ethiopian bible english pdf: Adapting Gender and Development to Local Religious Contexts
 Romina Istratii, 2020-10-01 This book provides a critical and decolonial analysis of gender and development theory and practice in religious societies through the presentation of a detailed ethnographic study of conjugal violence in Ethiopia. Responding to recent consensus that gender mainstreaming approaches have failed to produce their intended structural changes, Romina Istratii explains that gender and development analytical and theoretical frameworks are often constructed through western Euro-centric lenses ill-equipped to understand gender-related realities and human behaviour in non-western religious contexts and knowledge systems. Instead, Istratii argues for an approach to gender-sensitive research and practice which is embedded in insiders' conceptual understandings as a basis to theorise about gender, assess the possible gendered underpinnings of

local issues and design appropriate alleviation strategies. Drawing on a detailed study of conjugal abuse realities and attitudes in two villages and the city of Aksum in Northern Ethiopia, she demonstrates how religious knowledge can be engaged in the design and implementation of remedial interventions. This book carefully evidences the importance of integrating religious traditions and spirituality in current discussions of sustainable development in Africa, and speaks to researchers and practitioners of gender, religion and development in Africa, scholars of non-western Christianities and Ethiopian studies, and domestic violence researchers and practitioners.

ethiopian bible english pdf: The Qur'an in Christian-Muslim Dialogue Corrie Block, 2013-10-08 Offering an analysis of Christian-Muslim dialogue across four centuries, this book highlights those voices of ecumenical tone which have more often used the Qur'an for drawing the two faiths together rather than pushing them apart, and amplifies the voice of the Qur'an itself. Finding that there is tremendous ecumenical ground between Christianity and Islam in the voices of their own scholars, this book ranges from a period of declining ecumenism during the first three centuries of Islam, to a period of resurging ecumenism during the most recent century until now. Among the ecumenical voices in the Christian-Muslim dialogue, this book points out that the Qur'an itself is possibly the strongest of those voices. These findings are cause for, and evidence of, hope for the Christian-Muslim relationship: that although agreement may never be reached, dialogue has led at times to very real mutual understanding and appreciation of the religious other. Providing a tool for those pursuing understanding and mutual appreciation between the Islamic and Christian faiths, this book will be of interest to scholars and students of Islam, the Qur'an and the history of Christian-Muslim relations.

ethiopian bible english pdf: Oromo Indigenous Religion and Oromo Christianity Ujulu Tesso Benti, 2018-05-31 The early non-Oromo writers have distorted the history of the Oromo. Without scientific research, they were speaking of the so-called Oromo migration of the 16th century. Against

the unscientific thesis, of the early scholars, this work confirmed the Oromo to be not only the indigenous African peoples, but also belong to the Cushitic Africans who invented the first world civilization. Their egalitarian and holistic culture, the gadaa system is part of the ancient Cushitic civilization. It is the base for modern democratic system of governance. The root word of 'gadaa' is originated from 'Ka', the creator God of the ancient religion of the Cushitic Africans. From this very name, Ka originated the Oromo word "Waaqa", which also means creator of everything. This shows that the Oromo are among the first nations who came up with the idea of monotheism. Therefore, this work disqualifies the missionary assumptions describing the Oromo Indigenous Religion (OIR) as Satanism and its religious experts, the Qaalluus as witchdoctors or sorcerers. This dissertation discovered many identical, similar, partial similar and few differing elements between the Oromo Indigenous Religion (OIR) and Oromo Christianity (OC). Also, the study identified many Oromo cultural elements that are compatible to Christianity, therefore must be adopted by the Oromo Christianity. According modern scholarship God revealed himself in every human culture and religion is part of human culture. Therefore, no religion can claim to be "the only true religion". Based on this principle, this dissertation calls all leaders of religious institutions in Oromia, to change their attitude, develop culture of tolerance, conduct constructive religious dialogue, create the atmosphere of peaceful coexistence of all religions and establish sustainable peace that serves humanity.

ethiopian bible english pdf: Nexus Yuval Noah Harari, 2025-09-16 #1 NEW YORK TIMES BESTSELLER • From the author of *Sapiens* comes the groundbreaking story of how information networks have made, and unmade, our world. "Strikingly original . . . A historian whose arguments operate on the scale of millennia has managed to capture the zeitgeist perfectly."—The Economist "This deeply important book comes at a critical time as we all think through the implications of AI and automated content production. . . . Masterful and provocative."—Mustafa Suleyman, author of *The Coming Wave* For the last 100,000 years, we *Sapiens* have accumulated enormous power. But despite all our discoveries, inventions, and conquests, we now find ourselves in an existential crisis. The world is on the verge of ecological collapse. Misinformation abounds. And we are rushing headlong into the age of AI—a new information network that threatens to annihilate us. For all that we have accomplished, why are we so self-destructive? *Nexus* looks through the long lens of human history to consider how the flow of information has shaped us, and our world. Taking us from the Stone Age, through the canonization of the Bible, early modern witch-hunts, Stalinism, Nazism, and the resurgence of populism today, Yuval Noah Harari asks us to consider the complex relationship between information and truth, bureaucracy and mythology, wisdom and power. He explores how different societies and political systems throughout history have wielded information to achieve their goals, for good and ill. And he addresses the urgent choices we face as non-human intelligence threatens our very existence. Information is not the raw material of truth; neither is it a mere weapon. *Nexus* explores the hopeful middle ground between these extremes, and in doing so, rediscovers our shared humanity.

ethiopian bible english pdf: Ancient Aliens in the Bible Xaviant Haze, 2025-09-12 Starting from the Old Testament these pages address the story of what is often not highlighted or, worse, deliberately forgotten or interpreted differently in order to conceal the potential disruptive effects.—Mauro Biglino Did a distant race of ancient aliens once inhabit the lands of the Bible? Do the ancient writings of the Bible and other texts provide proof of their existence? Did the prophets have close encounters with ancient aliens? Were the angels physical beings sent to perform specific tasks by their alien masters? *Ancient Aliens in the Bible* answers these questions and more. Analyzing the historical and archaeological evidence, and using the work of former Vatican translator Mauro Biglino as his guide, Xaviant Haze provides ample proof that what our ancestors described in ancient biblical texts were real-life events and not visions. The UFO encounters in the Bible are described as concrete experiences by flesh-and-blood beings. The angels were assigned specific duties and struggled to carry them out; some even rebelled and took earthly wives, forbidden by their superiors. *Ancient Aliens in the Bible* reveals that: • Lamech's wife gave birth to the son of an angel

with glowing eyes. • Moses was led to the promised land by UFOs. • Noah's great-grandfather, Enoch, got a heavenly tour of space. Your view of the Bible will never be the same.

ethiopian bible english pdf: African Foreign Policies Paul-Henri Bischoff, 2020-03-26 This book explores, at a time when several powers have become serious players on the continent, aspects of African agency, past and present, by African writers on foreign policy, representative of geography, language and state size. In the past, African foreign policy has largely been considered within the context of reactions to the international or global "external factor". This groundbreaking book, however, looks at how foreign policy has been crafted and used in response not just to external, but also, mainly, domestic imperatives or (theoretical) signifiers. As such, it narrates individual and changing foreign policy orientations over time—and as far back as independence—with mainly African-based scholars who present their own constructs of what is a useful theoretical narrative regarding foreign policy on the continent—how theory is adapted to local circumstance or substituted for continentally based ontologies. The book therefore contends that the African experience carries valuable import for expanding general understandings of foreign policy in general. This book will be of key interest to scholars and students of Foreign Policy Analysis, Foreign Policy Studies, African International Relations/Politics/Studies, Diplomacy and more broadly to International Relations.

ethiopian bible english pdf: ESSAYS IN EARLY CHRISTIANITY Jonathan Ramachandran, 2025-07-13 Is there hope beyond the elect? What did the earliest Christians believe about prophecy, judgment, and salvation? In ESSAYS IN EARLY CHRISTIANITY, Jonathan Ramachandran explores ancient theological possibilities grounded in Scripture and the writings of the earliest Church Fathers. With careful adherence to the historical-grammatical method and a commitment to literal biblical interpretation, Ramachandran revisits the long-forgotten Chiliasm model—a belief in the literal thousand-year reign of Christ on earth—as taught by voices like Justin Martyr, Irenaeus, and Papias. This volume offers bold insights into the prospect of Non-Elect Salvation—the idea that some may be saved outside the elect Bride of Christ, not through presumption, but through divine mercy and postmortem judgment. Through in-depth analysis of Scripture and early Christian testimony, Ramachandran raises provocative questions: Are there two distinct resurrections separated by 1,000 years? Do Revelation and 1 Corinthians 15 describe gradations of resurrection glory? Could the "surprised sheep" of Matthew 25 represent non-elect salvation? Designed for pastors, seminary students, and thoughtful churchgoers, this accessible yet rigorous work is not speculative theology but evidence-driven inquiry. Readers are invited to examine early Christian prophecy with open Bibles and discerning minds—testing all things and holding fast to what is good (1 Thessalonians 5:21).

ethiopian bible english pdf: 1 Enoch as Christian Scripture Bruk Ayele Asale, 2020-06-05 Since its publication in English translation in 1821, the book of Enoch has enjoyed immense popularity in Western culture as a variety of religious groups, interested historians, and academics have sought to illuminate the Jewish context of Christian beginnings two thousand years ago. Taking the quotation of 1 Enoch in Jude 14 as its point of departure, the present study explores the significance of Enochic tradition within the context of Christian tradition in the Horn of Africa, where it continues to play a vital role in shaping the diverse yet interrelated self-understanding of Orthodox, Catholic, and Protestant churches. As discussions on the importance of 1 Enoch from antiquity to the present take on new dimensions among increasingly global and diverse voices, 1 Enoch as Christian Scripture offers a rare orientation into a rich culture in which the reception of the book is at home as a living tradition more than anywhere else in the world today. The present work argues that serious attention to 1 Enoch holds forth an opportunity for church traditions in Ethiopia--and, indeed, around the world--to embrace some of their indigenous roots and has the capacity to breathe life into time-worn expressions of faith.

ethiopian bible english pdf: Who Is God's Mother? Paul R. Bland, 2016-09-13 Who is God's mother? Where did Adam, the first man, really come from? Did Eve have a belly button? Such are just some of the many musings and conundrums taken up by author Paul R. Bland, researcher, historian, seer of visions. While a plethora of religious texts, from the well-known Book of Genesis to the lesser-known Jewish Midrash, have attempted to provide explanations for such questions, no combination of works quite adequately explains some of life's greatest mysteries. Who Is God's Mother? examines the traditional textual explanations of the history of man and religion against the backdrop of paranormal phenomena. Drawing on his own visions and dreams of demons, aliens, and religious figures, author Paul R. Bland presents a fascinating insight into some of life's greatest enigmas that will enthrall any reader, regardless of religious adherence.

These people who came before us, those great men of faith, many of whom suffered persecution and martyrdom to preserve the Church and Christ's mission, bridge the gap between the Bible and the present day. They fill the void we sometimes wonder about when we get to the end of reading Acts or the Epistles and think, "what happened next?" or "what happened to the Ephesian church after Paul left?" — well now you can read for yourself and see how God continued to grow His Church! "I cannot imagine there is a better way to get familiar with 350 of the most important years of church history in seven hours spread over 40 days." — Paul Pavao, author of Decoding Nicea Praise for 40 Days with the Fathers: Timeless truths still for today Insightful and captivating [This book] will round out your knowledge and help you become a better teacher. If you are a pastor or church leader, I highly recommend this book for you.
