book of yahweh pdf: Why Did Yahweh and His Son Yahshuah Say What They Said? Dr.

Justin G. Prock, 2020-05-07 YAHWEH (The LORD God) and His Son YAHSHUAH (Jesus Christ) made statements with regard to Eschatology that have been "Spiritualized" for over a Millennium, which has led to the belief in Universalism, the belief that YAHSHUAH died for EVERYONE. Well, after one studies the original languages of the Hebrew, Aramaic, and Greek, the message of the Kingdom of God was preached to and accepted by a certain House in the Bible. The other House rejected this message, and YAHSHUAH punished that House by taking the Kingdom away from them and giving It to another nation bringing forth fruit. There are only the House of Israel, the House of Judah, and the House of David, mentioned in the Bible. All three existed then, as they do today. However, most of today's Babylonian Priesthood/Churchianity refuses to accept the secular historical position with regard to the House of Israel, and who they are today. The people groups, which YAHWEH and YAHSHUAH addressed, still exist today. However, these people are all mixed-up, and known by different names, but they DO exist. This book goes back to the origin of these people groups in the Bible, and brings them forward to the present using their old names, in order to understand Eschatology. This brings us to the major question of, "Is the Bible only about Israel?" And, if so, how does it affect our Eschatology today? This book answers these hard questions...

book of yahweh pdf: Yahweh and the Origins of Ancient Israel Nissim Amzallag, 2023-06-01 In

this book, Nissim Amzallag offers new perspectives on the birth of ancient Israel by combining recent archaeological discoveries with a new approach to ancient Yahwism. He investigates the renewal of the copper industry in the Early Iron Age Levant and its influence on the rise of new nations, and also explores the recently identified metallurgical context of ancient Yahwism in the Bible. By merging these two branches of evidence, Amzallag proposes that the roots of YHWH are found in a powerful deity who sponsored the emancipation movement that freed Israel from the Amorite/Egyptian hegemony. Amzallag identifies the early Israelite religion as an attempt to transform the esoteric traditions of Levantine metalworkers into the public worship of YHWH. These unusual origins provide insight into many of the unique aspects of Israelite theology that ultimately spurred the evolution towards monotheism. His volume also casts new light on the mysterious smelting-god, the figure around which many Bronze Age religions revolved.

book of yahweh pdf: The Impact of the Book of Enoch on Christianity and Other Religions Dr.

Randy Delp, 2017-03-31 Considered an expert about the Book of Enoch, Dr. Randy Delp has put together an analysis of this ancient book to explain why Jesus and the New Testament writers were not only influenced by the Book of Enoch, they quoted its contents, cited its texts and labeled it Scripture. The teachings of Enoch have influenced every major monotheistic religion including Islam, Judaism, Christianity and Zoroastrianism and vestiges can be found in Hinduism, and other ancient religions. The footprints of his teachings are seen throughout every generation and the finality of his message has yet to be fulfilled. Enoch's influence in astronomy, history, religion, education, and para-psychology has forged how society thinks today. It is significant to note that the prophet named Enoch, who was born seven generations after Adam and Eve, may be the only person in history who has had a positive effect on every major and minor religion, while nothing negative is ever spoken about him.

book of yahweh pdf: Biblical Eschatology: Dr. Justin G. Prock, 2021-06-20 In recent history, men from a variety of backgrounds have come to the same conclusion: that the Bible is about Israel only. For example: In 1861, John Mason Neale translated an ancient twelfth century Latin hymn and its title was O Come, O Come Emmanuel. Ever since 1861, Christians have sung that hymn at Christmas time, especially at Advent. Do you know what the words really mean that you are singing? In 1878, Edward Hine wrote an article titled, Seven-Eighths of the Bible Misunderstood, wherein he explains that seven-eighths of the Bible is about national salvation, i.e. the national salvation of True Israel; whereas, only one-eighth of the Bible is about personal salvation. Did you know that? In the 1960's, Pastor Sheldon Emery wrote an article titled, An Open Letter to Any Minister Who Teaches the Jews Are Israel, wherein he is of the opinion that the Israel that exists today since 1948 is not the True Israel of the Bible. In 1998, Arnold E. Kennedy wrote a book titled, The Exclusiveness of Israel, wherein he legally proves using the King James Version of the Bible that the Bible in general is only about True Israel. So, here we are in the Twenty-First Century, and the Gospel that is preached today is totally convoluted from that which was preached in the First Century A.D. by Yahshua and His disciples, i.e. the Gospel of the Kingdom. So, where did the so-called churches and pastors go wrong? By the way, is there really a hierarchy in the Bible? In order to find out what the truth really is, we have to look at the original languages in which the Bible was written and then translated. For example, the Old Testament was written in Hebrew and Aramaic, then translated into Greek. The New Testament was written in Hebrew and Greek. Both Testaments were put together and translated into Latin, then German, and finally into English, from which the entire world received their own translation of the Bible. So, what was the original meaning of the words used in the original languages, i.e. the etymology of the words. Once that is determined, then we can go onto the next phase and discuss types in the Bible. From there, what is the Law of First Mention? How

should Bible prophecy be interpreted? Who are the keys to Bible prophecy? Where are we in the Bible prophecy timeline? During these discussions, we will find out who Yahweh chose of all the families of the earth to make His own. The churches teach universalism. The question then becomes, Who was Yahweh's Law given to? What are the Laws of Yahweh? And then the even bigger question becomes, Who was Yahshuah sent to? All of these questions and more will be answered as you read this book...

book of yahweh pdf: *The Solar Nature of Yahweh* Daniel Sarlo, 2022-10-20 In *The Solar Nature of Yahweh: Reconsidering the Identity of the Ancient Israelite Deity*, the original nature of the chief god of the Hebrew Bible, Yahweh, is reexamined. Daniel Sarlo challenges the current consensus that Yahweh was initially a storm god by examining the relevant biblical texts and comparing them with Ancient Near Eastern texts, ultimately arguing that Yahweh was a solar deity. The implication of this research is that Yahweh was not a minor god who gradually accumulated characteristics to become the head of the ancient Israelite pantheon, but rather a significant god from the very beginning, or at least before the inception of the United Monarchy.

book of yahweh pdf: *God's Glory in Salvation through Judgment* James M. Hamilton Jr., 2010-11-04 In Exodus 34 Moses asks to see God's glory, and God reveals himself as a God who is merciful and just. James Hamilton Jr. contends that from this passage comes a biblical theology that unites the meta-narrative of Scripture under one central theme: God's glory in salvation through judgment. Hamilton begins in the Old Testament by showing that Israel was saved through God's judgment on the Egyptians and the Canaanites. God was glorified through both his judgment and mercy, accorded in salvation to Israel. The New Testament unfolds the ultimate display of God's glory in justice and mercy, as it was God's righteous judgment shown on the cross that brought us salvation. God's glory in salvation through judgment will be shown at the end of time, when Christ returns to judge his enemies and save all who have called on his name. Hamilton moves through the Bible book by book, showing that there is one theological center to the whole Bible. The volume's systematic method and scope make it a unique resource for pastors, professors, and students.

book of yahweh pdf: *Second Witness: Analytical and Contextual Commentary on the Book of Mormon* Brant A. Gardner, 2007-09-01 Stop looking for the Book of Mormon in Mesoamerica and start looking for Mesoamerica in the Book of Mormon! *Second Witness*, a new six-volume series from Greg Kofford Books, takes a detailed, verse-by-verse look at the Book of Mormon. It marshals the best of modern scholarship and new insights into a consistent picture of the Book of Mormon as a historical document. Taking a faithful but scholarly approach to the text and reading it through the insights of linguistics, anthropology, and ethnohistory, the commentary approaches the text from a variety of perspectives: how it was created, how it relates to history and culture, and what religious insights it provides. The commentary accepts the best modern scholarship, which focuses on a particular region of Mesoamerica as the most plausible location for the Book of Mormon's setting. For the first time, that location—its peoples, cultures, and historical trends—are used as the backdrop for reading the text. The historical background is not presented as proof, but rather as an explanatory context. The commentary does not forget Mormon's purpose in writing. It discusses the doctrinal and theological aspects of the text and highlights the way in which Mormon created it to meet his goal of "convincing . . . the Jew and Gentile that Jesus is the Christ, the Eternal God."

book of yahweh pdf: *Monotheism and Yahweh's Appropriation of Baal* James S. Anderson, 2015-08-27 Biblical scholarship today is divided between two mutually exclusive concepts of the emergence of monotheism: an early-monotheistic Yahwism paradigm and a native-pantheon paradigm. This study identifies five main stages on Israel's journey towards monotheism. Rather than deciding whether Yahweh was originally a god of the Baal-type or of the El-type, this work shuns origins and focuses instead on the first period for which there are abundant sources, the Omride era. Non-biblical sources depict a significantly different situation from the Baalism the Elijah

cycle ascribes to King Achab. The novelty of the present study is to take this paradox seriously and identify the Omride dynasty as the first stage in the rise of Yahweh as the main god of Israel. Why Jerusalem later painted the Omrides as anti-Yahweh idolaters is then explained as the need to distance itself from the near-by sanctuary of Bethel by assuming the Omride heritage without admitting its northern Israelite origins. The contribution of the Priestly document and of Deutero-Isaiah during the Persian era comprise the next phase, before the strict Yahwism achieved in Daniel 7 completes the emergence of biblical Yahwism as a truly monotheistic religion.

book of yahweh pdf: *The Sacred Scriptures - Vol. III* Johannes Biermanski, 2015-10-12 The objective of the Holy Bible, the Sacred Scriptures, 27th edition, volume III, is to revoke all falsifications in today's Bibles known so far (the New Testament), and to restore the original state of the verses as far as possible. In the present work, you will find from The Letter to the Hebrews to The General Letter of Judah, also The Book of Daniel and The Book of Revelation, in which the verses are written in German and English, as well as an appendix with various elaborations and statements, etc. (see the table of contents). There is both a German and an English edition in which the attachments are available in the respective selected language. This is a English version. Other important parts of this work are focused on The Doctrine of the Trinity, The holy Name of our God, The Name of His Son and the Significancy, The Falsification of the Resurrection Day, The Ttatements of Dr. Martin Luther and the Reformers, The official Statements of the Clergy in Rome, The full validity of God's Law as well as detailed explanations by the English reformers, falsifications in the Holy Bible, false doctrines, etc. The author was born in 1963 in North Rhine-Westphalia and completed a traineeship for wholesale and foreign trade in a pharmaceutical wholesale company. In the course of his professional development, he used to be a freelancer but was also officially employed; he has experienced a lot rises and falls throughout his life. While studying the Scriptures, he was led by the Spirit of the only God, the Almighty and the only Holy Father in heaven, whereas, by grace, he could recognize many things that are now presented as heresies to the world. In recent years he has been active in the proclamation of the Word of God in Europe, particularly in Brazil (South America), and has enlightened many people by his message, so that they get to know the true God, His holy name and His will and only obey Him - and start to think about all this, i. e. so that they finally decide themselves in favour of the living God, instead of against Him, and their names are not erased from the divine 'Book of Life' forever.

book of yahweh pdf: Christ the Center Tomas Bokedal, 2023-08-23 Scripture is a beautiful mosaic of Christ. The earliest Christians expressed their faith with creativity through symbols and summaries. In Christ the Center, Tomas Bokedal explores the relationship of the rule of faith, nomina sacra, and numerical patterns with Scripture. The nomina sacra—scribal reverence for divine names within Scripture—display remarkable intentionality and theological reflection. The nomina sacra in turn directed the emerging rule of faith. These scribal practices reveal early devotional and theological preoccupation and guided the text's shape and interpretation in the early centuries after Christ. Christ the Center showcases early Christian reverence for Scripture—and especially for the One of whom Scripture speaks.

book of yahweh pdf: Sites of Memory in Spain and Latin America Aída Díaz de León, Marina Llorente, Marcella Salvi, 2015-09-03 Sites of Memory in Spain and Latin America is a collection of essays that explores historical memory at the intersection of political, cultural, social, and economic forces in the contexts of Spain and Latin America. The essays here focus on a variety of forms of memory—from the most concrete to the performative—that resist forgetting and unite individuals against hegemonic memory. The volume comprises four thematic sections that focus on Chile, Spain, Argentina, Venezuela, Mexico, Peru, and the Dominican Republic. Keeping in line with the concept informing this collection, that the past returns politically to haunt the present, the four sections move from the contemporary context to the colonial and pre-Columbian eras in Latin America. For all its diversity, the researchers' interdisciplinary methodology displayed in this collection brings to light processes that would otherwise have remained illegible under a more narrow interpretative approach to historical memory. This volume focuses on the processes of remembering in

geographies that have been transformed by violence and conflict in Spain and Latin America. In the cases investigated witnessing, trauma, and testimony speak to the urgency of truth and justice; historical memory, therefore, is ultimately a political act.

Throughout the writings are references to the ancient tabernacles, sanctuaries, and temple worship. Drawing from the best available resources, these words of instruction will help the readers better understand the culture, settings, and customs of those who wrote the scriptures. It is written for the lay reader as well as for scholars who desire an additional resource.

book of yahweh pdf: The Book of the Torah, Second Edition Thomas W. Mann, 2013-10-23 The first five books of the Bible contain many of its most famous stories, populated by vivid characters altogether human in their triumphs and failings--and an equally complicated deity. Many works of Western art and literature appeal to these stories, from Michelangelo's painting of Adam and Eve to a novel like William Faulkner's Go Down, Moses. The three great Abrahamic religions (Judaism, Christianity, and Islam) are rooted here. So is much of Western political theory and constitutional polity, for a good half of these books contains legislation (torah) of various kinds, as indicated by the ancient title: the book of the Torah. Law and narrative together render the character of the ancient covenant community known as Israel, as well as the God who rules over that community. In this revised and expanded version of his popular book of 1988, Mann engages literary criticism and theology in attending both to the composite nature of the Torah (or Pentateuch) and to its final, canonical shape. Mann's study provides a lucid introduction to the heart of the Hebrew Bible, suitable for students and general readers, but also of interest to biblical scholars.
