crazy rich asians book pdf: Becoming Global Asia Cheryl Narumi Naruse, 2023-10-24 A free ebook version of this title is available through Luminos, University of California Press's Open Access publishing program. Visit www.luminosoa.org to learn more. *Becoming Global Asia* centers Singapore as a crucial site for comprehending the uneven effects of colonialism and capitalism. In the wake of the 1997 Asian financial crisis, Singapore initiated socioeconomic policies and branding campaigns to transform its reputation from a culturally sterile and punitive nation to Global Asia—an alluring location ideal for economic flourishing. Rather than evaluating the efficacy of state policy, Cheryl Narumi Naruse analyzes how Singapore gained cultural capital and soft power from its anglophonic legibility. By examining genres such as literary anthologies, demographic compilations, coming-of-career narratives, and princess fantasies, Naruse reveals how, as Global Asia, Singapore has emerged as simultaneously a site of imperial desire, a celebrated postcolonial model nation, and an alibi for the continued subjugation of the so-called Third World. Her readings of Global Asia as a formation of postcolonial capitalism offer new conceptual paradigms for understanding postcolonialism, neoliberalism, and empire.

crazy rich asians book pdf: American Women's History on Film Rosanne Welch, Peg A. Lamphier, 2022-11-07 By exploring a range of films about American women, this book offers readers an opportunity to engage in both history and film in a new way, embracing representation, diversity, and historical context. Throughout film history, stories of women achieving in American history appear few and far between compared to the many epic tales of male achievement. This book focuses largely on films written by women and about women who tackled the humanist issues of their day and mostly won. Films about women are important for all viewers of all genders because they remind us that the American Experience is not just male and white. This book examines 10 films, featuring diverse depictions of women and women's history, and encourages readers to discern how and where these films deviate from historical accuracy. Covering films from the 1950s all the way to the 2010s, this text is invaluable for students and general readers who wish to interrogate the way women's history appears on the big screen.

crazy rich asians book pdf: Inclusive Young Adult Fiction Melanie Ramdarshan Bold, 2019-01-04 This book examines 'diversity', or the lack thereof, in young adult fiction (YA) publishing. It focuses on cultural hegemony in the United Kingdom and explores how literary culture aimed at young adults reproduces and perpetuates 'racial' and ethnic cultural hierarchies. Diversity is described by the We Need Diverse Books project as 'all diverse experiences, including (but not limited to) LGBTQIA, Native, people of color, gender diversity, people with disabilities, and ethnic, cultural, and religious minorities'. This study focuses on people of colour. While previous studies have looked at the representation of ethnic minorities in books for children and young adults, this book examines the experiences of 'own voice' cultural producers that create a counter-narrative. Specifically, this book will investigate the output and experiences of British young adult fiction authors of colour (BAME authors) published in the UK during the period 2006-2016, drawing upon semi-structured interviews with a sample of authors.

crazy rich asians book pdf: Off-White Sheng-mei Ma, 2019-11-14 How do English-speaking novelists and filmmakers tell stories of China from a Chinese perspective? How do they keep up appearances of pseudo-Sino immanence while ventriloquizing solely in the English language? Anglo writers and their readers join in this century-old game of impersonating and dubbing Chinese. Throughout this wish fulfillment, writers lean on grammatical and conceptual frameworks of their mother tongue to represent an alien land and its yellowface aliens. Off-white or yellow-ish characters and their foreign-sounding speech are thus performed in Anglo-American fiction and visual culture; both yellowface and Chinglish are of, for, by the (white) people. Off-White interrogates seminal Anglo-American fiction and film on off-white bodies and voices. It commences with one Nobel laureate, Pearl Buck, and ends with another, Kazuo Ishiguro, almost a century later. The trajectory

in between illustrates that the detective and mystery genres continue unabated their stock yellowface characters, who exude a magnetic field so powerful as to pull in Japanese anime. This universal drive to fashion a foil is ingrained in any will to power, so much so that even millennial China creates an “off-yellow,” darker-hued Orient in Huallywood films to silhouette its global ascent.

crazy rich asians book pdf: Lies and Weddings Kevin Kwan, 2024-05-21 From the iconic internationally bestselling author of the *Crazy Rich Asians* trilogy: A forbidden affair erupts volcanically amid a decadent tropical wedding in this outrageous comedy of manners from the iconic author of *Crazy Rich Asians*. Rufus Leung Gresham, future Duke of Greshambury and son of a former Hong Kong supermodel has a problem: the legendary Gresham Trust has been depleted by decades of profligate spending, and behind all the magazine covers and Instagram stories manors and yachts lies nothing more than a gargantuan mountain of debt. The only solution, put forth by Rufus's scheming mother, is for Rufus to attend his sister's wedding at a luxury eco-resort, a veritable who's-who of sultans, barons, and oligarchs, and seduce a woman with money. Should he marry Solène de Courcy, a French hotel heiress with honey blond tresses and a royal bloodline? Should he pursue Martha Dung, the tattooed venture capital genius who passes out billions like lollipops? Or should he follow his heart, betray his family, squander his legacy, and finally confess his love to the literal girl next door, the humble daughter of a doctor, Eden Tong? When a volcanic eruption burns through the nuptials and a hot mic exposes a secret tryst, the Gresham family plans—and their reputation—go up in flames. Can the once-great dukedom rise from the ashes? Or

will a secret tragedy, hidden for two decades, reveal a shocking twist? In a globetrotting tale that takes us from the black sand beaches of Hawaii to the skies of Marrakech, from the glitzy bachelor pads Los Angeles to the inner sanctums of England's oldest family estates, Kevin Kwan unfurls a juicy, hilarious, sophisticated and thrillingly plotted story of love, money, murder, sex, and the lies we tell about them all.
