tina fey bossypants pdf: Television Finales Douglas L. Howard, David Bianculli, 2018-11-13 Today more than ever, series finales have become cultural touchstones that feed watercooler fodder and Twitter storms among a committed community of viewers. While the final episodes of The Fugitive and M*A*S*H continue to rank among the highest rated broadcasts, more recent shows draw legions of binge-watching fans. Given the importance of finales to viewers and critics alike, Howard and Bianculli along with the other contributors explore these endings and what they mean to the audience, both in terms of their sense of narrative and as episodes that epitomize an entire

show. Bringing together a veritable who's who of television scholars, journalists, and media experts, including Robert Thompson, Martha Nochimson, Gary Edgerton, David Hinckley, Kim Akass, and Joanne Morreale, the book offers commentary on some of the most compelling and often controversial final episodes in television history. Each chapter is devoted to a separate finale, providing readers with a comprehensive survey of these watershed moments. Gathering a unique international lineup of journalists and media scholars, the book also offers readers an intriguing variety of critical voices and perspectives.

tina fey bossypants pdf: Performing Arts as High-Impact Practice Michelle Hayford, Susan Kattwinkel, 2018-05-21 This book investigates how the performing arts in higher education nationally contribute to the "high impact practices," as identified by the Association of American Colleges and Universities (AACU). Using the well-known map of the HIPs for illustrating the centrality of performing arts practices in higher education, the editors and authors of this volume call for increased participation by performing arts programs in general education and campus initiatives, with specific case studies as a guide. Performing arts contribute to the efforts of their institution in delivering a strong liberal arts education that uniquely serves students to meet the careers of the future. This is the first book to explicitly link the performing arts to the HIPs, and will result in the implementation of best practices to better meet the educational needs of students. At stake is the viability of performing arts programs to continue to serve students in their pursuit of a liberal arts education.

tina fey bossypants pdf: Selecting and Implementing Technologies in Libraries Tod Colegrove, 2022-09-14 New technology and services are fundamental to maintaining the relevance of libraries today, but which technologies and/or services make sense to implement, and which to avoid? Building from a framework drawn in the overlap of design thinking with best practices in emerging technology and library practice, this book is a go-to guide for the active library practitioner and LIS student alike. From the 3D printers and laser cutters of today's library makerspace to collection development and library outreach, this primer offers clear examples that illustrate the practical and collaborative approach that ensures alignment and increases the likelihood of success. Written as a

textbook for LIS students in the crossover areas of emerging technology, design thinking, and library management, the book will also meet the needs of the active library practitioner in public, academic, and special libraries, both those new to the field and seasoned professionals. The practical treatment and examples provided will be of interest and immediate use. Questions at the end of each chapter give readers an opportunity to think about the concepts presented. The book is also designed to let the enduring values of librarianship and library practice shine through, guiding the reader to navigate the future of library technology.

tina fey bossypants pdf: Vayamos adelante (Lean in) Sheryl Sandberg, 2013-04-11 Sheryl Sandberg examina las razones por las cuales el avance de las mujeres hacia los puestos de responsabilidad está estancado, explica las causas profundas y ofrece soluciones prácticas y aplicables para lograr que las mujeres alcancen su máximo potencial. A pesar de que las mujeres alcanzaron hace años niveles de educación similares a los de los hombres, ellos ostentan aún la gran mayoría de puestos de directivos, tanto en las empresas como en los gobiernos. Por ello, las voces femeninas todavía no se escuchan por igual en las decisiones que más nos afectan en nuestras vidas. Sandberg, directora de Operaciones de Facebook y una de las mujeres más influyentes del mundo en el ámbito de la empresa, impartió en 2010 una inolvidable conferencia en TEDTalk, que se convirtió en un fenómeno y que ha sido vista dos millones de veces. En *Vayamos adelante*, Sandberg profundiza en estos temas combinando anécdotas personales y datos relevantes, y proporciona consejos prácticos para el desarrollo de una carrera profesional satisfactoria, alentando a las mujeres a establecer límites y a abandonar el mito de «haber alcanzado todo». Escrito con humor y sabiduría, el libro de Sandberg es una llamada inspiradora a la acción y un plan de crecimiento individual. *Vayamos adelante* está destinado a cambiar el planteamiento sobre qué pueden hacer las mujeres y qué no. Los expertos opinan: «Sheryl proporciona recomendaciones prácticas sobre cómo gestionar y superar los desafíos que se presentan a lo largo de una carrera profesional. Al leer este libro, asentía con la cabeza y me reía a carcajadas. *Vayamos adelante* es una lectura excelente, divertida, sincera e importante para las mujeres (y los hombres) de todas las generaciones.» Condoleezza Rice, ex secretaria de Estado de EE.UU. «Durante los últimos cinco años he trabajado codo a codo con Sheryl y he aprendido algo de ella casi cada día. Tiene una inteligencia asombrosa, que le permite resolver procesos complejos y encontrar soluciones a los problemas más difíciles. *Vayamos adelante* combina la habilidad para sintetizar de Sheryl con sus capacidades para sacar lo mejor de la gente. Este libro es brillante, honesto y divertido. Sus palabras ayudarán a sus lectores -especialmente a los hombres- a ser unos líderes mejores y más eficaces.» Mark Zuckerberg, fundador y CEO de Facebook «La clave para abrir algunas de las puertas más difíciles de la vida ya está en nuestras manos. El libro de Sheryl nos recuerda que somos capaces de alcanzar la excelencia.» Alicia Keys, cantante «Si te encantó el increíble discurso en TEDTalk de Sheryl Sandberg sobre por qué hay pocas mujeres en puestos de liderazgo o si simplemente crees, como yo, que necesitamos igualdad en las salas de las juntas directivas, este libro es para ti. Como directora de Operaciones de Facebook, Sheryl posee experiencia de primera mano y sabe que disponer de más mujeres en los puestos de directivos es bueno, tanto para las empresas como para la sociedad. *Vayamos adelante* es una lectura esencial para cualquier persona interesada en acabar con esta desigualdad injusta.» Sir Richard Branson, presidente de Virgin Group «*Vayamos adelante* plantea muchos retos ambiciosos para las mujeres: crear la vida que queremos, ser líderes en nuestro trabajo, colaborar en nuestros hogares y ser ejemplo para otras mujeres. Sheryl nos ofrece consejos prácticos sobre cómo las mujeres podemos afrontar esos retos en el siglo XXI. Espero que las mujeres y los hombres de mi generación lean este libro para ayudar a construir la vida que deseamos y el mundo donde queremos vivir.» Chelsea Clinton

tina fey bossypants pdf: Hopes and Fears Bromleigh McCleneghan, Lee Hull Moses, 2012-10-22 Bromleigh McCleneghan and Lee Hull Moses have written a book about being

not-perfect parents in a not-perfect world. The result, *Hopes and Fears: Everyday Theology for New Parents and Other Tired, Anxious People*, is a joyous celebration of child-rearing in which any parent no matter how perfect can share. 'I want to have a happy and healthy marriage, and I want to have happy, faithful kids,' proclaims co-author McCleneghan in the introduction to the book. 'But I reject the pervasive cultural lie that a happy marriage and the faithful kids are somehow the byproducts of some rigorous and largely unattainable personal or moral perfection.' Thus, *Hopes and Fears* is neither a 'how-to' book nor a mere meditation. Rather, the authors seek to find the beautiful and the spiritual in the sometimes mundane activities that parents have performed since the beginning of history, while at the same time allowing beautiful and spiritual insights of the past to inform and shape the activities of modern parenting. Thus, the words of a hymn can trigger an idea about how to deal with bedtime, and an exercise in baby-naming can lead to a better understanding of a passage in Isaiah. The intertwining of the spiritual and familial in this book constantly surprises and delights: a quote from Paul Tillich can stand next to one from Tina Fey or *What to Expect When You're Expecting*. We are often reminded that the authors, two longtime friends, are ordinary working mothers. Fortunately, they are also experienced and well-read congregational leaders, and they bring that perspective to their reflections. *Hopes and Fears* is also about sharing, in the widest and deepest sense of that word. As many parents know, learning to share is one of the most difficult things for many children to acquire. McCleneghan and Moses have decided to teach by example with this book, noting: 'we're hopeful that as we share our lives—the trials and tribulations and incredible joys—other parents will feel inspired to reflect on their own experiences, and perhaps even to consider new ways in which their own faith is relevant to their identities as parents.' *Hopes and Fears: Everyday Theology for New Parents and Other Tired, Anxious People* is highly suitable for group study as well as individual reflection.

tina fey bossypants pdf: The Unexpected Leader Iesha Small, 2019-01-30 Iesha Small's 'The Unexpected Leader: Exploring the real nature of values, authenticity and moral purpose in education' is for school leaders who want to make a difference but feel they aren't obvious leadership material. This is a book about people. A book that humanises school leaders and tells their stories. A book in which school leaders reveal their authentic selves and their journeys to leadership. Iesha set about writing 'The Unexpected Leader' as a senior leader who looked around and struggled to find role models whose experiences she could learn from. She wanted to speak honestly with like-minded individuals about being what others didn't expect in a leadership package - introverted, unassuming, open about their mental health. Iesha did, however, manage to identify and interview nine such school leaders - and in this book she relates their stories alongside her own, in words and photographs, to explore how thinking or acting differently need not be a barrier to school leadership, but can actually prove to be an invaluable asset. In doing so she shatters the myths and conventional ideas around who/what makes a good school leader, and champions a more humane brand of leadership which is true to the individual and still benefits the students and staff they serve. Furthermore, Iesha offers insights into themes such as imposter syndrome, integrity, failure and ambition, and frames them in relation to her own leadership journey in order to empower and encourage all leaders - including leaders-in-waiting - to step up and set out on their own individual pathways. Each chapter starts by inviting you, the reader, to consider your own circumstances and feelings, before Iesha's own experience is briefly outlined so you know you aren't alone. This is followed by an exploration of the leadership journey of the interviewed school leader, featuring key episodes that delve into how they have taken ownership of their professional and personal lives. The transferrable lessons and practical takeaways from their experiences are then discussed in order to guide you towards more effective leadership, while being unashamedly who you are. Finally, each chapter concludes with a final message or thought from the school leader in question. Suitable for anybody in or aspiring to school leadership.

tina fey bossypants pdf: A Feminist Critique of Police Stops Josephine Ross, 2020-12-17 A Feminist Critique of Police Stops examines the parallels between stop-and-frisk policing and sexual harassment. An expert whose writing, teaching and community outreach centers on the

Constitution's limits on police power, Howard Law Professor Josephine Ross, argues that our constitutional rights are a mirage. In reality, we can't say no when police seek to question or search us. Building on feminist principles, Ross demonstrates why the Supreme Court got it wrong when it allowed police to stop, search, and sometimes strip-search people and call it consent. Using a wide range of sources - including her law students' experiences with police, news stories about Eric Garner, and Sandra Bland, social science and the work of James Baldwin - Ross sheds new light on policing. This book should be read by everyone interested in how Court-approved police stops sap everyone's constitutional rights and how this form of policing can be eliminated.

tina fey bossypants pdf: BYD IND Sheryl Sandberg, 2014-01-24 BYD IND er en topinspirerende opfordring til dig om at byde ind og skabe de bedste muligheder i dit liv og din karriere. BYD IND er Facebooktopchef Sheryl Sandbergs opfordring til kvinder om at sætte sig igennem på arbejdsmarkedet. En opfordring til at gøre op med de indre og ydre barrierer, der får indflydelse på afgørende valg i karrieren. Sheryl Sandberg giver praktiske karriereråd: om forhandlingsteknik og mentorship, om at tage plads ved bordet, sætte grænser og gøre op med myten om at kunne det hele. Og hun fortæller ærligt og humoristisk om sit eget karriereforløb, succeser, fejltrin og den daglige udfordring i at tage de rigtige valg i karriere og familielivet. Stine Bosse har skrevet forord til den danske udgave. "Sheryl trækker på både sit eget og andres liv i denne utrolig inspirerende og brugbare håndbog til det enogtyvende århundredes kvinder. Jeg håber, at min generation af kvinder - og mænd - vil læse bogen for at få hjælp til at skabe det liv, vi gerne vil leve, og den verden, vi gerne vil leve i." - Chelsea Clinton Denne bog bør vække til yderligere inspiration hos både mænd og kvinder på vej ind i vigtige prioriteringer i livet, hos særligt hos mænd der stadig tøver lidt med at pege på kvinder." - Stine Bosse

tina fey bossypants pdf: I Heart Sex Workers Lia Claire Scholl, 2013-03-15 Paying for sex - engaging in the oldest profession - is everywhere, even in your church. The factors leading individuals into sex work are as varied as hair colors, yet sex workers are viewed as powerless individuals who must be rescued. I Heart Sex Workers offers another perspective, one where the characters defy stereotypes and solutions are hard to find. Author Lia Scholl firmly believes the Christian response to sex work should be one of building agency for women, through education, through fighting injustice, by listening to the voices of sex workers. I Heart Sex Workers examines the forces leading individuals into prostitution, whether through coercion, choice, or circumstance. And it provides a Christian response, answering the question, Are you my neighbor? How do we respond to woman trading sex for a place to live tonight when she asks, Where will I sleep? This book discusses these issues and many more.

tina fey bossypants pdf: Handbook for an Integrated Life Sharon Schneider, 2022-07-19 A guide for anyone who wants to live conscientiously and make a positive impact Western society makes it challenging for those of us who desire a just world—one of shared prosperity—to live a life that is consistent with our values. Handbook for an Integrated Life provides both philosophical principles and practical steps that you can use to bring your actions in line with your goal of creating a world that works for everyone. Sharon Schneider, a philanthropy consultant to some of the world's wealthiest families, distills her expertise into pragmatic guidance for all of us—even those on a budget. She lays out seven foundational principles on which you can base your everyday decisions, helping you: • Identify the cultural norms that lead you away from your goals • Differentiate between giving back and simply giving • Reconsider your buying habits • Resist the allure of convenience • Align more of your spending with your values • Harness the full power of your household • Raise socially aware kids Schneider supplements this guidance with useful steps and real-world applications to help you employ the principles in multiple areas of your life, including in food choices, clothing choices, finances, the workplace, relationships, and more. You will come away feeling, at last, equipped and empowered to follow your internal compass.

tina fey bossypants pdf: *Lean In. Femeile, munca și voința de a conduce* Sandberg Sheryl, 2016-06-14 Unul dintre primele titluri ale colecției CEO, *Lean In* de Sheryl Sandberg, se adresează femeilor de afaceri, confruntate adesea cu dilema: o carieră de succes sau o viață personală împlinită? Autoarea, al doilea om din conducerea Facebook, aflată în ultimii ani în topul celor mai puternice femei de afaceri și al celor mai influente personalități și mama a doi copii, ne arată că este posibil să împaci reușita profesională cu împlinirea personală, că trebuie să depășim stereotipurile de gen, că femeile trebuie să aibă mai multă încredere în sine și ambiție pentru a-și obține locul pe care îl merita. Premisa acestei cărți o constituie un discurs fulminant TEDTalk, susținut de Sandberg în 2010, în care descria felul în care femeile își stăvilesc progresul în carieră în mod involuntar. Cuvântarea ei devenită un real fenomen și urmărită de mai mult de 2 milioane de ori, încurajează femeile „să se așeze la masa tratativelor” alături de bărbați, să caute în permanență provocări, să-și asume riscuri și să-și urmărească scopurile cu tenacitate. Astfel, studiile de specialitate au evidențiat faptul că deși s-au scurs treizeci de ani de când 50% din absolvenții de colegii din Statele Unite ale Americii sunt femei, totuși bărbații continuă să dețină o majoritate covârșitoare a pozițiilor de conducere din guvern și industrie. Femeile încă nu-și fac auzite vocile, iar autoarea încearcă să găsească un răspuns la întrebarea De ce progresul femeilor în accesarea la rolurile de conducere s-a blocat?, explică cauzele originare ale problemei și oferă soluții convingătoare, practice, care le pot conferi femeilor puterea de a-și etala întregul potențial. Sandberg sondează în adâncime aceste aspecte, pentru a străpunge ambiguitățile și prejudecățile prezente în viețile tuturor și a le îndruma pe femei, pas cu pas, în clădirea unei cariere de succes, descriind etapele specifice pe care trebuie să le parcurgă acestea în scopul concilierii reușitelor profesionale cu împlinirea personală. Scrisă cu umor și înțelepciune, această carte este un apel inspirat la acțiune, destinat a schimba poliul conversației de la femeile care nu pot face la cele care pot, devenind astfel un strigăt animat către acestea de a pune umărul la crearea unei lumi mai egale.

tina fey bossypants pdf: *Make Waves* Patti B. Johnson, 2016-10-17 *Make Waves* encourages readers to step up and be the one to initiate change in their work and lives. Author Patti Johnson walks readers through the tools and techniques that they can use to create change in their own situations. Johnson elaborates on these tools even further to give readers a sense of how to encourage and instill these wave-making behaviors in others within their organization. Using several diverse case studies as illustrative examples, *Make Waves* highlights the important steps that

individuals at any level can take toward positive change. By reinforcing readers' desires to contribute and make a difference, Johnson connects on an individual level and bridges the gap between that desire and the actions necessary to realize bigger changes. Change can be big or small. It is the act of stepping up that Johnson embraces, as well as the ripple effect on those around. Interviews with famous Wave Makers, as well as everyday people, illustrate why it is important to be the one to start change. Wave Makers profiled include: Clint Hurdle: Manager of the Pittsburgh Pirates; believes in positive attitude and culture and changes the MLB clubhouse; this year leading the Pirates to their first winning season since 1992. Charley Johnson: Started Pay It Forward foundation. Joe Nussbaum: Started Big Event at Texas A&M when in college in the '80s and has continued to grow; largest one-day college community service day in the country and has been adopted by over seventy universities. Emma Scheffler: High school soccer player who started Insulin Angels, a nonprofit for children diagnosed with diabetes, after her own diagnosis; feared her dream of college soccer was over, so engaged other students and local hospitals after thinking about how to make her diagnosis a positive. Allen Stephenson: Started Southern Tide at twenty-two-years old when in med school and followed a passion to create a clothing line; built momentum by creating interest and participation on southern college campuses; they are now growing rapidly and it started with a great polo shirt.
