jin shin jyutsu manual pdf: *The Art of Jin Shin* Alexis Brink, 2019-06-25 Balance your body, mind, and spirit and heal yourself with your own hands using this clear, step-by-step illustrated guide to the practice of the ancient Japanese healing art of Jin Shin—written by a trained expert with nearly three decades of experience. You might be surprised to learn that the majority of today's most common ailments including anxiety, backaches, colds and flu, digestive issues, immune disorders, migraines, and insomnia, can be alleviated naturally by restoring and harmonizing blocked, stagnant energy. The art of Jin Shin, based on the Japanese healing art of energy medicine, is practiced throughout the world. While related to acupressure and massage therapy, this holistic practice uses only minimal pressure and gentle touching with the fingers and hands to redirect or unblock the flow of energy along the body's fifty-two points (twenty-six on each side of the body)—called Safety Energy Locations, or SELs—areas where energy tends to get congested. This simple, non-invasive process allows your body's energy to flow smoothly, and with balance restored, you will experience a sense of wellbeing and calm. The Art of Jin Shin explains all the basics of this healing art and provides you with the knowledge you need to practice it on yourself—with exercises ranging from simply holding a finger for a few minutes to spending twenty minutes to harmonize a specific circulation pattern. Whether you desire a deeper understanding of the body/mind/spirit connection or want to create a daily Jin Shin maintenance routine the power is literally at your fingertips.

jin shin jyutsu manual pdf: *Jin Shin Healing Touch* Tina Stümpfig, 2020-05-26 A full-color, step-by-step guide to the simple two-point touch method of Jin Shin Jyutsu for quick relief from many common conditions and injuries • Details the 52 energy points of Jin Shin Jyutsu, called Safety Energy Locks (SELs), where energy is most likely to become blocked along the body's energy pathways and where it is also most easily released • Explains the sequence of points to hold and the appropriate finger mudras (positions) to address specific ailments, conditions, and injuries as well as stimulate the body's self-healing response and harmonize energy flow • Includes concise yet detailed instructions and clear illustrations of the energy points and sequences A gentle self-help method for harmonizing energy flow, strengthening the immune system, and stimulating the body's self-healing response, Jin Shin Jyutsu is an ancient Japanese healing art akin to an easier form of acupressure. The system centers on the 52 Safety Energy Locks (SELs) of the body's energy pathways, points where energy tends to become stuck easily and thus can also be released easily, usually by holding just two energy points simultaneously. In this full-color guide to Jin Shin Jyutsu, complete with detailed step-by-step illustrations, experienced practitioner Tina Stümpfig explains how to hold the SEL points in easy sequences to address specific ailments, conditions, and injuries. She also details a variety of finger mudras (finger holds) that can serve as shortcuts for bringing awareness to and alleviating a number of issues, such as anxiety, insomnia, digestive problems, and back pains. The author describes the major overarching energy flows of the body and shows how, when a pathway becomes blocked, the energy ceases to flow freely and stagnates. Initially the channel is only blocked locally, though in the long run a blockage creates imbalance along the entire energy pathway and can thus affect the whole body. Using Jin Shin Jyutsu to work with the SELs allows you to quickly and easily release these energetic blockages, both acute or chronic. The polarity of the energy flow in our hands--energy flowing out on the right, flowing in on the left--functions like a starter cable that reestablishes broken energy links. At the same time, conscious breathing allows us to deepen our cosmic awareness and understanding of issues connected to the SELs on the inner level. Whether you are facing allergies, exhaustion, pain, or inflammation, the healing touch of Jin Shin Jyutsu offers a simple self-help tool that can quickly alleviate and soothe symptoms, kickstart

the healing process, and improve overall health.
