surah al kahfi pdf: *Al Quran Bukan Da Vinci's Code* Khulqi Rashid, 2008-01-02 Pada tahun 1972, dalam upaya merestorasi Masjid Agung San'a, Yaman, para kuli bangunan yang bekerja di antara struktur bagian dalam dan luar atap, tanpa sengaja menemukan "kuburan kertas". Ternyata, di dalam "kuburan kertas" itu ditemukan codex (manuskrip kuno dalam bentuk buku) Al-Quran. Temuan ini kemudian digunakan oleh seorang penulis, Toby Lester, untuk mempertanyakan keaslian Al-Quran. Tulisan Lester dengan judul "What is the Koran?", yang dimuat di jurnal The Atlantic Monthly edisi Januari 1999, itu langsung menyulut kontroversi. Belum reda isu tersebut, pada tahun 2000, seorang Profesor Bahasa Semitik, Christoph Luxenberg, menerbitkan sebuah buku yang didasarkan pada temuan di Masjid Agung San'a tersebut. Buku itu terbit dalam bahasa Jerman dengan judul *Die Syro-Aramaeische Lesart des Koran: Ein Beitrag zur Entschluesselung der Koransprache* (Qira'ah Syria-Aramaik: Upaya Menjelaskan Bahasa Al-Quran), yang mengungkapkan bahwa versi Al-Quran yang ada saat ini salah salin dan berbeda dengan teks aslinya. Buku Luxenberg ini pun kemudian menyulut kontroversi setelah majalah Newsweek, edisi 28 Juli 2003, memberitakannya dalam judul "Challenging the Qur'an". Buku Al-Quran Bukan Da Vinci's Code ini menyoroti secara terperinci dua tulisan mengegerkan tersebut dan menunjukkan bahwa Kitab Suci umat Islam, Al-Quran, bukanlah kitab suci yang kemudian lembek atau menjadi kitab biasa yang tak berwibawa dengan adanya tuduhan-tuduhan itu. Setelah di bab pertama buku ini membahas tuduhan-tuduhan tersebut, bab kedua dan ketiga buku ini mengungkapkan keautentikan Al-Quran dan mukjizatnya yang disampaikan oleh tokoh-tokoh baik Muslim maupun non-Muslim yang memiliki kompetensi di bidang itu. surah al kahfi pdf: *Surah Al-Kahf: Text, Translation and Modern Commentary* Imran HOSEIN, 2020-12-16 As the war on Islam intensifies, and as the day approaches when the imposter Euro-Jewish State of Israel would make its bid to become the ruling State in the world, and the false Messiah (i.e., Dājjal) would rule the world from Jerusalem and declare that he is the true Messiah, I fear that there would be many, particularly governments which declare their friendship for USA and hence for Israel, who would want to ban books on the Qur'ān. I therefore pray most humbly, and ask my gentle readers to also kindly join in the prayer, that Allah Most High might protect books (such as this humble quartet of books on Sūrah al-Kahf) that use the blessed Qur'ān to explain, to expose and to challenge those in the godless modern age who are waging wicked war on Islam. Āmīn. This first volume of four, containing 'Text Translation and Modern Commentary of Sūrah al-Kahf', makes its appearance just before our main work on the subject entitled 'Sūrah al-Kahf and the Modern Age' is to be published, and is meant to function as a companion volume to that main work. We propose, Insha Allah, to publish a third and fourth volume on this subject in which we would like to offer to the reading public a comprehensive and credible modern interpretation of the Ahadīth and Qur'anic verses dealing (directly and indirectly) with the critically important topics of Dajjāl the false Messiah or Anti-Christ, and of Gog and Magog. If any such books have already been written and published, they must be very few indeed.

surah al kahfi pdf: *Surah Al-Kahf* Authenticate Ulama's Organization, 2016-08-17 Surah al Kahf (kahf meaning cave) is a Makkan surah, and consists of one hundred and ten verses arranged in twelve sections. The surah has been named kahf due to a major theme therein describing the ordeal of some youths who were forced to flee into a cave to escape the persecution of their pagan village and leader. The surah then narrates the story of the Ashab al-Kahf (companions of the Cave). These companions were a group of youths who had faith in Allah Ta'ala at a time when all around them did not believe in Him. Allah Ta'ala protected them by giving them sanctuary from the oppressive rule of the king in a cave. Allah Ta'ala then made their ordeal a lesson for eternity by putting them to sleep for a period of three hundred years, to escape the tyranny of their time to awake in a time where their example would serve to strengthen the faith of the living. The surah then describes a dialogue between two people. One was arrogant, and the other was God-fearing. Through the dialogue the surah establishes the absurdity of unfounded hopes in this world, simply because there is no guarantee in man getting his way - as he does not possess the power to make anything happen. The former boasts of his wealth and gardens, and he believes that his wealth and

power is everlasting, and even the Day of Judgment if it ever comes, will not deprive him of his wealth and possessions. Allah Ta'ala makes it clear that the things of this world are perishable and only faith and good deeds will survive to be profitable. The surah then narrates the Story of the Prophet Musa A.S. (Moses) and the mysterious servant of Allah, Khidr. The incident highlights the limitations of man's knowledge, especially in regard to what is beyond his sight, whether it be in distance or in the time that is yet to pass. The surah concludes with Allah's Ta'ala command to the Messenger PBUH to declare that he is a human being and that when he proclaims Allah's unity, he does so because this knowledge has been revealed to him by Allah Ta'ala. and he who seeks success in the hereafter should do good deeds and not ascribe any partner to Allah Ta'ala.
