This book is your perfect companion—simple, concise, and based on trusted official sources. Read what everyone's saying about my books: Your kids will love this, but you will learn a lot too! I was often surprised by things in this book! . Reader review, ██████ Abu Bakr was one of the first to stand by Muhammad. The friendship of him and Muhammad made this story more personal and at times emotional than I was expecting. While I've heard how important Abu Bakr was before, I didn't understand his character until reading this. Although he was born wealthy, he cared more about Allah and other people than money. This book is very easy to follow and helped me get a fuller perspective on early Islam. Reader review, ██████ As a Muslim I was aware of the story of abu bakr siddik but never in this way. This book tells the story in a way that will make you really understand why he is remembered as The truthful from believing in the first words of the prophet (peace be upon him) to his last days. He really taught us a great lesson in self mastery in the darkest of times; when he held the umma together at the death of the prophet (peace be upon him) even though he was his life companion and best friend, he didn't allow himself to grief until he was all alone by himself at his home. This book was a wonderful read especially now in Ramadan, I highly recommend it. Reader review, ██████ Inside this all-in-one guide, you'll find: How to prepare spiritually, financially, and physically The latest requirements for health, vaccines, and permits A complete step-by-step breakdown of all rituals Essential duas (supplications) in Arabic pronunciation with translations Advice for women, elderly, and first-time travelers Manners, etiquette, and tips to avoid common mistakes Important government links and mobile apps to help you plan Whether you're going alone or with a group, this book simplifies your journey—from Ihram to Tawaf, from Mina to Arafah, and back home again with a renewed soul. Based on official Saudi Hajj and Umrah guidelines (haj and nusuk), this is a must-have reference for every pilgrim who wants to perform their worship correctly, confidently, and with peace of mind.

In addition, the book addresses the use of ABA in education and explores compliance training, on-task behavior, teaching play and social skills, listening and academic skills, technology, remembering and cognitions, picture-based instruction, foreign language instruction, teaching verbal behavior, public speaking, and vocational skills. In addition, the book covers treatments for tics, trichotillomania, stereotypies, self-injurious behavior, aggression, and toe walking. It also addresses ABA for special populations, including individuals with autism, ADHD, substance abuse, and intellectual disabilities. Featured areas of coverage include: Basic assessment methods, such as observing behavior, treatment integrity, social validation, evaluating physical activity, measuring sleep disturbances, preference assessment, and establishing criteria for skill mastery. Functional assessment, including how to quantify outcomes and evaluate results, behaviors that precede and are linked to target behaviors, and treatments. Treatment methods, such as token economies, discrete trial instruction, protective equipment, group-based and parent training as well as staff training and self-control procedures. Health issues, including dental and self-care, life skills, mealtime and feeding, telehealth, smoking reduction and cessation, and safety training. Leisure and social skills, such as cellphone use, gambling, teaching music, sports and physical fitness. The Handbook of Applied Behavior Analysis is a must-have reference for researchers, professors, and graduate students as well as clinicians, therapists, and other professionals in clinical child and school psychology, child and adolescent psychiatry, social work, behavioral therapy and rehabilitation, special education, developmental psychology, pediatrics, nursing, and all interrelated disciplines.
