

war horse movie questions

war horse movie questions are a common topic among film enthusiasts, students studying cinema, and fans of the beloved war drama. The movie "War Horse," directed by Steven Spielberg and based on the novel by Michael Morpurgo, has captivated audiences worldwide with its powerful storytelling, compelling characters, and breathtaking cinematography. As viewers watch this emotional journey through the turmoil of World War I, many find themselves pondering various aspects of the film—from its plot intricacies and character development to its historical accuracy and underlying themes. This comprehensive guide aims to explore the most frequently asked "War Horse" movie questions, providing detailed answers and insights to deepen your understanding and appreciation of this cinematic masterpiece.

Overview of War Horse Movie Questions

Understanding the layers of "War Horse" involves exploring a wide array of questions. These range from basic plot inquiries to more nuanced discussions about symbolism, production choices, and historical context. Whether you're preparing for a quiz, writing an essay, or just seeking to satisfy your curiosity, this section will serve as a valuable resource.

Common War Horse Movie Questions and Answers

1. What is the main plot of War Horse?

The primary storyline of "War Horse" follows a young man named Albert Narracott and his beloved horse, Joey. Set against the backdrop of World War I, the film chronicles Joey's journey through the chaos of war, as he is sold to the army and sent to the front lines. Meanwhile, Albert enlists in the military in hopes of reuniting with Joey. The narrative weaves together their separate journeys, highlighting themes of loyalty, survival, and the human-animal bond. Ultimately, the film emphasizes hope and resilience amidst the horrors of war, culminating in a heartfelt reunion.

2. Who are the main characters in War Horse?

Key characters include:

- Joey: The titular war horse, symbolizing innocence and resilience.
- Albert Narracott: A young farmer's son who loves Joey and seeks to find him amidst the war.

- Captain Nicholls: A kind officer who cares for Joey early in the story.
- Topthorn: A majestic black stallion and Joey's companion during the war.
- German officer: Represents the human side of the enemy, showing compassion at times.
- Setter and Minnie: Characters representing civilians impacted by the war.

3. What are the main themes of War Horse?

The film explores several profound themes, including:

- The bond between humans and animals.
- The horrors and futility of war.
- Hope and perseverance in the face of adversity.
- The innocence of childhood and the loss thereof.
- Compassion and empathy across national boundaries.

4. Is War Horse historically accurate?

While "War Horse" is praised for its realistic depiction of WWI, it is a fictionalized narrative inspired by true events and historical context. The film captures the general atmosphere of the trenches, the use of horses in warfare, and the impact on civilians. However, some events and characters are dramatized for storytelling purposes. Spielberg aimed to portray the emotional reality of war rather than serve as a documentary.

5. How was the special effects work achieved in War Horse?

The film employed a combination of:

- Animatronic horses: Life-sized, highly detailed mechanical models operated by puppeteers to simulate natural movement.
- Live horses: Trained horses participated in many scenes, especially those requiring interaction with actors.
- Cinematic techniques: Close-up shots, CGI enhancements, and camera work to blend live-action with animatronics seamlessly.

This blend created a realistic portrayal of horses in wartime without relying heavily on CGI, enhancing authenticity.

Deeper Dive into War Horse Movie Questions

6. What inspired Steven Spielberg to make War Horse?

Spielberg was inspired by the novel and its powerful portrayal of the human-animal connection amid war's chaos. He has expressed interest in stories that highlight compassion, resilience, and hope, and "War Horse" encapsulates these themes beautifully. Additionally, Spielberg wanted to showcase the often-overlooked role of horses in WWI, emphasizing their sacrifice.

7. How does War Horse depict the brutality of war?

The film does not shy away from showing the harsh realities of WWI, including:

- Trenches and battlefield chaos.
- The suffering of soldiers and animals.
- The destruction of villages and landscapes.
- The emotional toll on characters.

Despite this, the movie balances grim scenes with moments of tenderness, emphasizing the human capacity for kindness amidst violence.

8. What is the significance of the title "War Horse"?

The title reflects both the literal focus on Joey, the horse, and the symbolic representation of horses as tools and victims of war. It underscores the idea that war is often fought with animals' sacrifice, and their stories are intertwined with human history.

9. How did the actors prepare for their roles in War Horse?

Actors, especially the young ones, underwent:

- Equestrian training to interact convincingly with horses.
- Workshops on war history to understand the context.
- Emotional coaching to portray the characters' experiences authentically.

The careful preparation contributed to the film's realistic and heartfelt performances.

10. What awards did War Horse receive?

"War Horse" garnered numerous accolades, including:

- Five Academy Award nominations, winning for Best Cinematography.
- BAFTA Awards nominations.
- Critics' Choice Awards.
- Several other industry honors recognizing its technical achievements and storytelling.

Frequently Asked Questions About War Horse

11. Is War Horse suitable for children?

The film is rated PG-13, mainly due to war scenes, intense moments, and emotional content. Parents are advised to consider their child's sensitivity to violence and emotional themes before viewing.

12. Are there any notable differences between the book and the movie?

While the film stays true to the novel's core themes, some plot details and characters are condensed or altered for cinematic storytelling. The book provides additional background and internal monologues that are less prominent in the film.

13. How long is War Horse?

The movie has a runtime of approximately 146 minutes (2 hours and 26 minutes).

14. Where can I watch War Horse?

"War Horse" is available on various streaming platforms, DVD, and Blu-ray. Availability varies by region, so check local providers or rental services.

15. What is the legacy of War Horse?

The film has left a lasting impact by raising awareness about the role of animals in war, promoting empathy, and highlighting themes of hope. It also inspired stage adaptations and educational programs about WWI.

Conclusion: Exploring War Horse Movie Questions

"War Horse" continues to resonate with audiences around the world, prompting numerous questions about its story, characters, and historical context. By exploring these common inquiries, viewers can gain a richer understanding of the film's emotional depth and cinematic craftsmanship. Whether you're analyzing the film academically or simply seeking to deepen your appreciation, understanding the key questions surrounding "War Horse" enhances the viewing experience and honors the story's profound messages of compassion, resilience, and hope amidst the chaos of war.

Additional Resources for War Horse Enthusiasts

choices and production details.

By thoroughly exploring "War Horse" movie questions, fans and scholars alike can appreciate this cinematic work's artistry and emotional power, ensuring its messages endure for generations to come.

Frequently Asked Questions

What is the main plot of War Horse?

War Horse tells the story of a young boy named Albert and his horse Joey, who is sold to the army during World War I. The film follows their journey through the horrors of war and their eventual reunion, highlighting themes of loyalty, friendship, and resilience.

Who directed the movie War Horse?

Steven Spielberg directed the movie War Horse, bringing his signature storytelling style to this war drama based on the novel by Michael Morpurgo.

Is War Horse based on a true story?

While War Horse is a work of fiction, it is inspired by real events and stories from World War I, and the novel it's based on was inspired by true accounts of horses used in the war.

What awards did War Horse receive?

War Horse was nominated for six Academy Awards, including Best Picture and Best Director, and won the Golden Globe Award for Best Motion Picture – Drama.

What age group is War Horse suitable for?

War Horse is generally suitable for teenagers and adults due to its intense war scenes and emotional themes. The film is rated PG-13 for sequences of war violence and emotional content.

What is the significance of the title 'War Horse'?

The title 'War Horse' symbolizes the central character, Joey, and represents the broader themes of sacrifice, loyalty, and the impact of war on both humans and animals.

Are there any notable performances in War Horse?

Yes, the film features strong performances from Jeremy Irvine as Albert and Tom Hiddleston in a supporting role, along with impressive work from the horse actors that bring Joey and Topthorn to life.

War Horse Movie Questions: An In-Depth Exploration

The cinematic adaptation of War Horse has captivated audiences worldwide, blending heartfelt storytelling with stunning visuals and a poignant portrayal of human and animal resilience during wartime. As viewers immerse themselves in the film's narrative, numerous questions naturally arise—ranging from thematic interpretations to technical aspects of filmmaking. This article aims to thoroughly explore common and complex questions about War Horse, providing insights that deepen understanding and appreciation of this remarkable film.

Understanding the Core Themes of War Horse

What are the central themes of War Horse?

At its heart, War Horse explores themes of loyalty, innocence, sacrifice, and the harrowing realities of war. The story follows a young boy, Albert, and his horse, Joey, whose bond symbolizes trust and companionship. As the narrative unfolds across different settings and characters, it emphasizes:

- The enduring bond between humans and animals
- The devastating impact of war on individuals and society
- Hope amidst chaos and despair
- The innocence of youth contrasted with the brutality of conflict

These themes resonate deeply, prompting viewers to consider the moral complexities of war and the profound connections that sustain us through adversity.

How does War Horse depict the human cost of war?

The film employs multiple perspectives—Albert's, soldiers', and animals'—to depict the multifaceted human cost. It emphasizes personal stories of loss, resilience, and hope. Scenes illustrating soldiers' suffering, the destruction of villages, and young recruits' innocence serve to humanize the abstract concept of war, making its toll palpable. The narrative underscores that war affects not just soldiers on the front lines, but civilians, families, and even animals caught in the crossfire.

Storytelling Techniques and Narrative Structure

How does the film's narrative structure contribute to its impact?

War Horse employs a multi-layered storytelling approach, shifting between different characters and settings. The narrative primarily follows Joey and Albert, but also includes perspectives from soldiers like Topthorn, a fellow horse, and various civilians. This structure:

- Creates a tapestry of interconnected stories
- Highlights the widespread impact of war across different social strata
- Builds emotional depth by witnessing the same events from multiple viewpoints
- Maintains narrative momentum despite the sprawling timeline

Director Steven Spielberg's use of seamless transitions and recurring motifs (such as the recurring image of the horse) help unify these perspectives into a cohesive story.

What role do the animals, especially Joey and Topthorn, play in the storytelling?

The horses serve as allegorical figures, embodying innocence, hope, and resilience. Joey's journey from a farm to the battlefield symbolizes the upheaval and chaos of war, yet also the enduring spirit of life. Topthorn complements Joey's character, representing companionship and bravery. Their stories elevate the film beyond a mere war story, emphasizing the universal nature of loyalty and sacrifice.

Technical Aspects and Filmmaking Elements

How does War Horse utilize cinematography and visuals to enhance storytelling?

Steven Spielberg's signature visual style is evident throughout War Horse. The cinematography captures the vastness of the landscapes—rural fields, military trenches, and war-torn villages—with sweeping shots that evoke both beauty and tragedy. Notable techniques include:

- Wide-angle shots to emphasize scale and chaos
- Close-ups to capture emotional expressions of characters and animals

- Use of natural lighting to create realism
- Strategic framing to focus attention on key moments

The film's use of color grading also enhances mood—muted earth tones reflect the grim reality of war, while brighter hues symbolize hope and innocence.

Are the CGI horses realistic, and how do they contribute to the film's authenticity?

War Horse features a combination of trained real horses and CGI-created counterparts. The CGI horses are remarkably realistic, thanks to cutting-edge visual effects and meticulous attention to detail. They allow filmmakers to:

- Perform complex and risky scenes, like crossing trenches or navigating battlefield chaos
- portray large-scale movements without endangering animals
- maintain continuity in scenes where multiple shots of the horses are needed

Many viewers and critics have praised the CGI for seamlessly blending with live-action footage, contributing to the film's immersive experience.

What is the significance of the film's musical score?

Composer John Williams crafted a score that enhances emotional resonance, blending orchestral compositions with subtle motifs representing innocence, conflict, and hope. The music underscores pivotal scenes—Joey's separation from Albert, moments of camaraderie among soldiers, and scenes of destruction—heightening emotional impact and guiding viewers' responses.

Character Analysis and Performances

Who are the key characters, and what are their roles?

- Joey: The titular horse, embodying loyalty and resilience.
- Albert: A young farm boy whose bond with Joey drives much of the story.
- Topthorn: Joey's companion, representing friendship and bravery.
- Captain Nicholls: A kind-hearted soldier who cares for Joey.
- German soldier Friedrich: Shows compassion, highlighting the shared humanity amidst war.
- Emilie: A French girl who helps Albert, symbolizing hope and kindness.

Each character's development offers insight into the human experience during wartime.

How do the performances by actors and animals contribute to the film's authenticity?

While the film primarily features animal actors, notable performances include:

- Jeremy Irvine as Albert: Portrays innocence, determination, and emotional depth.
- Tom Hiddleston as Captain Nicholls: Brings compassion and moral integrity.
- Peter Mullan as Farmer Mullan: Adds gravitas and groundedness.

The careful training and coordination of animal actors lend authenticity to scenes involving Joey and Topthorn. The emotional expressions of the horses, captured through CGI and trained behaviors, evoke genuine empathy.

Historical Accuracy and Context

How accurately does War Horse depict World War I?

While the film takes some creative liberties for narrative flow, it generally adheres to historical facts:

- The depiction of trench warfare, artillery, and military logistics aligns with actual WWI practices.
- The portrayal of the destruction of villages and civilian suffering reflects historical records.
- The presence of horses in WWI, used for transportation and communication, is accurately depicted.

However, the film simplifies certain military strategies and timelines for storytelling purposes. Overall, it provides a respectful and educational portrayal of the era.

Does the film address the broader historical significance of WWI?

War Horse subtly incorporates themes of nationalism, the human cost of war, and the upheaval of European societies. It also highlights the shift from traditional cavalry to mechanized warfare, symbolized by the horses' obsolescence. The narrative encourages viewers to reflect on the devastating effects of global conflict and the importance of remembrance.

Common Questions About War Horse Movie Questions

- Is War Horse suitable for children?

While the film contains intense war scenes, it is generally rated PG-13. Parental discretion is advised, especially considering scenes of violence and injury.

- What is the message behind the ending?

The ending emphasizes themes of reconciliation, peace, and the enduring bond between humans and animals, leaving viewers with a sense of hope despite the horrors depicted.

- How does War Horse compare to other Spielberg war films?

It shares Spielberg's signature focus on emotional storytelling and character development but stands out with its emphasis on animal perspective and the universal language of loyalty.

Conclusion: The Enduring Legacy of War Horse

War Horse is more than a war film; it's a powerful meditation on resilience, compassion, and the human-animal bond amidst chaos. Its questions—from thematic interpretations to technical details—invite viewers to engage deeply with its layered narrative. Whether contemplating the authenticity of its depiction, analyzing character performances, or reflecting on its historical context, audiences find that War Horse offers rich insights worth exploring.

By examining these questions thoroughly, we gain a greater appreciation for the artistry and message behind the film, ensuring that its emotional and educational impact endures long after the credits roll.

Her writing is contagious! Eunice Otte, LPC Owner, Eunice Otte Professional Counseling

war horse movie questions: One Hundred One Questions and Answers on the Crusades and the Inquisition John Vidmar, 2013 Recent research into the Inquisition and the Crusades has reversed many of the misconceptions that surround these events in history. This book helps to explain some of them.

war horse movie questions: *Affect, Space and Animals* Jopi Nyman, Nora Schuurman, 2015-11-19 In recent years, animals have entered the focus of the social and cultural sciences, resulting in the emergence of the new field of human-animal studies. This book investigates the relationships between humans and animals, paying particular attention to the role of affect, space, and animal subjectivity in diverse human-animal encounters. Written by a team of international scholars, contributions explore current debates concerning animal representation, performativity, and relationality in various texts and practices. Part I explores how animals are framed as affective, through four case studies that deal with climate change, human-bovine relationships, and human-horse interaction in different contemporary and historical contexts. Part II expands on the issue of relationality and locates encounters within place, mapping the different spaces where human-animal encounters take place. Part III then examines the construction of animal subjectivity and agency to emphasize the way in which animals are conscious and sentient beings capable of experiencing feelings, emotions, and intentions, and active agents whose actions have meaning for the animals themselves. This book highlights the importance of the ways in which affect enables animal agency and subjectivity to emerge in encounters between humans and animals in different contexts, leading to different configurations. It contributes not only to debates concerning the role of animals in society but also to the epistemological development of the field of human-animal studies.

war horse movie questions: *The Hollywood War Film* Robert Eberwein, 2009-08-25 The Hollywood War Film offers readers a lively introduction to the theory, history, stars, and major films constituting this vital genre, from Hollywood's earliest days to the current moment Combines broad historical and theoretical coverage of the genre with in-depth analysis of specific films Includes chapters on All Quiet on the Western Front, World War II combat films, Platoon and Full Metal Jacket, Eastwood's Iwo Jima films, and Iraq war films An ideal text for perennially popular courses on the war film genre

war horse movie questions: The Inquisition in Hollywood Larry Ceplair, Steven Englund, 1983 The Inquisition in Hollywood examines the suppression of radical political activity in the film industry from the days of the Great Depression through the tumultuous House Un-American Activities Committee era to the waning days of the infamous blacklist. Although this thirty-year period of American history is marked by widespread targeting of leftists in all areas of life, those in the film industry - predominately screenwriters - were considered to be in positions of great potential indoctrinating power, and found themselves under intense scrutiny as the cold war hysteria mounted. Ceplair and Englund trace the history of political struggle in Hollywood back to the formation of the Screen Writers Guild in 1933. Many of the blacklisted filmmakers were members of the Communist Party and all of the graylisted filmmakers had expressed their sympathy with progressive (mainly anti-fascist) causes.--BOOK JACKET.

war horse movie questions: *Projecting Britain at War* Jeremy Havardi, 2014-02-28 This detailed chronological analysis of British World War II movies from 1939 until the present explores how films projected recognizable stereotypes of British national character and how the times in which a film was made shaped its perspectives. Several chapters look at films made during and immediately after the war. In depictions of the Home Front, characters display resolve as well as emotional restraint and present an image of an undivided society cooperating to fight evil. By contrast, duty and service are the paramount virtues of combat films while spy melodramas exemplify the British love of improvisation. Fifties war films are examined against the backdrop of alarm and uncertainty caused by the Cold War. Such films reflect traditional national character stereotypes, though the stiff upper lip begins to be questioned by the end of the decade. The book then traces the radical effect of the 1960s revolution, revealing how the fondness for skeptical antiwar movies went hand in hand with the questioning of Britain's place in the world. The book ends by looking at recent war films and asks whether these reflect the cult of narcissism so prevalent in modern Britain.

war horse movie questions: The Complete Book of Confederate Trivia Over 4,000 Questions and Answers J. Stephen Lang, 1996 What infamous law passed the Confederate Congress in April 1862? - What Southern author was captured while running the blockade to promote his own books in Britain? - Which former U.S. president was elected to the Confederate Congress? - At which battle was the famous Rebel yell first heard--What is the only Walt Disney film set in the Confederacy? - Which Confederate city had the biggest problem with prostitution? - What part of the U.S. Constitution was adopted verbatim into the Confederate Constitution? - What were Sherman neckties? - Learn the answers to these intriguing questions & 4000 more!

war horse movie questions: *Basic Airman to General: The Secret War & Other Conflicts*

General "Pete" Piotrowski, 2014 This book covers the remarkable success of a first-generation Polish kid who, at the age of eighteen, enlisted in the United States Air Force during the Korean War. He was one of less than a handful of basic airmen who rose to the rank of four-star general. More importantly, it covers the reincarnation of WW II Air Commandos under the code name of Jungle Jim, as well as US combat air operations from 1961 through 1967 flying obsolete B-26s and the newest jet fighter, the F-4D. Then airman Piotrowski qualified for aviation cadet training and earned his first wings as a navigator and electronic warfare officer (EWO). Following assignments in Korea and Japan, he returned to the United States for pilot training ranking number one in his class and qualifying for jet fighters. He was selected for Project Jungle Jim and became a leading air force expert in conventional weapons and tactics. His flying ability, combat experience, and tactical expertise led to his assignment at the Air Force Top Gun School to instruct air force generals headed for Vietnam on conventional weapons and tactics. Following school and staff assignments, he was selected to command the Fortieth Tactical Group, Aviano, Italy. He led the group for three years, receiving a rating as Best Wing in the USAF. Following Aviano, he was a special assistant to, and troubleshooter for, General Jones, air force chief. Shortly thereafter, he was selected to build the 552nd AWAC equipped with the E-3A aircraft and bring it to combat status. Next, he commanded Air Defense TAC, where he was selected to review the Desert One failure with five other officers. He provided inside information on how the rescue attempt in Iran unraveled. On another special assignment, he was sent to Saudi Arabia as a special advisor to the Saudi chief of the defense staff with the mission to improve Saudi Air Defense. Following that, then major general Piotrowski went to Oman with a diplomatic portfolio to forge an agreement with the Omani government on joint military training of US and Omani forces. Subsequently, he was assigned to the Tactical Air Command as the director of operations and vice commander. Here he grappled with a number of aircraft-related problems and brought the stealth fighter into the operational inventory. Next, he commanded Ninth Air Force with twelve subordinate wings with roughly one thousand fighter aircraft assigned, with responsibilities for air warfare in support of ground forces in the Middle East. On one of his many visits to Sudan, he stopped an invasion from Ethiopia in one day. He was promoted to the rank of general to serve as the vice chief of the air force. Here he revealed how the JCS operates, as well as inside information on the capture of the Achille Lauro hijackers and the punitive raid on Libya. His last assignment was commanding the North American Aerospace Defense Command (NORAD) and the United States Space Command (USSPACECOM), where he had the opportunity to host and brief senior military members of the Soviet Union and People's Republic of China.

war horse movie questions: The Westerns and War Films of John Ford Sue Matheson, 2016-02-18 Responsible for some of the greatest films of the 20th century—*The Grapes of Wrath*, *How Green Was My Valley*, and *The Quiet Man* among others—John Ford was best known for motion pictures that defined the American West and the face of wartime military. A Hollywood celebrity, Ford lived his life against the background that Twentieth Century-Fox fashioned for him. As he did, the facts of his life merged with—and became inseparable from—his multifaceted legend, fostered by Hollywood's studio culture and his own imagination. In *The Westerns and War Films of John Ford* Sue Matheson offers an engaging look at one of America's greatest directors and the two genres of films that solidified his reputation. Drawing on previously unreleased material, this volume explores the man, the filmmaker, the veteran, and the legend—and the ways in which all of those roles shaped Ford's view of America, national character, and his creative output. Among the films discussed here in depth are Ford's early productions, such as *The Iron Horse* and *Drums along the Mohawk*, his military films, such as *Submarine Patrol*, *The Battle of Midway*, and *They Were Expendable*, and his Westerns, including *Fort Apache*, *She Wore a Yellow Ribbon*, *The Searchers*, and *Cheyenne Autumn*. Ford imbued many of his creations with a point of view that represented his ideals, and the films discussed here illustrate their director's distinct vision of American life on the frontier and in service of the country. That vision—Ford's idealization of the American Character—would, in turn, shape the worldview of several generations. *The Westerns and War Films*

of John Ford will appeal to critics and scholars, but also to any fan of this iconic filmmaker's work.

war horse movie questions: *BION [Believe It Or Not]* Bob Kat, 2013-07-25 *BION [Believe It Or Not]*, Book #3 of the CUL8R Time Travel Mystery/Romance series. Change the past, Save the future. Four high school friends are able to do two things no one else on the planet can do . . . talk with dead people and time travel to the past. However, Kelly, who lost her phone during their last adventure, is temporarily grounded. She worries that her new friends will time travel without her, leaving her all alone in her new home in Ft. Myers Beach, Florida. But they surprise her on her birthday and soon they are back in Scott's lab, listening to the old radio that Thomas Edison had invented and called "The Telephone to the Dead". As they slowly turn the dial Kelly, Scott, Austin and Zoey hear hundreds of sad, lonely voices of souls that have passed but apparently never moved on, pleading for help. When they first discovered the radio in Kelly's aunt's garage, they had been touched by the cries and pleas coming from its speakers, but they had no way to go back in time to help them. That is, until Scott reveals an invention of his own . . . a time travel app. They've already tested it twice, with both trips being very successful, but not without danger. Even though they returned with a few scrapes and bruises, and even a gunshot wound, they are eager to go on a new adventure and help solve a mystery. A young woman's voice comes through and asks them to find her twin brother, Jesse, who had run away to the circus in 1927, then disappeared and was never heard from again. Going back and living with a circus sounds like fun. Plus an old book written by his sister provides a glimpse into the past . . . as well as a photo of Jesse, a photo that grabs their attention and sets the girls' hearts racing. They land in a cornfield in Wichita Falls, Texas as the circus is setting up. It doesn't take them long to discover that circus life is not all glamour and fun; it's a lot of hard work. As usual, they jump in and quickly find jobs, places to sleep and new friends. But most importantly, they find Jesse. Now all they have to do is keep him alive. For Zoey and Jesse, it's love at first sight. It's a first romance for both of them and their love blossoms as they travel from city to city. Zoey knows she's too young to settle down and that Jesse is from a different time and culture, but her feelings for him are strong. Her and her friends' time travel mission has taken on a new dimension. Should they be successful and save his life, will Zoey be able to let him go? Is it possible for him to come to 2013 with her? Is it possible for her to stay in 1927 with him? Ultimately, can she give up everything she has in the present for true love in the past? Jesse's talent working with the big cats catches the attention of the Martin Maxwell, the owner of the circus. Maxwell promotes him to the center ring as a replacement for their current lion tamer who is planning on moving up to the Ringling and Barnum & Bailey Circus. Unfortunately, not everyone shares Zoey's love for Jesse and wants him to disappear forever. Kelly, Scott, Austin and Zoey must figure out who wants Jesse dead and stop him or her before Jesse's fate is sealed. Book #1, *OMG [Oh My God]*, a time travel mystery/romance back to 1966 was awarded The Best Young Adult Indie Book in 2013 and was a Finalist in the Beverly Hills Book Awards for 2013. Book #2, *BRB [Be Right Back]*, a time travel mystery/romance back to 1980 was a Readers' Favorite for 2013.

war horse movie questions: *BRB (Be Right Back)* Bob Kat, 2013-04-07 *BRB [Be Right Back]*, Book #2 of the CUL8R Time Travel Mystery/Romance series. Change the past, Save the future. *BRB* won the Young Adult genre in the Readers' Favorite book competition for 2013. Four high school friends are able to do two things no one else on the planet can do . . . talk with dead people and time travel to the past. It's early summer and boredom is setting in. They have just returned from an adventure where they travelled through time back to 1966 to solve a mystery and save a popular high school girl's life. Kelly, Scott, Austin and Zoey gather in Scott's lab, listening to the old radio that Thomas Edison had invented and called "The Telephone to the Dead". As they slowly turn the dial they hear hundreds of sad, lonely voices of souls that have passed but apparently never moved on, pleading for help. When they first discovered the radio in Kelly's aunt's garage, they had been touched by the cries and pleas coming from its speakers, but they had no way to go back in time to help them. That is, until Scott reveals an invention of his own . . . a time travel app. They've tested it only once, but that first trip had been successful . . . if you ignore the fact that Zoey and Kelly had almost gotten killed by a serial killer. Even though they returned with a few scrapes and bruises,

they are eager to go on a new adventure and help solve another mystery. A very young girl's voice comes through, saying that her whole family has been murdered on an island just off the east coast of Florida. The teens look the island up on Google Maps and see that it is completely deserted which contradicts the story they're getting from the Spirit Radio. But it's a beautiful island called Crystal Key with a stretch of beach that, unlike Ft. Myers Beach, is not crowded with tourists and kids. The teens decide to pop in, spend a nice day on the beach, check out the island to see if there is any truth to the girl's story, then pop right back. It sounds like a great plan. From the very beginning, things go wrong when Scott miscalculates their landing and they end up splashing into the Atlantic Ocean. After swimming for their lives, they collapse on the beach that is, indeed, beautiful. But it isn't deserted. They find the little girl, her family and a half dozen more people living in a sprawling Florida-style home owned by a menacing man named Manuel. He gives them no opportunity to escape and insists that they stay in the house. What they discover during their visit is enough to almost get them all killed. As they struggle to survive, Kelly tries to ignore her attraction to Austin, who clearly isn't interested in a romance. Besides, just days before she went on her very first date . . . with Scott. How could she have such strong feelings for two boys? And then there is Zoey who is hot for Austin, but flirting shamelessly with Scott. Then people start dying and all they can think about is saving the families and themselves. Are they destined to be a madman's latest victims? Their time travel adventure to a tropical paradise may turn out to be their last. It's difficult to investigate a crime that hasn't happened yet. Bonus chapters of OMG and BION included. Book #1, OMG [Oh My God], a time travel mystery/romance back to 1966 was awarded The Best Young Adult Indie Book in 2013 and was a Finalist in the Beverly Hills Book Awards for 2013. Book #3, BION [Believe It Or Not], a time travel mystery/romance back to 1927 where the teenagers join a travelling circus to help save the life of an attractive young man.

war horse movie questions: *Creation (Movie Tie-In)* Randal Keynes, 2009-11-25 How Charles Darwin saw the world changed it forever. *Creation: The True Story of Charles Darwin* is now a major motion picture. In a chest of drawers bequeathed by his grandmother, author Randal Keynes discovered the writing case of Charles and Emma Darwin's beloved daughter Annie Darwin, who died at the age of ten. In it were the notes Darwin kept throughout Annie's illness. Together with his deeply moving memorial of her, they provide a key to a provocative look into Darwin's views on nature, evolution, and the human condition. *Creation* gives us fresh insight into the private life of a man who viewed the world in a new and extraordinary way.

war horse movie questions: *New York Magazine* , 1979-07-30 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

war horse movie questions: *The Language War* Robin Tolmach Lakoff, 2000 An exploration of who holds power in America today, and how they use it, keep it or lose it. The text argues that the struggle for power and status at the end of the 20th century is being played out as a war over language.

war horse movie questions: *Questioning History* Joe Regenbogen, 2020-10-06 Since the days of the Ancient Greeks, history has been perceived as the academic study of the past. Unfortunately, it has generally been taught as a litany of rigid, boring facts intended to be accepted rather than questioned. This has been reinforced for decades by weighty textbooks that overwhelm the reader with mind-numbing details presented in a chronological sequence. The end result is that students see little relevance of what they learn in history class to the real world, and many simply struggle to stay awake. Compared to other subjects taught at the secondary level, history is frequently judged to be the most boring. This is largely because it is viewed as an intellectually

lifeless subject that presents few opportunities for active engagement. Questioning History is a book built around 16 essential questions designed to challenge this common assumption. Each question is broad, open-ended and subject to vigorous debate. By examining the historical background behind each question and by analyzing the ways in which the question can be answered, the reader will come away with a deeper understanding of the past and a new appreciation for history as a cognitively dynamic subject. In addition, by using each chapter as a platform for engaging discussions and Socratic seminars, the reader will be able to refine the decision-making skills necessary for effective citizenship in a democratic society. Depending on the classroom or the setting in which it is being used, Questioning History can either take the place of the more traditional textbook or at least be used as a supplement to make it come more alive. The best way to learn and to appreciate a subject is through active engagement. Questioning History provides a shot of adrenalin to the study of history.
