c s lewis the screwtape letters pdf: *First Light* G.R. Evans, 2013-11-19 Did the universe start with a bang, or has it existed always? Was there a supernatural being behind it all, or just mindless forces? The beginning of things has forever tested the limits of curiosity, and such questions have both challenged atheists and inspired believers. Ancient cultures resorted to myth and symbolism to tell vibrant stories about human origins. Later civilizations added philosophical and scientific explanations: but these are not definitive. The nature and meaning of existence - the 'why' as much as the 'how' questions - are in the end mysterious. In this lively and wide-ranging book, G R Evans explores the world's myriad creation stories against the background of the biggest question there is: what are we doing here? Discussing Swahili legends that resemble the Book of Genesis, Greek tales about the Titans, Native American, Inca and Mesopotamian mythologies, and Vedic creation cycles that begin with a cosmic egg or seed, the author surveys polytheist, monotheist and dualist ideas about supernatural power. Tracing the history of humanity as it has struggled, over many millennia, to make sense of itself, *The Creation Myth* will attract students of religion, history and philosophy and general readers alike.

And if you are not personally participating in God's great endeavor, you could be missing the very thing he created you to do. Best-selling author Rich Stearns invites you not just to stand on the sidelines but to get into the game. That is when the adventure begins. "Unfinished, just might challenge everything you thought you understood about your Christian faith. Unfinished is a call to finish the job Christ gave his church to do. If every Christian read this book and took it seriously, the world would never be the same again."—Bill Hybels, senior pastor, Willow Creek Community Church; and chairman, Willow Creek Association "Just when I've gotten comfortable with my faith, here comes Rich Stearns, reminding me what matters and who God loves and why. Just when my world is the way I want it, Rich reminds me the world is not the way God wants it. Hungry families. Malnourished kids. Just when I dare think my work is done, Rich reminds me that we are just getting started. First in *The Hole in Our Gospel*, now in *Unfinished*, Rich gives me a kind, gracious kick. Thanks, Rich. (I think.)"—Max Lucado, pastor and best-selling author "Okay, admit it: sometimes you wonder . . . don't you? Is this it? The life you're living. Is there more? From his journey in corporate and nonprofit leadership—in very good causes—Rich Stearns concludes there is, indeed, more. More purpose. More meaning. More life. In *Unfinished* you will discover how your life can be about more."—Elisa Morgan, author; speaker; publisher, FullFill; and president emerita, MOPS International "Rich Stearns has done it again! In this winsome, engaging, and challenging book, he calls us back to some of the key issues of what it means to be followers of Christ in a world full of distractions and false gods. This is a book for everyone, about finding the place of our calling in God's global mission. It is a book about fulfillment, adventure, and a lifetime of transformation. It made me hungry for more of the life God has in store for us."—Dr. Stephen Hayner, president, Columbia Theological Seminary "Your story can be a part of the Great Story. Rich Stearns knows the story and lives the story. *Unfinished* may call you to the greatest chapter of your life."—John Ortberg, senior pastor, Menlo Park Presbyterian Church; and author, *Who Is This Man?* "The kingdom is both already and not yet, the work of Christ both finished and to be completed. Stearns reminds readers of every Christian's responsibility to live on mission, in light of Jesus' example and call. Richard shows us by his life, the ministry he leads, and the passion of this book that there is much to be done and we are to be a part of God's grand plan."—Ed Stetzer, president, LifeWay Research; and author, *Subversive Kingdom* "Every generation of Christians needs a wake-up call to remind us of how serious and strenuous are the demands of discipleship. May Rich Stearns's *Unfinished* be that alarm for our time."—David Neff, editorial vice president, Christianity Today

c s lewis the screwtape letters pdf: Stearns 2 in 1 Richard Stearns, 2014-10-28 Read the book that has inspired hundreds of thousands to change the world and the book that shows how best to accomplish that change. Together for the first time in one volume, *The Hole in Our Gospel*, revised and updated, and *Unfinished* take us on a breathtaking journey to rediscover the critical

mission of Christ in our world today and the richness of God's calling on our lives. The Hole in Our Gospel is a compelling true story of a corporate CEO who set aside worldly success for something far more significant and discovered the full power the gospel of Jesus Christ to change his own life. He uses his journey to demonstrate how the gospel—the whole gospel—was always meant to be a world-changing social revolution, a revolution that begins with us. This special edition of The Hole in Our Gospel includes a new epilogue from author Richard Stearns, a church resource guide, color charts and graphs on the needs of the world, and a concordance on poverty and justice. "Unfinished might just challenge everything you thought you understood about your Christian faith," says Bill Hybels, senior pastor of the Willow Creek Community Church. "If every Christian read this book and took it seriously, the world would never be the same again." Just before he left, Jesus sent his followers into the world with a revolutionary mission: to change the world by proclaiming God's truth and demonstrating his incredible love. But the single task he gave us to accomplish remains unfinished. "Just when I dare think my work is done, Rich reminds me that we are just getting started," says Max Lucado, pastor and best-selling author. Why are we here, what is our purpose, and where do we fit in the bigger story that God is writing? How should our faith affect our careers, our money, our families, and our lives? And why does it matter? We will find our deepest purpose only when we discover the unique role God created for us to play in his unfolding story.
