nonconformist and strikingly handsome intellectual, Mike Mentzer, rose to the top of his sport despite opposition from industry insiders like rival Schwarzenegger. Written by his close friend of two decades, *Mike Mentzer: American Odysseus* chronicles Mentzer's journey in a fiercely competitive world to become one of the most iconic bodybuilders of all time. **REBEL.**

PHILOSOPHER. BODYBUILDING ICON. Mike Mentzer was a strikingly handsome man with a brilliant mind and a "perfect" physique — the first bodybuilder to receive a perfect score in both amateur and professional competitions. He became a pariah in the fitness industry (which only cared about selling supplements and other products) but a hero to legions of fans who earnestly sought truth. *Mike Mentzer: American Odysseus* is the first biography of Mike Mentzer to appear in North America written by his close friend of 21 years, John Little, "one of the leading fitness researchers in North America" (*Iron Man* magazine). Drawing upon audio recordings, letters, diary excerpts, as well as interviews with those closest to him, this is the true story of one man who stood up to an entire industry — and paid the ultimate price.
