furthermore, superlatives often serve as a shared memory for students, teachers, and staff, creating stories and inside jokes that last beyond graduation. They contribute to a positive school environment by highlighting diverse talents and personalities.

Encouraging Self-Expression and Confidence

Participating in superlative voting and acceptance can boost self-confidence. Recognizing a student as “Most Likely to Brighten Your Day” or “Best Dressed” affirms their individuality. Even humorous or lighthearted categories can help shy students feel seen and appreciated.

Additionally, superlatives allow students to express their creativity and personality, especially when they have a say in choosing categories or when they create personalized awards.

Celebrating Diversity and Individuality

A well-crafted set of superlatives can celebrate the diversity within a student body. Categories that recognize different strengths—such as “Most Artistic,” “Best Team Player,” or “Most Likely to Succeed”—ensure that multiple talents and qualities are acknowledged.

This inclusivity promotes a culture where every student feels valued for their unique contributions, fostering a more accepting and supportive school climate.

Popular and Creative Types of Middle School Superlatives

Superlatives can be divided into several broad categories: traditional, humorous, personality-based, academic, athletic, and themed. Here, we'll explore each, providing examples and insights into their significance.

Traditional Superlatives

These are categories that have stood the test of time, often reflecting notable achievements or qualities.

- Most Likely to Succeed: Recognizes ambition and potential.
- Best All-Around Student: Celebrates versatility and effort.
- Most Improved: Acknowledges growth over time.
- Class Clown: Honors humor and personality.
- Best Dressed: Highlights style and fashion sense.
- Most Likely to Be Famous: Playfully suggests future success.

Humorous and Quirky Superlatives

Humor is a key element in many superlatives, fostering a fun atmosphere.

- Best Hair: For students with distinctive or hilarious hairstyles.
- Most Likely to Survive a Zombie Apocalypse: A fun, imaginative category.
- Teacher's Pet (or Student's Favorite): Lighthearted, sometimes teasing.
- Most Likely to Forget Their Homework: For the forgetful or absent-minded.
- Class Napper: Recognizes students who love to rest during class.

Personality and Character-Based Superlatives

These categories celebrate individual traits and kindness.

- Most Kind: Recognizes compassion.
- Best Laugh: Celebrates infectious humor.
- Most Creative: For artistic or inventive students.
- Friendliest Face: For students who make others feel welcome.
- Most Likely to Brighten Your Day: Recognizes positivity.

Academic and Extracurricular Superlatives

Highlighting talents beyond personality.

- Top Math Whiz: For academic excellence in math.
- Most Likely to Win a Spelling Bee: Recognizes academic skills.
- Best Athlete: For sports prowess.
- Most Artistic: For creative talents.
- Most Likely to Write a Bestseller: For aspiring writers.

Themed and Unique Superlatives

Some schools create themed categories or personalized awards.

- Most Likely to Travel the World: For students with adventurous spirits.
- Future CEO: For future business leaders.
- Best Dancer: Recognizing dance talent.
- Most Likely to Save the Planet: For environmental advocates.
- Best Team Player: For collaborative students.

Best Practices for Creating Effective Middle School Superlatives

Designing superlatives that are fun, inclusive, and meaningful requires careful planning and

sensitivity. Here are some best practices:

Ensure Inclusivity and Respect

- Avoid categories that could embarrass or hurt students.
- Focus on positive traits and talents.
- Offer a wide variety of categories to reflect diverse strengths.
- Be sensitive to cultural differences and personal preferences.

Involve Students in the Process

- Allow students to suggest categories.
- Provide clear guidelines for voting to prevent bias or hurtful comments.
- Use anonymous voting to ensure honesty and fairness.

Balance Humor and Honor

- Mix lighthearted, humorous categories with serious, achievement-based ones.
- Celebrate personality, effort, and kindness alongside academic and athletic achievements.

Limit the Number of Categories

- Keep the list manageable to ensure meaningful participation.
- Focus on quality rather than quantity, typically 10-20 categories.

Recognize All Participants

- Ensure every student has a chance to be acknowledged.
- Consider including a “Most Likely to...” category for every student to promote inclusivity.

Presentation and Ceremony

- Announce superlatives during a fun event or assembly.
- Present certificates, crowns, or small trophies.
- Encourage positive reactions and sportsmanship.

The Impact of Middle School Superlatives on Students

While superlatives are primarily intended for fun, they can have lasting effects on students' self-esteem and school experience.

- Positive Reinforcement: Recognizing students' qualities can boost confidence.
- Creating Memories: Superlatives become part of school memories and stories.
- Encouraging Personal Growth: Categories like "Most Improved" motivate students to strive for self-improvement.
- Fostering Connection: Voting and celebrating peers strengthen relationships.

However, it's essential to ensure that superlatives remain light-hearted and inclusive, avoiding any potential for embarrassment or alienation.

Conclusion: Celebrating the Unique Spirit of Middle School through Superlatives

Middle school superlatives are more than just yearbook filler; they are a reflection of the diverse personalities, talents, and humor that define adolescence. When thoughtfully curated and executed, they serve as a celebration of individuality, a catalyst for school spirit, and a source of joyful memories that students carry into their future.

By emphasizing positivity, inclusivity, and creativity, educators can harness the power of superlatives to create a supportive and lively school environment. Whether recognizing academic excellence, personal traits, or just having a good laugh, superlatives remain a timeless tradition that captures the vibrant essence of middle school life.

Middle School Superlatives

middle school superlatives: *Teaching Your Secondary ELLs the Academic Language of Tests* r4Educated Solutions, 2011-10-05 A joint publication of Solution Tree and r4 Educated Solutions--Teach your English language learners unfamiliar language features before they encounter these words in core content areas and standardized test questions. Evidence-based, teacher-friendly lesson plan provide a practical framework for ensuring diverse learners have the same opportunity to achieve. This manual also supports content-area teachers in providing instruction for content-specific language skills. Each lesson plan provides background information for the teacher, implications for high-stakes testing, a list of materials, academic vocabulary, and activities.

middle school superlatives: *Idol Talk* Elizabeth Searle, Tamra Wilson, 2018-06-12 In the midst of acne, social anxiety and training bras are the teen idols that make adolescent life a little more bearable. Whether their cutouts are plastered on bedroom walls or hidden behind locker doors, there is no denying the impact of these stars on young women. This collection of new essays explores with tenderness and humor the teen crushes of the past 60 years--from Elvis to John

Lennon to Whitney Houston--who have influenced the choices of women, romantically or otherwise, well into adulthood.

middle school superlatives: Homework Helpers: English Language & Composition

Maureen Lindner, 2023-06-23 Essential preparation for the new SAT Writing and Grammar Section. Homework Helpers: English Language & Composition is a user-friendly review book that will make any student—or those trying to help them—feel like he or she has a private tutor. Each chapter includes detailed questions that allow students to assess how well they've mastered each idea. Not only does the author provide the right answers to these self-study questions, but also detailed explanations of why the wrong answers are wrong. When is a comma used? Why are some titles capitalized? How are dangling modifiers prevented? There are hundreds of grammatical and compositional rules, many of them difficult to understand and memorize. And just as many exceptions to the rules! Homework Helpers: English Language and Composition focuses on all aspects of writing, with clear lessons and exercises on: • Parts of speech • Punctuation • Tone • The writing process • Types of sentences • Types of essays • Revisions • Common errors to avoid Students from high school through college will find this book to be an essential writing tool. Younger students can follow the lessons from beginning to end to learn everything they need to know about language and composition. The more experienced student can pick and choose lessons and exercises according to need—especially if they're facing the new SAT. The Homework Helpers Series is just what students need to boost their confidence and give them the help they need to ace even the most challenging classes and tests.

middle school superlatives: Wren & Martin Middle School English Grammar and Composition

P.C.WREN, Primary School English Grammar & Composition (PSEGC) and Middle School English Grammar & Composition (MSEGC) is a set of two books designed to be used as a prequel to the highly popular English grammar reference book, High School English Grammar & Composition. Both PSEGC and MSEGC provide ample guidance and practice in sentence building, correct usage, comprehension, composition and other related areas so as to equip the learners with the ability to communicate effectively in English.

middle school superlatives: A Curriculum for the Middle School Years John H. Lounsbury,

Gordon F. Vars, 1978

middle school superlatives: The Farm at Holstein Dip Carroll Engelhardt, 2012-08-15

Carroll Engelhardt brings us into the world of his fourth-generation farm family, who lived by the family- and faith-based work ethic and concern for respectability they inherited from their German and Norwegian ancestors. The Farm at Holstein Dip is both a loving coming-of-age memoir and an educational glimpse into rural and small-town life of the 1940s and 1950s.--Page 4 of cover.

middle school superlatives: Narcissism and Sexuality Ken Silvestro, 2018-12-17 Everyone, by virtue of possessing a psychology and being a child, embodies narcissistic tendencies. Not everyone, however, is narcissistically wounded. A narcissistic wound can manifest in many expressions, from personality dysfunctions to rage. This book differentiates between a severe narcissistic disorder and a narcissistic wound, focusing on one common expression—sexuality. Narcissistic sexual expressions are portrayed in sexual experiences, myths, fairy tales, legends and the practicalities of personal relationships, which serve to amplify the theory and experiential descriptions. The psychological foundation throughout the book, analytic psychology, was developed by Carl Jung. The images presented assist the reader in forming a deeper understanding of the theme. The primary psychological concepts presented include Self, False-Self, narcissistic wound, origin of the wound, inability to relate to another person, sexual interludes to satisfy the narcissistic wound, anima (a psychological source similar to the Chinese construct of Yin) and Eros (a psychological function of relationship). Two-thirds of the book presents a Jungian analysis of a client, addressing a narcissistic wound. Fifty-four dreams and interpretations illuminate the analytic process. This material provides an in-depth perspective of a seldom understood and shared process—analysis. The content presented here is timely for many reasons. Western societies, particularly the US, display increasing narcissistic behaviors and expressions. Presenting narcissism from one particular

expression—sexuality—can enhance the collective awareness of this issue.

middle school superlatives: *Transforming Middle Level Education* Judith L. Irvin, 1992

middle school superlatives: *The String Teacher's Cookbook*, 2008 (Meredith Music Resource). This valuable collection of deeply insightful strategies is like finding expert trade secrets all placed together in one easy, quick-to-read source. Contributors to the book were even eager to get a look at each other's ideas! With outstanding records of performance, workshops, recordings, research, composition, leadership, and teaching, the 57 authors provide their favorite recipes that range from overviews of successful programs to specific topics that will inspire all levels and types of ensembles and performers.

middle school superlatives: *South Carolina's Turkish People* Terri Ann Ognibene, Glen Browder, 2018-04-15 The story of misunderstood immigrants and their struggle to gain recognition and acceptance in the rural South Despite its reputation as a melting pot of ethnicities and races, the United States has a well-documented history of immigrants who have struggled through isolation, segregation, discrimination, oppression, and assimilation. South Carolina is home to one such group—known historically and derisively as the Turks—which can trace its oral history back to Joseph Benenhaley, an Ottoman refugee from Old World conflict. According to its traditional narrative, Benenhaley served with Gen. Thomas Sumter in the Revolutionary War. His dark-hued descendants lived insular lives in rural Sumter County for the next two centuries, and only in recent decades have they enjoyed the full blessings of the American experience. Early scholars ignored the Turkish tale and labeled these people tri-racial isolates and later writers disparaged them as so-called Turks. But members of the group persisted in claiming Turkish descent and living reclusively for generations. Now, in *South Carolina's Turkish People*, Terri Ann Ognibene and Glen Browder confirm the group's traditional narrative through exhaustive original research and oral interviews. In search of definitive documentation, Browder combed through a long list of primary sources, including historical reports, public records, and private papers. He also devised new evidence, such as a reconstruction of Turkish lineage of the 1800s through genealogical analysis and genetic testing. Ognibene, a descendant of the state's Turkish population, conducted personal interviews with her relatives who had been in the community since the 1900s. They talked at length and passionately about their cultural identity, their struggle for equal rights, and the mixed benefits of assimilation. Ognibene's and Browder's findings are clear. South Carolina's Turkish people finally know and can celebrate their heritage.

middle school superlatives: *Schemas of the Prince* Prince Tholysses, 2013-07-25 This work is simply a nightly reminder of how to balance the natural beauty of being human. Throughout life we all experience things that may be expected to happen because of our actions. However we must also be aware that life is expected to be unpredictable. One must keep in mind that nobodys perfect and everyones different. Whatever one finds to do, one must do with all of ones strength so there will not be any regrets. Then one can rest peacefully while staying encouraged to move forward on the ever adventurous journey of knowing thyself.

middle school superlatives: *Weird but Normal* Mia Mercado, 2020-05-19 “As a deeply uncomfortable depressed Midwest person, I relate to this excruciatingly hilarious book more than I’d like to admit.” —Samantha Irby, New York Times-bestselling author who still has a blog Birth control. Body hair removal cream. Boobs. It’s all weird, but also pretty normal. Navigating racial identity, gender roles, workplace dynamics, and beauty standards, Mia Mercado’s hilarious essay collection explores the contradictions of being a millennial woman, which usually means being kind of a weirdo. Whether it’s spending \$30 on a candle that smells like an ocean that doesn’t exist, offering advice on how to ask about someone’s race (spoiler: just don’t, please?), quitting a job that makes you need shots of whiskey on your lunch break, or finding a more religious experience in the skincare aisle at Target than your hometown Catholic church, Mia brilliantly unpacks what it means to be a professional, absurdly beautiful, horny, cute, gross human. Essays include: Depression Isn’t a Competition but Why Aren’t I Winning? My Dog Explains My Weekly Schedule Mustache Lady White Friend Confessional Treating Objects Like Women With sharp humor and wit, Mia shares the

awkward, uncomfortable, surprisingly ordinary parts of life, and shows us why it's strange to feel fine and fine to feel strange. "Mia Mercado's writing is hilarious, warm, relatable, confessional and emotional. Her writing leaps off the page!" —Megan Amram, writer/producer of *The Good Place* & *The Simpsons* "Wry, cutting, often silly . . . Fans of Samantha Irby and Sloane Crosley will want to take a look at this feminist, millennial, and comedic delight." —Booklist "Mercado's collection of essays will make you laugh out loud at the ridiculous truths of being a human." —Ms. Magazine

middle school superlatives: African American Students' Career and College Readiness

Jennifer R. Curry, M. Ann Shillingford, 2015-10-08 College and career readiness is essential to promoting the success of all students. Educational and economic changes in today's society demands well thought out strategies for preparing students to survive academically, socially, and financially in the future. African American students are at a disadvantage in this strategic planning process due to a long history of racism, injustice, and marginalization. *African American Students' Career and College Readiness: The Journey Unraveled* explores the historical, legal, and socio-political issues of education affecting African American students and their career and college readiness. Each chapter has been written based on the authors' experience and passion for the success of students in the African American population. Some of the chapters will appear to be written in a more conversational and idiomatic tone, whereas others are presented in a more erudite format. Each chapter, however, presents a contextual portrayal of the contemporary, and often dysfunctional, pattern of society's approach to supporting this population. Contributors also present progressive paradigms for future achievements. Through the pages of this book, readers will understand and hopefully appreciate what can be done to promote positive college bound self-efficacy, procurement of resources in the high school to college transition, exposure and access to college possibilities, and implications for practice in school counseling, education leadership, and higher education.

middle school superlatives: *The Munda Languages* Gregory D.S. Anderson, 2015-04-08 The Munda group of languages of the Austroasiatic family are spoken within central and eastern India by almost ten million people. To date, they are the least well-known and least documented languages of the Indian subcontinent. This unprecedented and original work draws together a distinguished group of international experts in the field of Munda language research and presents current assessments of a wide range of typological and comparative-historical issues, providing agendas for future research. Representing the current state of Munda Linguistics, this volume provides detailed descriptions of almost all of the languages in the family, in addition to a brief chapter discussing the enigmatic Nihali language.

middle school superlatives: California and the Making of Modern Sport Joel S. Franks, 2025-09-30 This book examines the importance of California - a socio-cultural, economic and political powerhouse - in the history of modern sport. It argues that California has had a profound influence, for better or worse, on the way that not only America but also the wider world plays sport and spends money to watch others play. The book traces the history of sport in California from the mid-nineteenth century to the present, and looks at how the state's historical development, its climate, and its unique racial and ethnic demographics have influenced sport at the elite level and in the wider community. It considers the importance of spatial politics and cultural citizenship in the development of Californian sport, and tells the story of how franchises such as the 49ers and the Lakers, as well as individual athletes such as Jackie Robinson and Billie Jean King have had a profound influence on the way their sports have been consumed, across America and in the wider world. The book also takes a close look at the impact of mega-sporting events in the Californian story, providing historical context for the LA 2028 Olympic Games and tracing the full arc of the 'Californization' of modern sports. This is fascinating reading for anybody with an interest in sport history, American history, social and cultural history, or the relationship between sport and wider society.

middle school superlatives: **The Magazine Article** Peter Jacobi, 1997 ... this is surely one of the more thoughtful books on magazine journalism. Highly recommended. -- Library Journal An excellent how-to, guaranteed to satisfy requests from would-be authors. -- Booklist ... provides

writers with hundreds of ideas to help stimulate their creative approach to magazine article writing.

- WRITERS' Journal All kinds of writers will want to keep this volume on their handiest reference shelf.
- Arts Indiana For any aspiring magazine writer, or even a practiced one, this book is a treasury of inspiration and solid, eye-opening instruction.
- Herald-Times More than just another writer's guide to marketing an article, or coming up with salable ideas, [the book] is actually an idea promoter in that it illustrates the basic principles of good magazine article writing, uses examples from well-known publications, and offers strategies for leading into an involving piece.
- The Midwest Book Review In this indispensable text, veteran journalist Peter Jacobi offers students hundreds of ideas to help them become more creative in their approach to thinking, planning, and writing magazine articles. Packed with useful advice and top-notch examples, this book takes a practical, hands-on approach to help beginning writers turn everyday subjects into compelling features.

middle school superlatives: *Testimonials* Linda C. Brown, 2014-04-01 TESTIMONIALS Triumph in Jesus Testimonial Tanta Brown, daughter of Author, Linda Brown, was diagnosed with Brain Cancer in 2005 and today enjoys a cancer-free, Christian life as an Entrepreneur. Believe ye that I am able to do this... Then touched he their eyes, saying. According to your faith to be it unto you. And their eyes were opened. Matthew 9:28B-29, 30A Trusting Jesus This author has learned through pain, through sickness, and through death: faith and trusting God, conquers all of life's adversities. Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths. Proverbs 3:5-6 Thanking and Praising God Ms. Brown shares testimonials in thanksgiving and praises to God for what He has done, formed, and brought to pass in her life and her family's life. Make a joyful noise unto the Lord, all the earth: make a loud noise, and rejoice, and sing praise. Psalm 98:4

middle school superlatives: *Mass Education and the Limits of State Building, c.1870-1930* L. Brockliss, N. Sheldon, 2012-02-21 The first comparative study of the spread of mass education around the world in the late nineteenth and early twentieth centuries, this unique new book uses a bottom-up focus and demonstrates, to an extent not appreciated hitherto, the gulf between the intentions of the government and the reality on the ground.

middle school superlatives: *Masculinity and the British Organization Man since 1945* Michael Roper, 1994-01-20 The post-war period is often regarded as a time when Britain underwent its managerial revolution, the family firm and the gentleman amateur giving way to the large bureaucracy and the trained management expert. Yet the conception of modern management as an objective process could hardly be further from the truth. Drawing on detailed life-history interviews with the post-war generation of organization men, this study explores the intimacies that operate among men in management. It argues that despite the rise of professional management, relations between managers continue to function in highly subjective ways. The pleasure of technical innovation or of seeing a new product through to the market, the mixture of rivalry and patronage that surrounds management succession, the hard bargaining of industrial relations: at every level, managerial functions involve the dramatization of emotions among men. By challenging the enduring myth of the rational organization man, this book sheds new light on gender segregation in management. It argues that the exclusion of women from senior positions cannot be understood simply as the outcome of unprofessional practices. A focus on the emotional relations between male managers reveals the psychic dimensions of exclusionary behaviour. An emotional economy

flourishes among men in management, but its workings have been hidden by the myth of the rational organization man.
