You aspire to lead with greater impact. The problem is you're busy executing on today's demands. In *Act Like a Leader, Think Like a Leader*, Ibarra offers advice to: Redefine your job in order to make more strategic contributions Diversify your network so that you connect to, and learn from, a wider range of stakeholders Become more playful with your self-concept, allowing your familiar—and possibly outdated—leadership style to evolve Ibarra turns the usual leadership advice—generate insight about yourself through reflection and analysis of your strengths and weaknesses—on its head by arguing that you must first act and experiment your way into trying new things.
