Semitic Bible study methods are based on asking questions about the Scripture, examining the language and culture of that day. the infernal gospel pdf: Propaganda 2.1 Peter K. Fallon, 2022-09-08 Since the US presidential election of 2016 the words propaganda and fake news have been prominent in American political and cultural discourse. Yet very few people can provide a coherent explanation of what they mean, precisely, when using them. On the two sides of the political spectrum (red and blue), each points out messages from the other side that they think are untrue--or that they simply don't like. Unlike our dangerously biased political system, however, reality has more than only two sides. For decades, Americans sat by while their mediated world was carved into a single red reality focused in necessary opposition to a single blue reality. We've been given red media outlets and blue media outlets to stoke our collective rage, each against the other's lies. But the first two decades of the twenty-first century have presented us with a new information environment, one of unregulated and seemingly uncontrollable information. Like the young boy in a popular folktale, we can now see--if only we can resist the pressures of social conformity--that both emperors, red and blue, strut proudly before us, naked. Propaganda 2.1 is a handbook for seeing reality clearly--and coping with it.

the infernal gospel pdf: When Texas Prison Scams Religion Michael G. Maness, 2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice, especially in the abuse of religion. In many ways, this book is a literature review of 1,800-plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that "buys faith with favor" from prisoners. The state veritably ordains the prisoner a "Field Minister" that represents the offices of the Governor, TDCJ Director, and wardens throughout the prison. Therein, TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors. Why is the director sponsoring psychopaths counseling psychopaths? In fact, TDCJ pays \$314 million a year to UTMB for psychiatric care and receives not a single report of the care given, and worse, for UTMB generates no reports itself. The underbelly TDCJ's executive culture of cover up is exposed. TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence. TDCJ Dir. Collier led the prison to model Louisiana Warden Burl Cain, the most scandal-ridden in penal history according to a host of published news stories for 20 years. Therein, Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism. Texas has no business endorsing the truth of any religion over another. We close with a proposal that utilizes the 400,000,000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision. Maness has been lobbying Austin for 15 years to definitively access staff for his "100,000 Mothers' 1% Certainty Parole Texas Constitutional Amendment," which would revolutionize prison culture and save Texans millions of the dollars.
