Christina of Markyate PDF: An In-Depth Exploration of the Medieval Mystic

If you're researching medieval mystics, spiritual figures, or historical religious writings, you might have come across the term "Christina of Markyate PDF." This phrase often appears in academic circles, religious studies, or digital archives where scholars and enthusiasts seek accessible versions of her writings and biographies. In this article, we'll explore who Christina of Markyate was, why her PDF resources are significant, and how you can access and utilize these documents for your studies or personal interest.

Who Was Christina of Markyate?

Christina of Markyate was a renowned medieval mystic and anchoress from 11th-century England. Her life story is notable for its spiritual depth, personal struggles, and influence on religious thought during her time.

Early Life and Personal Struggles

- Christina was born around 1098 into a noble family in Bedfordshire.
- From a young age, she was deeply religious and experienced intense spiritual visions.
- Her desire for a religious life led her to resist familial expectations, including an early vow of chastity.

Religious Vocation and Life as an Anchorite

- Christina sought to dedicate her life to God, eventually becoming an anchoress—a woman who withdraws from secular society for contemplative prayer.
- She lived in a cell attached to the church of St. Nicholas in Hertfordshire, dedicating her life to prayer and asceticism.
- Her spiritual journey was marked by visions, mystical experiences, and a profound devotion that attracted the attention of church authorities.

Her Writings and Legacy

- Christina's life and experiences are documented through her writings, notably her letter exchanges with spiritual advisors.
- Her spiritual autobiography and correspondence offer insights into medieval mysticism, gender roles, and religious life.
- She is considered an influential figure in medieval Christian mysticism and is recognized for her humility and dedication.

The Significance of the "Christina of Markyate PDF"

The phrase "Christina of Markyate PDF" signifies digital documents that contain her biography, letters, or scholarly analyses of her life and writings. These PDFs serve as valuable resources for students, historians, theologians, and anyone interested in medieval spirituality.

Why Are PDF Resources Important?

- Accessibility: PDFs allow easy access to historical texts and scholarly articles from anywhere.
- Preservation: Digital formats help preserve fragile manuscripts and original documents.
- Searchability: Text-based PDFs enable quick searches for specific topics, quotes, or references.
- Educational Use: PDFs can be used for academic purposes, coursework, or personal study.

Common Types of PDFs Related to Christina of Markyate

- Biographical PDFs summarizing her life and influence
- Translations of her letters or writings
- Scholarly articles analyzing her mysticism and historical context
- Historical documents and original manuscripts (scanned or transcribed)
- Compilations of medieval mystics including Christina

Where to Find "Christina of Markyate PDF" Resources

Accessing reliable PDFs about Christina of Markyate involves knowing where to look. Here are some trusted sources:

Academic Libraries and Digital Archives

- JSTOR and Project MUSE offer scholarly articles and book chapters in PDF format.
- Many university libraries provide free access to dissertations, theses, and historical texts.
- Cambridge University Digital Library and British Library host digital copies of medieval manuscripts and related research.

Open Access Websites

- Internet Archive (archive.org): Offers scanned copies of old books, manuscripts, and academic papers.
- Google Scholar: Provides links to PDFs of scholarly articles, some freely available.
- Academia.edu and ResearchGate: Platforms where researchers upload PDFs of their publications and analyses.

Specialized Religious and Medieval Studies Websites

- Websites dedicated to Christian mysticism or medieval history often host PDFs or links to downloadable resources.
- Some sites curate collections of writings by or about Christina of Markyate for educational purposes.

How to Use PDFs of Christina of Markyate Effectively

Having access to PDFs is only the first step. To make the most of these resources, consider the following tips:

Review the Source Credibility

- Verify if the PDF is from a reputable publisher or academic institution.
- Check for author credentials and publication dates to ensure accuracy.

Annotate and Take Notes

- Use PDF readers that allow highlighting and note-taking.
- Jot down key insights, questions, or references for further research.

Compare Multiple Sources

- Cross-reference biographical PDFs with scholarly analyses.
- Look for differing interpretations or new insights to deepen understanding.

Integrate Into Your Study or Research

- Use PDFs as citations in academic papers.
- Incorporate quotes or summaries into presentations or reports.

Digital Tools and Tips for Managing Christina of Markyate PDFs

Managing numerous PDFs can be challenging. Here are some tools and strategies:

PDF Management Software

- Use software like Adobe Acrobat Reader, Foxit PDF Reader, or PDF-XChange for organized reading and annotations.
- Consider tools like Zotero or Mendeley for managing references and PDFs.

Organizational Strategies

- Create folders labeled by topic (biography, writings, analysis).
- Use metadata and tags for easier searching.

Converting PDFs

- Convert PDFs to editable formats (like Word) if you need to analyze or quote extensively.
- Use OCR (Optical Character Recognition) tools to extract text from scanned documents.

Conclusion: Embracing the Rich Heritage of Christina of Markyate Through PDFs

The phrase "Christina of Markyate PDF" encapsulates a wealth of digital resources that make this medieval mystic's life and writings accessible to modern audiences. Whether you're a scholar seeking primary texts, a student exploring medieval spirituality, or a curious reader interested in religious history, PDFs serve as invaluable tools for discovery and study. By understanding where to find these resources, how to evaluate and utilize them, and the importance of digital accessibility, you can deepen your appreciation of Christina's life and legacy.

As digital archives continue to grow, so does the opportunity to engage with the spiritual and historical worlds of figures like Christina of Markyate. Embrace these resources, and

let her story inspire your exploration of medieval mysticism and religious devotion.

Remember: Always verify the credibility of your sources and respect copyright laws when downloading or sharing PDFs. Happy exploring!

Frequently Asked Questions

What is the significance of the 'Christina of Markyate' PDF for historical research?

The 'Christina of Markyate' PDF provides access to primary source material and scholarly analyses that shed light on the life of this medieval anchoress, offering valuable insights into religious practices and gender roles in 12th-century England.

Where can I find a reliable PDF version of the 'Christina of Markyate' biography?

Christina of Markyate PDF: An In-Depth Exploration of the Medieval Mystic's Life and Legacy

In the realm of medieval spirituality and hagiography, the figure of Christina of Markyate stands out as a compelling testament to religious devotion, personal struggle, and the quest for divine union. The availability of her life story in PDF format has made her narrative more accessible to scholars, students, and enthusiasts alike, fueling renewed interest in her influence and significance. This article aims to provide a comprehensive, analytical overview of Christina of Markyate, examining her life, the importance of her biography in PDF form, and the scholarly insights that emerge from her story.

Who Was Christina of Markyate?

Biographical Overview

Christina of Markyate, born around 1096 in England, is a prominent figure in medieval religious history. Her life is characterized by her early dedication to spiritual pursuits, her complex relationship with monastic and ecclesiastical authorities, and her enduring influence on subsequent mystical thought. Despite her noble origins, Christina chose a life of asceticism, resisting the societal expectations placed upon her as a woman of her class.

Her early years are marked by intense religious experiences and visions, which guided her decision to pursue a monastic life. However, her journey was fraught with challenges, including opposition from family members and ecclesiastical figures wary of her unconventional path. Ultimately, Christina became a recluse and an anchoress, living in seclusion at the monastery of St. Albans and later at Markyate Priory, where she continued her spiritual pursuits until her death in 1160.

Significance in Medieval Religious Life

Christina's life encapsulates the tensions between individual mystical experience and institutional church authority. Her writings and the accounts of her life reveal a woman deeply committed to her spiritual calling, often navigating complex social and ecclesiastical dynamics. Her story provides insight into the role of women in medieval religious life and the ways in which personal mystical experiences could challenge or complement institutional doctrine.

Availability and Importance of the 'Christina of Markyate PDF'

The Role of PDFs in Medieval Studies

The digitization of historical texts into PDFs has revolutionized access to medieval studies. For scholars, students, and general readers, PDFs offer a portable, searchable, and high-quality format that preserves the original layout and annotations of scholarly editions. Specifically, for Christina of Markyate's biography, PDF versions of her life and related scholarly analyses serve as invaluable resources for in-depth research.

Content Typically Included in Christina of Markyate PDFs

A comprehensive PDF resource about Christina usually contains:

- The original or translated texts of her life, including hagiographies and contemporary accounts.
- Critical editions and scholarly annotations that contextualize her story.
- Analyses of her mystical visions and writings.
- Discussions on her influence on medieval spirituality and women's religious roles.
- Comparative studies involving other mystics of her era.

These PDFs serve not only as educational tools but also as primary sources that enable nuanced analysis of her life and legacy.

Why Seek Out a PDF Version?

- Accessibility: PDFs can be accessed from anywhere with an internet connection, removing geographical barriers.
- Preservation: Digital copies help preserve fragile manuscripts and rare editions.
- Searchability: Text-search features facilitate quick location of specific topics or quotations.
- Annotation: Scholars can highlight and annotate digital texts for research purposes.

Analyzing Christina's Life Through Scholarly Lenses

The Mystical and Theological Dimensions

Christina's visions and spiritual experiences have intrigued theologians and mystics. Her writings reveal a profound inward focus, emphasizing union with God through contemplative prayer. Scholars often analyze her descriptions of her mystical states, comparing them to other medieval mystics such as Julian of Norwich or Mechthild of Magdeburg.

Critical discussions focus on:

- The nature of her visions and their theological implications.
- The role of gender in her spiritual authority.
- How her personal experiences challenge or reinforce contemporary church teachings.

Gender and Social Context

As a woman in a predominantly male ecclesiastical hierarchy, Christina's life raises questions about gender roles within medieval spirituality. Her decision to live as a recluse and her influence on religious communities highlight the complex position women occupied in religious life.

Scholars examine:

- How Christina's gender influenced her spiritual authority.
- The societal expectations of noblewomen and their contributions to religious life.
- The significance of her choice to live in seclusion versus active monastic participation.

Historical and Cultural Significance

Beyond her personal spiritual journey, Christina of Markyate offers insight into the broader cultural context of 12th-century England. Her story intersects with themes of religious reform, the development of mystical theology, and the role of laypeople in religious movements.

Researchers analyze:

- The impact of her life on subsequent religious reforms.
- Her influence on the development of female mysticism.
- The depiction of her life in medieval manuscripts and modern editions.

Critical Editions and Scholarly Analyses in PDF Format

Primary Sources and Translations

Most PDFs contain critical editions of Christina's hagiographies, often with translations into modern English. These editions are essential for understanding her life from the original medieval texts, offering insights into language, style, and narrative framing.

Popular editions include:

- The Latin Vita Christinae, with modern annotations.
- Translations of her writings and visions.
- Contemporary accounts from her followers or ecclesiastical figures.

Secondary Literature and Commentaries

Scholarly PDFs also include commentaries analyzing her spiritual practices, visions, and influence. These texts help contextualize her within medieval mysticism and explore themes such as divine love, asceticism, and gender.

Notable analyses include:

- Critical essays on her visions and their theological significance.
- Biographical studies comparing her to other mystics.
- Discussions on her influence on later religious movements.

Research Tools and Digital Archives

Modern PDFs often embed hyperlinks, bibliographies, and references to facilitate further research. Digital archives hosting Christina's texts enable cross-referencing with other medieval figures and themes.

Impact and Legacy of Christina of Markyate

Her Influence on Medieval Mysticism

Christina's life and writings have inspired generations of mystics and religious thinkers. Her emphasis on inner spiritual experience and her ability to navigate ecclesiastical authority have made her a model for spiritual perseverance and authenticity.

Modern Interpretations and Popularity

In recent decades, her biography has gained renewed attention through academic publications, conference presentations, and digital resources. PDFs of her life serve as key educational materials, fostering a deeper understanding of medieval spirituality and women's religious roles.

Educational and Cultural Significance

Her story is frequently included in university courses on medieval history, religious studies, and gender studies. Digital PDFs make her narrative accessible to a global audience, ensuring her legacy endures.

Conclusion: The Value of Digital Resources on Christina of Markyate

The availability of Christina of Markyate PDF resources has transformed the way scholars and enthusiasts approach her life and work. These digital documents provide comprehensive, annotated, and accessible insights into her mystical experiences, social context, and enduring influence. As medieval studies continue to evolve with technological advancements, PDFs will remain vital tools for deepening our understanding of figures like Christina—women who challenged conventions and left an indelible mark on religious history.

In exploring her story through these digital means, we not only preserve her legacy but also invite new interpretations and scholarly dialogues that enrich our appreciation of medieval mysticism and women's spiritual agency. Whether for academic research, teaching, or personal interest, the PDF edition of Christina of Markyate's life remains an invaluable resource in the ongoing exploration of her extraordinary life.

christina of markyate pdf: *The Life of Christina of Markyate* Samuel Fanous, Henrietta Leyser, 2008 'I wish to remain single, for I have made a vow of virginity.' This is the remarkable story of the twelfth-century recluse Christina, who became prioress of Markyate, near St Albans in

Hertfordshire. Determined to devote her life to God and to remain a virgin, Christina repulses the sexual advances of the bishop of Durham. In revenge he arranges her betrothal to a young nobleman but Christina steadfastly refuses to consummate the marriage and defies her parents' cruel coercion. Sustained by visions, she finds refuge with the hermit Roger, and lives concealed at Markyate for four years, enduring terrible physical and emotional torment. Eventually Christina is supported by the abbot of St Albans, and her reputation as a person of great holiness spreads far and wide. Written with striking candour by Christina's anonymous biographer, the vividness and compelling detail of this account make it a social document as much as a religious one. Christina's trials of the flesh and spirit exist against a backdrop of scheming and corruption and all-too-human greed.

christina of markyate pdf: Queer Christianities Kathleen T. Talvacchia, 2015 Queerness and Christianity, often depicted as mutually exclusive, both challenge received notions of the good and the natural. Nowhere is this challenge more visible than in the identities, faiths, and communities that queer Christians have long been creating. As Christians they have staked a claim for a Christianity that is true to their self-understandings. How do queer-identified persons understand their religious lives? And in what ways do the lived experiences of queer Christians respond to traditions and reshape them in contemporary practice? *Queer Christianities* integrates the perspectives of queer theory, religious studies, and Christian theology into a lively conversation—both transgressive and traditional—about the fundamental questions surrounding the lives of queer Christians. The volume contributes to the emerging scholarly discussion on queer religious experiences as lived both within communities of Christian confession, as well as outside of these established communities. Organized around traditional Christian states of life—celibacy, matrimony, and what is here provocatively conceptualized as promiscuity—this work reflects the ways in which queer Christians continually reconstruct and multiply the forms these states of life take. *Queer Christianities* challenges received ideas about sexuality and religion, yet remains true to Christian self-understandings that are open to further enquiry and to further queerness.

christina of markyate pdf: The Life of Christina of Markyate Medieval Academy of America, 1998-01-01 *The Life of Christina of Markyate*, a twelfth-century English recluse and later abbess of Markyate near St Albans, is a remarkable example of late medieval hagiography. Originally written at the time of or soon after Christina's death in the twelfth century, the *Life* is unusual both in its relative lack of miracles, and in the unknown author's decision to write Christina's life factually rather than gathering together stock elements from previously written saint's lives, as was the custom. First published in 1959, this edition contains the original Latin text with a facing-page English translation. It is accompanied by a comprehensive Introduction that discusses the codicological problems of the text, and provides other contextual and background material. 'One of the great virtues of this *Life* is its vivid revelations of Christina's personal circumstances, which must have been based on her own reminiscences. Although doubts have been cast on her veracity ... they do not affect the main lines of the extraordinary story she told the author.' From the General Editors' Note

christina of markyate pdf: Spiritual Marriage Dyan Elliot, 1993 As a paradigm patterned after the chaste union of Mary and Joseph, spiritual marriage upheld Christian doctrine; as a spontaneous practice, however, it aroused the suspicion of the very church authorities who extolled its virtues. Through this union women could achieve a measure of spiritual and physical autonomy, which threatened not only their husbands' authority but also that of the clergy. Elliott shows how spiritual marriage could be manipulated by male-dominated institutions as well: it enabled early medieval kings to mask their unilateral repudiation of infertile wives, the church to establish the roots of a ritually pure priesthood, and the late medieval clergy to underline female submission to patriarchal authorities. Far from being a curiosity peripheral to the study of Christian sexuality, spiritual marriage emerges as far-reaching in its implications and long-lasting in its influences.--BOOK JACKET.

CHRISTINA (of Markyate), 1959

christina of markyate pdf: The Life of Christina of Markyate Charles H. Talbot, 1998

christina of markyate pdf: Without Children Peggy O'Donnell Heffington, 2023-04-18 A historian explores the complicated relationship between womanhood and motherhood in this “timely, refreshingly open-hearted study of the choices women make and the cards they’re dealt” (Ada Calhoun, author of *Why We Can’t Sleep*). In an era of falling births, it’s often said that millennials invented the idea of not having kids. But history is full of women without children: some who chose childless lives, others who wanted children but never had them, and still others—the vast majority, then and now—who fell somewhere in between. Modern women considering how and if children fit into their lives are products of their political, ecological, and cultural moment. But history also tells them that they are not alone. Drawing on deep research and her own experience as a woman without children, historian Peggy O'Donnell Heffington shows that many of the reasons women are not having children today are ones they share with women in the past: a lack of support, their jobs or finances, environmental concerns, infertility, and the desire to live different kinds of lives. Understanding this history—how normal it has always been to not have children, and how hard society has worked to make it seem abnormal—is key, she writes, to rebuilding kinship between mothers and non-mothers, and to building a better world for us all.

christina of markyate pdf: Women's History of the Christian Church Elizabeth Gillan Muir, 2019-01-01 Tracing two thousand years of female leadership, influence, and participation, Elizabeth Gillan Muir examines the various positions women have filled in the church. From the earliest female apostle, and the little known stories of the two Marys - the Virgin Mary and Mary Magdalene - to the enlightened duties espoused by the nun, the abbess, and the anchorite, and the persecutions of female witches, Muir uncovers the rich and often tumultuous relationship between women and Christianity. Offering broad coverage of both the Catholic and Protestant traditions and extending geographically well beyond North America, *A Women's History of the Christian Church* presents a chronological account of how women developed new sects and new churches, such as the Quakers and Christian Science. The book includes a timeline of women in Christian history, over 25 black-and-white illustrations, a glossary, and a list of primary and secondary sources to complement the content in each chapter.

christina of markyate pdf: The Life of Christina of Markyate, a Twelfth Century Recluse ([from] MS. Cotton Tiberius E.1) Christina (of Markyate.), Charles H. Talbot, 1959

christina of markyate pdf: *A Cultural History of Marriage in the Medieval Age* Joanne M. Ferraro, Frederik Pedersen, 2021-11-18 Marriage in Europe became a central pillar of society during the medieval period. Theologians, lawyers, and secular and church leaders agreed on a unique outline of the institution and its legal framework, the essential features of which remained in force until the 1980s. The medieval Western European definition of marriage was unique: before the legal consequences of marriage came into being, the parties had to promise to engage in sexual union only with one partner and to remain in the marriage until one of the parties died. This requirement had profound implications for inheritance rules and for the organization of the family economy; it was explained and justified in a multitude of theological discussions and legal decisions across all faiths on the European continent. Normative texts, built on the foundations of the scriptures of several religious traditions, provided an impressive intellectual framework around marriage. In addition, developments in iconography, including sculpture and painting, projected the dominant model of marriage, while social, demographic and cultural changes encouraged its adoption. This volume traces the medieval discussion of marriage in practice, law, theology and iconography. It provides an examination of the wider political and economic context of marriage and offers an overview of the ebb and flow of society's ideas about how expressions of human sexuality fit within the confines of a clearly defined social structure and ideology. *A Cultural History of Marriage in the Medieval Age* presents an overview of the period with essays on Courtship and Ritual; Religion, State and Law; Kinship and Social Networks; the Family Economy; Love and Sex; the Breaking of Vows; and Representations of Marriage.

christina of markyate pdf: *Women, Writing and Religion in England and Beyond, 650-1100*

Diane Watt, 2019-12-12 Women's literary histories usually start in the later Middle Ages, but recent scholarship has shown that actually women were at the heart of the emergence of the English literary tradition. *Women, Writing and Religion in England and Beyond, 650-1100* focuses on the period before the so-called 'Barking Renaissance' of women's writing in the 12th century. By examining the surviving evidence of women's authorship, as well as the evidence of women's engagement with literary culture more widely, Diane Watt argues that early women's writing was often lost, suppressed, or deliberately destroyed. In particular she considers the different forms of male 'overwriting', to which she ascribes the multiple connotations of 'destruction', 'preservation', 'control' and 'suppression'. She uses the term to describe the complex relationship between male authors and their female subjects to capture the ways in which texts can attempt to control and circumscribe female autonomy. Written by one of the leading experts in medieval women's writing, *Women, Writing and Religion in England and Beyond, 650-1100* examines women's literary engagement in monasteries such as Ely, Whitby, Barking and Wilton Abbey, as well as letters and hagiographies from the 8th and 9th centuries. Diane Watt provides a much-needed look at women's writing in the early medieval period that is crucial to understanding women's literary history more broadly.

christina of markyate pdf: *Cross and Culture in Anglo-Norman England* John Munns, 2016 An examination of the passion and crucifixion of Christ as depicted in the visual and religious culture of Anglo-Norman England. The twelfth century has long been recognised as a period of unusual vibrancy and importance, witnessing seminal changes in the inter-related spheres of theology, devotional practice, and iconography, especially with regard to the cross and the crucifixion of Christ. However, the visual arts of the period have been somewhat neglected, scholarly activity tending to concentrate on its textual and intellectual heritage. This book explores this extraordinarily rich and vibrant visual and religious culture, offering new and exciting insights into its significance, and studying the dynamic relationships between ideas and images in England between 1066 and the first decades of the thirteenth century. In addition to providing the first extensive survey of surviving Passion imagery from the period, it explores those images' contexts: intellectual, cultural, religious, and art-historical. It thus not only enhances our understanding of the place of the cross in Anglo-Norman culture; it also demonstrates how new image theories and patterns of agency shaped the life of the later medieval church. John Munns is a Fellow of Magdalene College, Cambridge.

christina of markyate pdf: *Perceptions of Medieval Manuscripts* Elaine Treharne, 2021 Engages with the materiality of medieval manuscripts to illustrate the importance of the study of physical texts to literary appreciation, and studies marginal annotation, the physical characteristics of manuscripts and books, and miniature illustrations to show how the book was encountered and understood by medieval producers and readers.

christina of markyate pdf: *The Use of Hereford* Mr William Smith, 2015-10-28 The Use of Hereford, a local variation of the Roman rite, was one of the diocesan liturgies of medieval England before their abolition and replacement by the Book of Common Prayer in 1549. Unlike the widespread Use of Sarum, the Use of Hereford was confined principally to its diocese, which helped to maintain its individuality until the Reformation. This study seeks to catalogue and evaluate all the known surviving sources of the Use of Hereford, with particular reference to the missals and gradual, which so far have received little attention. In addition to these a variety of other material has been examined, including a number of little-known or unknown important fragments of early Hereford service-books dismembered at the Reformation and now hidden away as binding or other scrap in libraries and record offices.

christina of markyate pdf: *Island Endurance* Ryan Lash, 2025 Many look to Ireland's Atlantic islands as timeless places, resistant to change. *Island Endurance* offers an alternative perspective, examining two neighboring islands where people have cultivated their heritage to confront new challenges and opportunities across centuries. To the west, Inishark is a landscape of ruins, with

monuments from a medieval monastery alongside the remnants of a village that endured privation and isolation before its evacuation in 1960. To the east, Inishbofin remains home to a small community of nearly 200 that bustles every summer with thousands of visitors drawn by the island's reputation for hospitality and distinctive local heritage. Combining archaeological discoveries with folklore and ethnography, author Ryan Lash explores how islanders from three different historical eras encountered, altered, and reimagined traces of the past. Fifteen years of fieldwork reconstruct more than a millennium of creativity--from the development of pilgrimage traditions at the shrines of monastic saints, to the reuse of medieval monuments for local devotions in the 19th and 20th centuries, to the repurposing of ruins for managing livestock and guiding tourist trails in the 21st century. Attuned to the sensory dynamics and other-than-human elements of landscapes, Lash illustrates the power of quartz pebbles, picnics, and sheep farming to generate vital perceptions of place, time, and belonging. Islanders have continually and creatively adapted their heritage to foster shared experiences, negotiate collaborative relations, and sustain livelihoods amid adversity. *Island Endurance* shows us that the illusion of timelessness has always relied on the creativity of heritage.

christina of markyate pdf: *Coins in Churches* Svein H. Gullbekk, Christoph Kilger, Steinar Kristensen, Håkon Roland, 2021-07-27 This book focuses on the formative period of Church reform in the Middle Ages in Northern Europe, when the Church paved the way for the development of money economy on its own doorstep. Church archaeology provides evidence for patterns of monetary use related to liturgy, church architecture and devotional culture through the centuries. This volume encompasses Alpine European evidence, with emphasis on Gotland, Denmark, Norway, Sweden, Finland and Switzerland, which opens up a new field of research on religion and money for an international audience. Based on 100,000 single finds of coins from the 11th to 18th centuries from 650 Scandinavian churches, the volume offers an in-depth discussion of the concepts of ritual, liturgy and devotional uses of money, monetary space and spiritual economy within the framework of Christendom, the medieval church and church architecture. Written by international scholars, *Coins in Churches* will be a valuable resource for readers interested in the history of religion, money, the economy, and church architecture in Northern Europe in the Middle Ages.

christina of markyate pdf: *Colour and Light in Ancient and Medieval Art* Chloë N. Duckworth, Anne E. Sassin, 2017-12-15 The myriad ways in which colour and light have been adapted and applied in the art, architecture, and material culture of past societies is the focus of this interdisciplinary volume. Light and colour's iconographic, economic, and socio-cultural implications are considered by established and emerging scholars including art historians, archaeologists, and conservators, who address the variety of human experience of these sensory phenomena. In today's world it is the norm for humans to be surrounded by strong, artificial colours, and even to see colour as perhaps an inessential or surface property of the objects around us. Similarly, electric lighting has provided the power and ability to illuminate and manipulate environments in increasingly unprecedented ways. In the context of such a saturated experience, it becomes difficult to identify what is universal, and what is culturally specific about the human experience of light and colour. Failing to do so, however, hinders the capacity to approach how they were experienced by people of centuries past. By means of case studies spanning a broad historical and geographical context and covering such diverse themes as architecture, cave art, the invention of metallurgy, and medieval manuscript illumination, the contributors to this volume provide an up-to-date discussion of these themes from a uniquely interdisciplinary perspective. The papers range in scope from the meaning of colour in European prehistoric art to the technical art of the glazed tiles of the Shah mosque in Isfahan. Their aim is to explore a multifarious range of evidence and to evaluate and illuminate what is a truly enigmatic topic in the history of art and visual culture.

christina of markyate pdf: *Female vita religiosa between late antiquity and the High Middle Ages* Gert Melville, Anne Müller, 2011 This book considers the development of female religious life between Late Antiquity and the High Middle Ages. It is the first general study to address this earlier period. Chapters range widely over major themes associated with spiritual ideas and social functions, normative structures and spatial organization, forms of communal life, economic

foundations, and social relationships. Along with these, evolutionary aspects - including charismatic beginnings and the activity of founders in relation to institutionalization, but also the effects of crises, reformation, and transformation - are examined in chronologically-broad and geographically-diverse settings, based on the analysis of significant phenomena and examples. The book provides a comparative approach, which will allow a better understanding of the dynamics, complexities, and differentiations in women's religious life, as well as their cultural importance and - in relation to the male religious - occasionally ambivalent status. (Series: Vita regularis - Ordnungen und Deutungen religiösen Lebens im Mittelalter. Abhandlungen - Vol. 47)

christina of markyate pdf: Sexuality in Medieval Europe Ruth Mazo Karras, 2017-01-20

Challenging the way the Middle Ages have been treated in general histories of sexuality, *Sexuality in Medieval Europe* shows how views at the time were conflicted and complicated; there was no single medieval attitude towards sexuality any more than there is one modern attitude. Focusing on marital sexual activity, as well as behavior that was seen as transgressive, the chapters cover such topics as chastity, the role of the church, and non-reproductive activity. Combining an overview of research on the topic with original interpretations, Ruth Mazo Karras demonstrates that medieval culture developed sexual identities that were quite distinct from the identities we think of today, yet were still ancestral to our own. Using a wide collection of evidence from the late antique period until the fifteenth century, this fully revised third edition has been updated to include the latest scholarship throughout, including expanded coverage of Islamic and Jewish cultures and new ideas on how medieval sexual violence relates to the modern world. A new companion website supplements the text featuring an interactive timeline of key events, links to key primary sources, and references to further reading. *Sexuality in Medieval Europe* is essential reading for those who study medieval history and culture.
