rodgers and hammerstein s cinderella script pdf: Rodgers & Hammerstein's Cinderella Richard Rodgers, Oscar Hammerstein, 2021-01-29 The timeless enchantment of a magical fairy tale is reborn with the Rodgers & Hammerstein hallmarks of originality, charm, and elegance. Originally presented on television in 1957 starring Julie Andrews, Rodgers & Hammerstein's Cinderella was the most widely viewed program in the history of the medium. Its re-creation in 1965 starring Lesley Ann Warren was no less successful in transporting a new generation to the miraculous kingdom of dreams-come-true, and so was a second remake in 1997, which starred Brandy as Cinderella and Whitney Houston as her Fairy Godmother. In 1956 Richard Rodgers and Oscar Hammerstein II were indisputably the world's most successful writers of musicals. Julie Andrews was a sparkling new star, having just triumphed in *My Fair Lady*. When her agent approached Rodgers and Hammerstein and suggested that the television audience would welcome a musical version of Cinderella, it was an irresistible temptation for all. Everything about the project was right from the start. The CBS production team was quickly assembled. Richard Lewine, a distant cousin of Rodgers and a close friend, was the producer, Ralph Nelson the director. Howard Lindsay and his wife, Dorothy Stickney, were signed for the King and Queen; Jon Cypher played the Prince; the Stepmother and Stepsisters were made less frightening and more comic by Ilka Chase, Kaye Ballard and Alice Ghostley; rather than the standard old crone, the beautiful Edie Adams played the Godmother. Rodgers and Hammerstein approached the story with the honesty and simplicity that characterized all their work. They purposely did not seek to improve a story they felt was dramatically sound, as many writers are prone to do, instead concentrating on bringing the characters to life. Rodgers wrote in his autobiography *Musical Stages*, In writing the story and the songs, Oscar and I felt that it was important to keep everything as traditional as possible, without any 'modernizing' or reaching for psychological significance. When Hammerstein was asked where he found the version of Cinderella story he based his adaptation upon, he answered, I looked it up in the encyclopedia. The marriage of music, lyrics and story in Cinderella exemplified their artistic philosophy; all elements held together integrally to illuminate the characters. As Rodgers explained, Although a few of its songs have become popular, our score for Cinderella is another example of what theatre music is really about. No matter what the medium, a score is more than a collection of individual songs. It is, or should be, a cohesive entity whose word and music are believable expressions of the characters singing them...Like a symphony, concerto or opera, some portions have greater appeal than others, but it is the work as a whole that makes the overall impression. Cinderella succeeded. When it was broadcast on March 31, 1957, it was viewed by more people than any other program in the history of

television.

Originally presented on television in 1957 starring Julie Andrews, Rodgers & Hammerstein's Cinderella was the most widely viewed program in the history of the medium. Its recreation in 1965 starring Lesley Ann Warren was no less successful in transporting a new generation to the miraculous kingdom of dreams-come-true, and so was a second remake in 1997, which starred Brandy as Cinderella and Whitney Houston as her Fairy Godmother. As adapted for the stage, with great warmth and more than a touch of hilarity, this romantic fairy tale still warms the hearts of children and adults alike. This Enchanted Edition is inspired by the 1997 teleplay. Rodgers and Hammerstein's Cinderella premiered in a live television broadcast on March 31, 1957, starring Julie Andrews, a sparkling new star who had just triumphed in *My Fair Lady*. Richard Lewine, a distant cousin and close friend of Rodgers, produced and Ralph Nelson directed. Real-life spouses Howard Lindsay and Dorothy Stickney played the King and Queen; Jon Cypher played the Prince; Ilka Chase, Kaye Ballard and Alice Ghostley played the comical Stepmother and Stepsisters; and Edi Adams played the Fairy Godmother. Rodgers and Hammerstein approached the story with the honesty and simplicity that characterized all their work, and Cinderella was a smash hit. The live broadcast was viewed by more people than any other program in the history of television. In 1997, Cinderella was remade for television in a production adapted by Robert L. Freedman and directed by Robert Iscove, with choreography by Rob Marshall. Produced by Whitney Houston and Debra Martin Chase for Walt Disney Television, Rodgers and Hammerstein's Cinderella aired on November 2, 1997. This version featured a diverse cast, with Brandy Norwood as Cinderella, Whitney Houston as her fairy godmother, Bernadette Peters as Cinderella's stepmother, Paolo Montalbán as the prince, Whoopi Goldberg as the queen, Victor Garber as the king and Jason Alexander as Lionel, the herald. Several songs were added, including *The Sweetest Sounds* from *No Strings*, sung by Cinderella and the Prince, and *There's Music in You*, written for the 1953 film *Main Street to Broadway*, sung as the finale by the Fairy Godmother. Sixty million viewers watched the broadcast, making it the most-watched television musical in decades, and earning ABC its highest Sunday-night ratings in 10 years.
